CHAPTER I

THE UNIVERSITY

Statement of Purpose.....

The mission of Wingate University is to prepare its students to become enlightened, productive citizens by providing a high quality education in the Judeo-Christian heritage. Accordingly, the University has a threefold purpose:

- To maintain an environment where students broaden their knowledge of the world;
- To sustain a community where the bases of faith are explored and where there is a common search for truth and meaning; and
- To promote a heritage of service to humanity and God through involvement and leadership.

Goals

I. To assist students in deepening their knowledge, Wingate University seeks to:

- A. Provide a faculty committed to teaching and learning;
- B. Require a core curriculum designed to provide students the opportunity to develop:
 - critical thinking and effective communication;
 - physical health and fitness;
 - problem-solving abilities using quantitative and scientific investigation;
 - integrated perspectives on civilization, the individual self, and the social group;
 - aesthetic, cultural, and literary appreciation;
 - responsible, ethical citizenship in the global community.
- C. Offer majors appropriate to Wingate's history, its resources, and its student population;
- D. Create opportunities for international study and travel; and
- E. Maintain a physical environment conducive to interactive learning.

II. To sustain its community of faith, Wingate University seeks to:

- A. Articulate a campus ideal of integrity in all relationships;
- B. Offer opportunities for religious worship;
- C. Encourage ethical application of Christian truth through study of areas such as medicine, business, and environment;
- D. Attract to the faculty scholars for whom Judeo-Christian values and practice are important aspects of living;
- E. Create through small campus religious groups frequent occasions to explore dynamic Christian living; and
- F. Provide opportunities for students to serve social and religious needs beyond the campus community.

- III. To promote service to humanity and God, Wingate University seeks to:
 - A. Sponsor service organizations both on the campus and in the larger community;
 - B. Create an environment founded upon Christian values;
 - C. Provide educational, social, cultural, and recreational opportunities;
 - D. Foster leadership and cooperation skills; and
 - E. Offer to students academic, career, social, and personal guidance.

History

A century of experience in education has prepared Wingate to fulfill its purpose. The history of the University exhibits commitment, determination, sacrifice, growth, and success.

Wingate was established in 1896 by the Baptist Associations of Union County in North Carolina and Chesterfield County in South Carolina. Public schools were unavailable in the rural areas of the Carolina Piedmont; therefore, in its earliest days, Wingate offered a complete literacy education from first grade through high school. The school was built on a 10-acre tract boasting fine oak trees, an all-weather spring, close proximity to the Meadow Branch Baptist Church, and access to the Seaboard Air Line Railway. The trustees named the new school for a successful president of Wake Forest University, Washington Manley Wingate, and chose an outstanding graduate of that institution and Union County native for its first principal, Marcus B. Dry. For 12 years Professor Dry directed the school, and with the assistance of Miss Polly Crowder in music, taught most of the curriculum. One hundred seventy-five students attended the first year and enrollment peaked at 292 in 1904.

As the state expanded its public schools, Wingate gradually moved toward boarding students and concentrated in the upper years of high school. It purchased additional land, built teaching and boarding facilities and established a sound academic reputation. The 1916 report to the Association by B.C. Ashcraft praised the Wingate faculty of seven college trained men and women who knew that “when you start a young man or a young woman on the right road, when you set a light aglow in a young mind, when you touch in the right way a young life [those] influences are not to be measured by years—they are eternal.”

As the private prep school era waned and public school became increasingly available, Wingate, in 1923, expanded its educational vision, offering the first two years of baccalaureate education. In the same year, Wingate became one of several institutions supported by the Baptist State Convention of North Carolina. These years were marked by enrollment and financial strain as the College established its new character. The national crisis of the economic crash and depression drove Wingate to the edge of extinction: the Convention withdrew its support in 1930, eager students had no money for tuition, faculty salaries frequently remained unpaid, and the administration building burned to the ground in 1932.

But President Coy Muckle and a few determined teachers opened the spring session in the rooms of Wingate Baptist Church, adjacent to the campus. Within a few years a new central building arose on the ashes of the old, this time in brick, attesting the determination of Trustees and local Baptists to keep the school alive. Today that central building, memorializing President C.C. Burris, who guided the institution from 1937 to 1953, houses the liberal arts instruction of the University.

After World War II, a sequence of events solidified Wingate. Returning veterans stabilized the enrollment, North Carolina Baptists resumed their financial support of the College in 1949, and the Southern Association of Colleges and Schools granted membership and accreditation to Wingate in 1952. Dr. Burris then returned to his beloved classroom to enrich the lives of countless students through his deep understanding of English literature and William Shakespeare. Budd and Ethel Smith assumed leadership of the youthful college, immediately attacking its twin points of vulnerability: enrollment and financial support. New recruitment strategies were implemented aimed at increasing the student body from its tenuous level of about 400. In 1955, Dr. Smith interested Mr. Charles A. Cannon of Kannapolis in the school. Mr. Cannon saw Wingate as a place where the children of textile workers and others in the middle class might receive opportunities in

higher education. He began to invest in the renewal of the physical plant and the expansion of the curriculum, providing first-class facilities for the growing student body which reached 1,500 in the late 1960s. Dr. Smith, a botanist by discipline, personally directed the planting of flowers and trees which complemented the stately oaks on the central campus. Through the labor of the Smiths and the generosity of Mr. Cannon and others, Wingate weathered the storms of its youth and turned to the future with new confidence.

Although Wingate was recognized in the mid-1970s as an outstanding private two-year college, the education market in North Carolina was changing substantially. The baccalaureate degree had become an attainable and necessary goal for upwardly mobile young people. Wingate needed to recruit 800 or more freshmen each year to maintain its enrollment, while it lost its juniors to senior colleges and universities. In 1977, under the leadership of Dr. Thomas E. Corts, Wingate added upper-level college courses and majors and granted its first baccalaureate degrees in 1979. Other majors and graduate degrees in education and in business were added during the 1980s, establishing Wingate's commitment to a quality educational experience for new generations of students. Also under Dr. Corts, the College launched W'International, a program of international study and travel for sophomores. The College included much of the cost of this experience in the total tuition whereby all students could spend 10 days in London, Paris, and Amsterdam (or a comparable location) during the Christmas holidays. W'International signaled the institution's commitment to education for a future global society and the Christian affirmation of the brotherhood of all humankind.

The Wingate campus is located about 20 miles southeast of metropolitan Charlotte. While the majority of Wingate students in past years came from homes within 100 miles of the campus, the University now attracts students from throughout the United States and a dozen foreign countries.

Wingate has been co-educational from its beginning and has concentrated on young adult learners: In recent years, the University has also addressed the unique needs of multicultural and nontraditional students at both undergraduate and graduate levels. On the main campus and at off-campus locations people of diverse backgrounds and ages interact to strengthen the learning environment.

In 1995, during the school's Centennial, the Board of Trustees voted to formally acknowledge Wingate's continued growth by changing its status to University.

Today, Wingate University is the premier small private university in North Carolina.

Administration Buildings

Dickson-Palmer Student Center, dedicated in April of 1977, is the hub of student life on campus. The center houses the campus store, the campus post office, the Klondike grill, a fitness room, a small chapel, the WU Flix Movie Store, an aerobics center, a television lounge, and pool tables. Helms Forum, which seats 90 and provides an auditorium for student and faculty gatherings and movie screenings, is found within the center, as is 2,300-square-foot Ames Turnout, a popular site for informal student and faculty social events. Ames Turnout also houses Java Junction, a coffee shop.

The Dickson-Palmer Student Center also houses administrative offices for the Dean of Student Affairs, Counseling, Career Services, Minister to Students, Residence Life, Multicultural Affairs, Orientation, Volunteer Services, and the Student Government Association Office.

The building honors the late Clyde C. Dickson of Charlotte and the late Fannie Drye Palmer of Albemarle.

R.W. Goodman Campus Service Center, built in 1986, serves as a multi-functional headquarters for maintenance, buildings and grounds services, and custodial services. It is also the University's primary stockroom. It was built in honor of R.W. Goodman, longtime Richmond County Sheriff and friend of the University.

Holbrook Building, named in honor of the late Roy L. Holbrook, dedicated friend and former University trustee, was completed in the fall of 1965. Formerly the administration building, it currently houses the the Office of Resource Development.

Stegall Administration Building, completed in 1991, is named in honor of the late Roy and Vera Stegall, friends of the University for many years. Designed as the centerpiece of a growing campus, the Stegall Administration Building is located between the Charles A. Cannon Complex and the Dickson-Palmer Student Center. It is surrounded by a landscaped plaza and a small lake. The building is the administrative center of the University, with the offices of the President, Academic Affairs, Admissions, Business Affairs, Computer Center, Financial Planning, and Registrar all under one roof.

Auditoriums and Theatres

Austin Memorial Chapel Auditorium, completed in 1960, seats 1,100, and serves as a cultural center for both the University and the surrounding community. The building is named for the late Mr. and Mrs. John M. Austin of Wadesboro. The auditorium was remodeled in 1980 to accommodate a custom-built, 30-stop Holtkamp organ given by the late Thelma Rivers, an alumna of the Wingate School, in honor of the Rivers family: Miss Alma Rivers, L.D. Rivers, and Theodore Rivers.

Hannah Covington McGee Theatre, completed in 1999, is named in honor of President Jerry E. McGee's late wife, a life-long patron of the arts. The 554-seat auditorium, located within the George A. Batte Jr. Fine Arts Center, provides a venue for University theatrical and musical productions, lectures, and many other University and community-wide events.

M.B. Dry Memorial Chapel, adjoining the lobby of Austin Auditorium, was presented to the University in 1964 by students of the late Professor Dry, first administrator of the school. The chapel was completely renovated in 1992 through the generous support of Mr. and Mrs. Jack C. Lail and other friends of the University.

The **Recital Hall** within the George A. Batte, Jr. Fine Arts Center seats 176. It is equipped with state-of-the-art audiovisual equipment for student and faculty presentations.

Computing Facilities and Smart Classrooms

Computing Facilities

Wingate University maintains several computer labs for student use. Each computer is networked so students can access the Internet and e-mail as well as their own network drives. Two computer labs are located in Herbert Bridges Hall. One lab contains 27 computers and laser printers. Software includes Microsoft Office, SPSS, Visual Studio, MS Project, and C++. The second lab contains 13 computers available for self-study. This lab is also equipped with course-specific software. The computer lab in the Ethel K. Smith Library contains 10 computers, a flat bed scanner, a negative scanner, a CD-RW drive, and a high-speed color laser printer. A variety of software, including MS Office, Maple, and Hash Animation Master, is available in this lab. Ames Turnout, the student lounge, is equipped with six computers that students can use for Internet browsing and e-mail. Two specialized labs, both located in the Burnside-Dalton Fine Arts Center, serve students enrolled in art or foreign language programs. The graphic arts computer lab contains 10 computers with zip drives, graphics tablets, CD-RW, a flat bad scanner, and a high-speed color laser printer. Software includes Adobe Photoshop, Illustrator, InDesign, and MS Office. The foreign language lab is equipped with 15 computers and also includes audio headsets, a laser printer, and a scanner. Software available in this lab includes MS Office as well as course-specific software such as Systeme-D and Atajo.

Smart Classrooms

There are 39 Smart Classrooms available for faculty use. Smart Classrooms are equipped with the latest in teaching technology. Each room is equipped with a ceiling-mounted projector, networked computer with DVD, USB inputs, a VCR/DVD, wireless mouse and keyboard, sound system, and laptop connectivity.

Classroom Buildings

Alumni Hall, constructed in 1946, houses the departments of Communication Studies and Mathematics. The building is located in the Academic Quadrangle. In addition, Alumni Hall houses WUTV, the University's cable television station.

Budd E. Smith Science Center, named in honor of the University's tenth president and completed in 1962, provides classrooms and laboratories for life and physical sciences. Plant and animal laboratories were added to the science complex in 1982. An animal lab section is named in memory of Bernice Brewer Russell, a 1927 alumna of the Wingate School. The lab section was a gift of her husband, the late Foil O. Russell.

Burnside-Dalton Fine Arts Center, named in honor of the late Harry L. Dalton and the late J.E. Burnside, both of Charlotte, was completed in 1968. It includes the computer graphics, photography, and ceramics studios, as well as other art classrooms and studios. The building also houses foreign language classrooms and laboratories.

Burris Building, erected in 1933, contains 23 classrooms and 20 faculty offices. The building honors the late C.C. Burris, former professor, dean, and president of Wingate University. The English, Religion, Education, History, Sociology, and Psychology departments are located in this building, as are the offices of *The Weekly Triangle* campus newspaper and *The Gate* campus yearbook.

Charles A. Cannon Hall, erected in 1969-70, contains approximately 30,000 square feet of laboratory and classroom space. The building honors the University's most generous benefactor, the late Charles Albert Cannon. The School of Pharmacy is located in this building.

Dickerson Building houses the Physics Laboratory.

George A. Batte Jr. Fine Arts Center, a 44,000-square-foot facility, provides classroom and rehearsal space for the University’s music department, as well as providing a venue to showcase the talents of visiting musicians, actors, singers, and artists. The center features a 176-seat recital hall, the 554-seat Hannah Covington McGee Theatre, gallery space for displaying the work of students, faculty, and regional artists, rehearsal halls, and studio offices.

Herbert Bridges Hall, completed in 1963, honors a former leader of the Wingate University Board of Trustees. The building provides classrooms, offices, a computer lab, and auxiliary facilities for classes within the School of Business.

Dining Facilities

W.T. Harris Dining Hall, most recently renovated in 2000, is designed to accommodate 1,500 students. The building honors the late W.T. Harris of Charlotte, prominent trustee, supporter, and civic leader.

LaVerne Banquet Hall, adjoining the W.T. Harris Dining Hall, honors the late LaVerne Childers Harris of Charlotte and has a seating capacity of 400.

The Klondike Grill, located within the Dickson-Palmer Student Center, serves snacks and typical grill items.

Grab-N-Go, established in 2002, is located off the Jefferson Clubhouse. Students may purchase snacks and other items.

Java Junction, opened in spring 2003, is a coffee shop located within Ames Turnout that serves Starbucks products.

Library and Archives

Archives

The Wingate University Archives are maintained in the Efrid Memorial Building, which served as the first free-standing library on campus. The collection holds includes pictures, documents, and memorabilia documenting more than 100 years of the University’s history. Also contained in the Efrid Memorial Building are the personal papers of Mr. Charles A. Cannon, who served for many years as a major benefactor of the school.

Library

The Ethel K. Smith Library, located on the University campus, maintains a collection in order to support the curricula of the undergraduate and graduate programs. The facility houses more than 110,000 monograph volumes. The Library provides access to a state-of-the-art online catalog, accessible from remote locations, offers a number of online reference databases, maintains an extensive ERIC Documents collection, and is a recognized depository for North Carolina State Documents. The Ethel K. Smith Library is staffed with highly trained, professional librarians available to assist students in their research endeavors via the employment of the many resources of a modern university library.

The Library's partnership in NCLive, a virtual library made available by the North Carolina State Library, provides students access to over 10,000 journal titles. In addition, the Library's InterLibrary Loan Department allows students to research materials comparable to those of major state universities. Accessing NCLive and ILL information from remote locations is possible. Additional online subscriptions to database vendors such as LexisNexis Academic, SilverPlatter, and OCLC FirstSearch supplement the Library's print holdings; NCLive and ILL access further expands access to current research materials.

The latest methods of electronic presentation, standard VHS and DVD players, digital cameras, and camcorders are only a few of the audiovisual items available from the Library's AV Department. The building also includes an audiovisual auditorium and an electronic instruction lab equipped with computers for interactive teaching. Education software is available for in-building use and is available for IBM compatible and MAC machines.

Library materials can be supplied to students at remote campuses through the Library's Bulldog Delivery system. Materials are delivered from the Library via professors or others traveling between campuses.

The John and Anna Williams Bivens Teacher Materials Center houses the John Benjamin and Effie Helms Curriculum Collection. This collection includes state-adopted textbook materials that support the University's School of Education. The Mary Ann Kincaid Children's Literature Collection also supports the Education Department's curriculum and is updated by participation in the Awards Book Collection Plan.

For more information on the Ethel K. Smith Library, please visit: <http://library.wingate.edu>

Matthews Center

The Wingate University Matthews Center, opened in 1993, awards three graduate degrees and offers a degree completion program for adult learners who wish to continue their undergraduate studies. A separate catalog is available from the Dean of the Matthews Center. For more information call (704) 849-2132. *Note: Due to the opportunity to take classes with a greatly reduced fee structure, Matthews Center students do not qualify for Wingate University academic scholarships.*

Recreational Facilities

Charles A. Cannon Complex, opened in 1986, contains the Cuddy Arena, a 2,500-seat basketball arena, an Olympic-size swimming pool, racquetball courts, a physical fitness laboratory, classrooms, and offices for the Sport Sciences Department.

Irwin Belk Stadium, opened in the fall of 1998, is the home of Wingate's football team. The Irwin Belk Education Foundation was instrumental in building this state-of-the-art facility, which seats 4,000 fans. The stadium contains concession areas, radio broadcast areas, a press box, VIP seating, a weight room, conference rooms, and all the amenities for coaches, officials, and players. The Bulldogs play on the John R. Martin Field, named for a loyal and generous Wingate trustee.

Plyler Athletic Field, built in 1956 by the children of I.F. Plyler of Monroe, includes the Ron Christopher Baseball Stadium, built in 1995. A member of the NAIA Hall of Fame, Christopher was 536-343 (with three ties) in 24 seasons as head baseball coach for the Bulldogs. Adjacent are six all-weather Grasstex tennis courts available for play.

Sanders-Sikes Physical Education Building, completed in 1959, is fully equipped for physical education. It has a regulation basketball court and contains the offices of the athletic director and coaches. The structure honors two families prominent in the early history of the University.

Other Facilities

H. Fields and Ruth B. Young Guest House was built in 1913 as a private home. It has served the University in various capacities over the years. In 1994, the home was extensively refurbished and furnished as a guest house through the generosity of the late H. Fields Young, Jr. and his wife, Ruth B. Young, both of whom have served as trustees and long-time friends of the University.

Student Residences

Students are assigned housing through the Office of Residence Life, which attempts to accommodate student preferences concerning roommates.

Residence Halls

- **Helms Hall**, completed in 1967, honors the late L.L. Helms, prominent alumnus and trustee of the University and his wife, Mary Smith Helms. The facility houses 195 students.
- **Ruth Coltrane Cannon Hall**, named in honor of the late Mrs. Charles A. Cannon. An addition was added and the existing building was completely renovated in 2004 to house 236 students.

Student Apartments

- **Faculty Drive Apartments**, an eight-unit facility at the corner of Faculty Drive and Haskins Drive, houses three students per unit.
- **Jefferson at Wingate**, completed in 2000, is comprised of **Haskins, Sherwood, Belk, Tucker, Bridges, and Rushing Halls**. The six facilities house 406 students in private bedroom apartments with a multitude of amenities. These apartments are available mainly to juniors and seniors.
- **North Campus Residential Park**, with phase one completed in 1987 (**Bennett and Holbert**) and phase two completed in 1997 (**Lowery, Laney, McIntyre, and Hendricks**), houses 115 students. These apartments are available to sophomores, juniors, or seniors.
- **University Place Apartments**, acquired in 2001, is a townhouse-style apartment community of five buildings occupied by sophomores, juniors, and seniors. The facility houses 93 students.

Residence Furnishings

Residence hall rooms are furnished with beds, dressers, desks or tables, and blinds. Students furnish a waste basket, linens (towels, sheets, pillows, blankets), study lamps, etc. Student apartments have fully furnished bedrooms, a living room, a dining room, and an equipped kitchen.

Cable hookup is accessible in both residence hall rooms and student apartments. All rooms on campus are equipped with telephone lines although students must provide their own telephones. Internet hookups are available in each room.

Housing Policies

Students who are at least 23 years old (on or before the first day of classes), 9th semester seniors, or living in the principal residence of their parent(s)/guardian(s) have the option of living off campus. Unless living in the principal residence of a parent/guardian, **all** scholarship student-athletes are required to live on campus. Students living on campus must participate in a University meal plan (*refer to the Student Handbook for complete information*).

Students having special needs or considerations may appeal to the Dean of Students. By authority of the President, the decision of the Dean is final.

Insurance (Property)

Wingate University cannot provide insurance to cover the personal belongings of a student in residence at the University nor vehicles parked on campus. The University recommends that the student and/or the student's family arrange for insurance coverage.

CHAPTER 2 STUDENT LIFE

Opportunities for Involvement

Athletics

Athletics, whether intercollegiate or intramural, provide Wingate students with the opportunity to develop physical fitness and to enhance their understanding of sportsmanship and teamwork. To this end, the University sponsors a well-balanced program of organized intramural competitions and is actively involved in intercollegiate athletics, fielding teams for men and women.

Women regularly meet other teams at the intercollegiate level in volleyball, soccer, golf, basketball, softball, cross-country, swimming, and tennis. Men compete in basketball, baseball, soccer, tennis, golf, football, lacrosse, and cross-country.

The University is a member of the South Atlantic Conference and the National Collegiate Athletic Association (NCAA Division II).

Community Service

Wingate students are encouraged to serve God by serving those in need. During Wingate 101, students and faculty hear how to engage in community service projects. The University and Community Assistance Network (UCAN) links students with volunteer opportunities ranging from tutoring in local schools to going into the community to do painting, yard work, and home repairs for the elderly, poor, and handicapped. During Spring Break, Wingate students have traveled to places such as Appalachia, Florida, and Honduras in order to serve others.

Cultural Programs

In keeping with the belief that diversity of experience is essential to a well-rounded education, Wingate University provides varied opportunities for cultural enrichment outside of the classroom. Each year, the University sponsors several cultural series that includes speakers, performances, and activities designed to enlighten, enrich, and educate. In addition to engaging a wide spectrum of outside musicians, speakers, and ensembles, the University draws upon the talents of its own music, art, and drama departments. The University's proximity to Charlotte also provides students with year-round opportunities to enjoy the Charlotte Symphony, Charlotte Repertory Theatre, North Carolina Dance Theatre, Opera Carolina, Spirit Square, and the Mint Museum.

The Dickson-Palmer Student Center

The Dickson-Palmer Student Center (DPC) plays a central role in student life at Wingate. The center offers an exercise room, fitness classes, the Klondike grill, Java Junction, the WU Flix Movie Store, a television lounge, study areas, the bookstore, and the student post office. In addition, the center is the site for numerous special activities.

Contained within the center are the offices of Student Affairs, Campus Ministry, Counseling, Career and Cultural Development, Orientation, Student Engagement, the University and Community Assistance Network (UCAN); the Student Government Association (SGA), and the Christian Student Union (CSU).

To help provide a variety of extracurricular activities, student committees arrange events such as Wingate’s traditional family Christmas dinner, movie screenings, poetry readings, special trips, community projects, and concerts.

The Jefferson Clubhouse

This recreational facility, completed in 2000, includes a game room, a fitness center, an outdoor pool, and a lighted sand volleyball court. Several offices are also housed within the Clubhouse including the Office of Fraternity and Sorority Affairs, Intramural Sports, and the Activities Programming Board.

Publications

Students, working with faculty supervisors, publish a University yearbook, *The Gate*; a campus newspaper, *The Weekly Triangle*; and a literary magazine, *Counterpoint*. The online *Student Handbook*, prepared by the Office of Student Affairs, outlines University policies and provides information about student life.

Religious Life

From the time of its establishment, Wingate University has recognized that Christian faith and academic excellence go hand in hand. Wingate attempts to create an atmosphere in which students may mature in their understanding and application of our motto: “Faith, Knowledge, Service”. Through UCAN (University and Community Assistance Network) students can serve the poor; in a small group Bible study or weekly Christian Student Union meeting students can grow in faith; and through Wingate’s cultural and religious programming students can grow in knowledge even beyond what is taught in the classroom.

Wingate University is committed to being a place where the best of Christian thought is integrated with dynamic Christian living. Its Baptist heritage ensures that freedom of conscience is respected and religious conformity is never demanded. At Wingate, Christian truth is not only present in the classroom, but also evident in the lives of faculty and students who represent the full spectrum of denominations.

Student Government Association (SGA)

Wingate has an active Student Government Association under the supervision of the Director of Student Engagement. The association is a cooperative body with a constitution that provides students with a forum for participating in the policy-making process. All students are members of the Student Government Association; officers are elected by a campus-wide vote.

Organizations

Wingate University students are always encouraged to form new clubs and organizations. To create a new student organization that is recognized by the University, please see the Director of Student Engagement in the DPC.

Fraternities and Sororities

The Wingate University fraternity and sorority system offers opportunities for leadership, development, and social interaction.

The four fraternities for men are:

- Delta Sigma Phi, Theta Epsilon Chapter
- Kappa Alpha Order, Zeta Zeta Chapter
- Phi Beta Sigma, Alpha Beta Zeta Chapter
- Pi Kappa Phi, Eta Mu Chapter

The four sororities for women are:

- Alpha Xi Delta, Iota Zeta Chapter
- Chi Omega, Theta Lambda Chapter
- Sigma Sigma Sigma, Zeta Lambda Chapter
- Zeta Phi Beta, Beta Sigma Chapter

Wingate University formal membership recruitment takes place during the spring semester for incoming freshmen. Upperclassmen may participate in recruitment during either the fall or spring academic term. Any student wishing to be initiated into a fraternity or sorority must have completed 12 credit hours and have a minimum cumulative GPA of 2.00 at Wingate University. However, most organizations require a higher GPA. (*Contact the Advisor for Fraternities & Sororities for more information.*)

Honor Societies

Alpha Chi is a general honor society that recognizes academic excellence and exemplary character among college students. The faculty elects students based on GPA and character. To be considered, juniors and seniors must have a cumulative GPA in the top 10 percent of their class.

Alpha Psi Omega is the honorary dramatics fraternity. Students with at least a cumulative GPA of 2.00 and who participate in the cast or crew of a production sponsored by the fraternity are eligible for membership.

Delta Mu Delta Honor Society is a national society in Business Administration. The purpose of the chapter is to encourage higher scholarship and to recognize and reward scholastic achievement in business administration programs.

Phi Eta Sigma is an academic honor society for students who make at least a term GPA of 3.50 during their first term as a freshman or who achieve a cumulative 3.50 by the end of their first two terms at Wingate.

Pi Kappa Delta is a national honorary forensic organization for speakers dedicated to the art of persuasion. Membership requirements include 10 hours of community service utilizing communication as a primary component.

Phi Sigma Iota is an international honor society for students of foreign languages. Juniors and seniors with a 3.0 average both in the general requirements and language courses are eligible.

Phi Sigma Tau, an international honor society for Philosophy students, recognizes those with high standards of scholarship and a personal interest in philosophy. Eligibility is contingent on completion of at least two semesters with an overall average above a 3.0 and distinctive accomplishments in philosophy courses.

Sigma Tau Delta is an international honor society for outstanding English majors and minors that promotes excellence and encourages further achievement in literary studies and creative writing.

Theta Alpha Kappa is a national honor society for Religious Studies/Theology. Requirements include completion of 12 hours in religious studies, a cumulative grade average of 3.0, and a grade point average of 3.5 in religious studies.

Religious and Service Organizations

The Activities Programming Board (APB) is the branch of the Student Government Association responsible for planning and organizing campus entertainment and events. Annually, APB holds traditional events such as Spring Fling Week, the Christmas Dinner and Dance, and popular activities during Orientation, Family Weekend, and Homecoming Weekend. APB also hosts a variety of performers including comedians, poets, and bands. Additionally, APB plans and promotes Open Mic Nights, Games in Ames, Wacky Wednesdays, Campus Scavenger Hunts, and “Doing” activities for student participation.

Campus Outreach is a ministry of the Presbyterian Church in America open to all college students interested in Christian growth and fellowship.

Chi Rho is Catholic affiliated and offers an enrichment of faith through masses and fellowships throughout the year.

The Christian Student Union (CSU) offers weekly campus worship opportunities. It organizes Christian fellowship, campus outreach, small group Bible studies, community service projects, and mission trips.

Fellowship of Christian Athletes (FCA) provides athletes the opportunity to share Christian fellowship and promotes unity among those who participate in athletics.

Greek Impact provides Greek students the opportunity to share faith through fellowship events and Bible studies.

The University and Community Assistance Network (UCAN) provides a variety of volunteer opportunities such as caring for children at a battered women’s shelter, visiting with senior citizens, tutoring elementary school children, and working with the Humane Society.

Academic and Professional Organizations

The Art Club promotes interest in the visual arts through gallery/museum trips, emphasizing the exchange of aesthetic concerns in an academic/social setting.

Beta Kappa Mu is organized to develop student interest in the field of biology through extracurricular activities and to serve as a communication device between students and faculty.

The Biology Club (BKM) is designed for those who enjoy studying the environment and participating in outdoor activities such as rafting, hiking, and camping.

The Collegiate Music Educators National Conference provides opportunities for the professional development of university students in music education.

The Communications Society is open to all students who are interested in any area of communication studies.

Delta Sigma Pi is a professional fraternity for men and women pursuing business careers.

The **Institute of Internal Auditors**, student affiliate of the Charlotte area chapter, has students attend meetings in Charlotte once a month to hear speakers from internal auditing departments of local and regional companies.

The **National Art Education Association Student Chapter** provides opportunities for the professional development of art education students through affiliation with state and national organizations.

The **Psychology Club** gives students opportunities to hear presentations from practicing psychologists, to become involved in helping others through service projects, and to establish close relationships with other psychology students.

The **Student Athletic Trainers Club** is for students who are involved in the Athletic Training program.

The **Student North Carolina Association of Educators** is for students who are majoring in education or are simply interested in promoting awareness in the field of education. Membership allows students to avail themselves of the benefits of the NEA.

The **Wingate Communications Society** is open to any student with an interest in video, journalism, public relations, etc. It meets with media professionals and plans tours to regional media centers.

Performing Arts Organizations

Chamber Choir members are selected by audition. The choir performs sacred and secular music from the Renaissance to the present. This organization represents the University on and off campus.

University Stadium Band is open to all students. The group performs popular music for athletic events. Performance attire is a responsibility of the student. Two rehearsals per week.

University Jazz Ensemble is open to all students by audition. The group studies and performs literature from all genres of Jazz. Two rehearsals per week.

University Singers is open to all students by audition. Students sing sacred and secular music from the Renaissance to the present. Two hours of rehearsal per week.

University Wind Ensemble is open to all students by audition. The group studies and performs a variety of wind and percussion literature, and performs regularly during the academic year. Formal attire is a responsibility of the student. Three rehearsal hours per week.

The **Upstagers Drama Club** is open to any student interested in Wingate University theatre.

Wingate Chorale is for students interested in the study and performance of various styles of choral music. Two meetings per week.

Special Interest Groups

Bulldogs Reaching Out is the speakers' bureau for student athletes and coaches.

International Club fosters a vigorous exchange of ideas among students from other countries and the United States.

Internal Auditing Club, an international organization, meets once a month in Charlotte with the Charlotte chapter.

Junkyard Dogs is open to all students. Junkyard Dogs seeks to provide school spirit and support for all Wingate University athletic teams at home competitions.

The **Kolors of United People** seeks to publicize issues concerning and achievements of minority groups past, present and future. It also establishes a forum for minority students at the University to interact academically, socially, and politically.

The **Outdoor Recreation Adventure Club (ORAC)** promotes camping, hiking and other outdoor activities.

The **Student Health Advisory Board** involves students in choosing and presenting programs to peers on health-related issues. It also provides them with the opportunity to have a voice in student health issues.

“W” Club gives recognition to athletes who excel in varsity athletics.

Wingate University Gospel Choir is open to all students. The choir performs a wide range of classic and contemporary gospel music.

Rules and Policies

The University strives to maintain a clean, healthy, and safe campus environment conducive to the development of the whole person. Each student is treated as an individual and encouraged to live up to his or her highest potential. To remain in good standing, a student will be considerate of the well-being of others and will respect the traditions of the University. Those planning to enter Wingate should read the following statements carefully:

- Hazing is a violation of the laws of the state of North Carolina. Any type of physical punishment, physical assault, humiliation, or intimidation of any student by another student is classified as hazing and is not permitted.
- Possession or use of alcoholic beverages on campus or at University functions, regardless of age, is strictly forbidden. The possession or use of alcoholic beverages by students under 21 years of age and the possession or the use of illegal drugs are violations of the laws of the State of North Carolina. Students found guilty of such acts will be subject to criminal prosecution. The University cooperates with law enforcement agencies regarding offenses concerning controlled substances.
- The possession of firearms, firecrackers, or explosives of any kind on a college campus is a violation of Wingate University policy and North Carolina law.
- Candles (for decoration or burning), incense, and open flames are not permitted.
- The University reserves the right to suspend or expel students in cases of major violations of the Honor Code or community standards. These infractions include, but are not limited to, possession or use of alcoholic beverages, controlled substances, firearms, or fireworks; or engaging in gambling, hazing, destruction of property, sexual harassment, or violation of residence hall visiting privileges.
- Students are not permitted to keep pets in University buildings.
- Rooms are equipped with adequate lighting. Neither sun lamps nor halogen lamps are permitted.
- Students may not change rooms without the written consent of the appropriate Residence Life official.
- Students must register motor vehicles with the Office of Campus Safety or the Campus Service Center.
- When a student moves into a University room, he or she assumes responsibility for that room for a semester.
- Each student living on campus must have a signed housing contract on file with the Office of Residence Life.

- Students wishing to reside in on-campus housing, encompassing both residence halls and apartments, must be at least 17 years of age and not exceed 28 years of age before the first day of classes for the semester in which they intend to enroll. The Dean of Student Affairs, at his discretion, may make exceptions to this policy on an individual basis upon a showing by the student of special circumstances.
- Students are responsible for regulations set forth in the online *Student Handbook* as well as those in the University catalog. Please see <http://www.wingate.edu/campuslife/handbook.asp> for a full listing of student policies and procedures.

Student Services

Academic Support Services

Academic Resource Center

At the Academic Resource Center (ARC) , students will find help with academic counseling, subject area tutoring, and academic advising. In addition, the Applied Learning Strategies Seminar, Leadership Fellows, Wingate 101, and disability services programs are directed by the staff of the ARC.

Applied Learning Strategies Seminar

The Applied Learning Strategies Seminar, an academic support service offered through the Academic Resource Center, is required for all students on academic probation for the first time and reinstated students as recommended by the Academic Appeals Committee. Students are notified in writing about being automatically enrolled in the seminar.

Disability Services

Disability support services are coordinated through the Academic Resource Center. Specific services are provided on an individual basis to allow equal access to programs and services for students with disabilities. In order to be eligible for services based on a disability, students must self-identify their need for services and provide appropriate, supporting documentation.

Campus Bookstore

The H.R. Johnson Bookstore is owned and operated by the University and is located in the Dickson-Palmer Student Center. The bookstore offers a wide variety of merchandise to fill student needs. In addition to supplying required textbooks, it offers a full range of reference books, *New York Times* best sellers, general reading, and children's books. It also offers school and art supplies, computer software, posters, greeting cards, backpacks and a complete line of Wingate University apparel.

Students, faculty and staff will find varied customer services such as check cashing, discount magazine subscriptions, class rings, and the placing of special orders.

Payment may be made by cash, personal check, student debit card, VISA, MasterCard, or Discover Card. Shipping and handling charges as well as a six percent sales tax will be added to all merchandise.

Counseling

The Office of Personal Counseling provides a safe, accessible, professional, and confidential environment in which students have an opportunity to explore and process personal, social, academic, and career issues.

Career and Cultural Development

Career Services

The Office of Career Services provides resources to help students and alumni explore interests and majors, identify and develop skills, set and achieve career goals, and conduct a job search.

Multicultural Affairs

The office of Multicultural Affairs provides services and programming to all students at Wingate University regardless of race or ethnicity. We hope to inspire and educate all students while enhancing the appreciation and awareness of diversity.

Dining Services

Aramark provides a variety of on-campus dining ranging from special banquets in LaVerne Banquet Hall to popular grill items in the Klondike. All students living in University-owned properties are required to have a meal plan.

Emergencies

Students may be reached through the University switchboard (704-233-8000), Monday through Friday from 8:30 a.m. until 5:00 p.m. To contact a student after hours and on weekends, please call the switchboard and speak with the University's answering service. The answering service will contact the appropriate individual on campus.

Medical emergencies are handled through the emergency room of the Union Regional Medical Center in Monroe. Emergency physicians are available 24 hours per day.

Student Employment

A limited number of part-time jobs are available on campus. Students interested in securing part-time work should consult with the Office of Financial Planning.

Health Services

Wingate University is concerned with the health and well-being of its students. To ensure all students have some form of health insurance coverage, a voluntary program of health insurance coverage is offered for purchase through the University (*contact the Business Office for complete information*).

The University maintains an on-campus student health center staffed by a full-time registered nurse. Additionally, a physician comes to the student health center daily to see all students who have made an appointment. Appointments are to be made between 9 a.m. and noon on the day of the visit. Students who have not made an appointment prior to 12 noon cannot be guaranteed an appointment that day.

There is no charge for an appointment with the doctor or nurse. Some medications are available at the student health center. These medications are billed through the University Business Office. Prescriptions are available if medications are not available or if a student prefers to obtain medications elsewhere. Students who are referred off campus for medical evaluation or follow up are responsible for payment to the provider (*refer to the Student Handbook for complete information*).

Medical/Immunization Requirements

All students admitted to Wingate University are required to submit a completed Student Health Services Health Information Summary form which includes health history, physical examination, insurance, and immunization information.

The physical examination needs to have been performed within one year prior to the date of admission to the university. Students who have not had a physical examination within 30 days from the beginning of classes will be referred to a medical office within the community. Noncompliance with medical requirements may result in expulsion from classes and the university.

The following immunizations are required:

- **Students 17 years of age and older:** 3 DTP (Diphtheria, Tetanus, Pertussis) or 3 Td (Tetanus-diphtheria) doses; one dose must be within the last ten years; 3 Polio (oral) doses; *2 Measles (Rubeola) doses, on or after the first birthday; 1 Mumps; **1 Rubella dose

- **Students 18 years of age through a birth date of Jan. 1, 1957:** 3 DTP or Td doses, one dose must be within the last ten years;*2 Measles (Rubeola) dose on or after the first birthday; 1 Mumps;**1 Rubella dose
- **Students born prior to Jan. 1, 1957 through age 49:** Primary series of 3 DTP or 3 Td doses; one dose must be within the last ten years; (A documented Td BOOSTER within the past ten years will be accepted as evidence of the initial series.);**1 Rubella dose.
- **Students 50 years of age and older:** Primary series of 3 DTP or 3 Td doses; (A documented Td BOOSTER within the past ten years will be accepted as evidence of the initial series.)

**History of physician diagnosed measles disease OR laboratory proof of immunity is acceptable.*

Must repeat measles vaccine if received even one day prior to first birthday.

***Only laboratory proof of immunity to rubella is acceptable, physician diagnosed rubella disease is not acceptable.*

North Carolina high school immunizations will satisfy this requirement if they are up to date and a copy is attached to the Medical History/Examination Form. Students are responsible for the high school records.

Students who do not have a complete immunization record on file when beginning classes will have 30 days to obtain the required immunizations. A campus clinic will be available. Students who are not in compliance within 30 days of the first day of class will be required to withdraw from classes. Evening students are exempt. Medical and religious exemptions can be requested through Health Services. Questions and forms should be directed to the Director of Health Services, Campus Box 3037, Wingate University, Wingate, NC 28174.

International Students

- Must meet North Carolina guidelines concerning immunizations.
- Must provide documentation of insurance. A student accident and sickness insurance program is available for purchase by students of Wingate University in the business office.
- All students with a positive tuberculin skin test will be referred to the Health Department for evaluation and follow-up. If it is the recommendation of the Health Department that they receive prophylactic treatment for tuberculosis, students will be required to comply.

Orientation

At the beginning of each fall semester, Wingate holds a new-student orientation during which students are acquainted with one another as well as with faculty members, advisors, the educational program, campus facilities, Wingate traditions, and standards and policies. A less formal program is offered to new students entering the University in the spring semester.

The orientation programs are planned by the Director of Orientation.

Telephone and Mail

Students are provided basic local service but are required to contract with the local telephone company for extra services. Telephones are not provided in individual rooms (students must bring their own).

Residential students are assigned mail boxes in the Dickson-Palmer Student Center and are expected to check their mail daily. Students are expected to respond to all communications from members of the faculty or staff of the University. It is recommended that commuting students keep mail boxes to receive campus information. Mail boxes are available by contacting the campus post office.

Most postal services are available at the campus post office. The town of Wingate's post office is near campus if students need further assistance.

Awards

These awards are presented annually at commencement:

The **Budd E. and Ethel K. Smith Award** is presented to the student judged to have made an outstanding contribution through leadership of other students, Christian sensitivity, and moral responsibility.

CHAPTER 3

ADMISSION, COSTS, AND FINANCIAL PLANNING

Admission

Persons seeking admission to Wingate University should contact the Office of Admissions for an application and other pertinent information, complete the application, and return the application to the Office of Admissions. The University operates on a rolling admission plan. Candidates for admission are notified within three weeks. Admission is based on high school record and SAT I or ACT scores. For transfer students, work from all previous colleges attended is also considered. Personal interviews and recommendations, while not required, are encouraged and often prove beneficial to both the University and the student.

Freshman Admission

For an application to be considered complete, the following items must be received:

- Completed and signed application form
- \$25 non-refundable processing fee
- Official high school transcript and GED certification (*if applicable*)
- SAT I or ACT scores*
- A short self statement or essay

**not required if the applicant has been out of high school for five or more years*

Although some flexibility may be allowed, the following high school course distribution is recommended:

<u>Course</u>	<u>Number of Units</u>
English	4
Math (<i>algebra and above</i>)	3
Social Science	2
Natural Science (<i>1 lab</i>)	2
Foreign Language	2

Readmit Student Admission

A student who wishes to be readmitted must complete a Readmission Application which is available from the Office of Admissions. If the student has attended other colleges after leaving Wingate University, official transcripts and a completed Confidential Inquiry Form from the Dean of Students from the last college attended must be forwarded to the Office of Admissions to complete the application. A student who has been absent for two consecutive semesters (including the semester of withdrawal, if applicable) must meet the catalog requirements for graduation in effect at the time of readmission. Students who have been suspended and wish to apply for reinstatement should submit a written appeal to the Academic Appeals Committee, in care of the Office of Academic Affairs.

Transfer Student Admission

Students who complete course work at another accredited college or university may apply for admission to Wingate. A completed application for admission must be submitted and must be accompanied by official transcripts from all institutions previously attended and also an official high school transcript or GED certification. SAT I or ACT scores are also required for transfer applicants with less than 24 transferable credits unless the student has been out of high school for five or more years. Transfer applicants should be eligible, both academically and socially, to return to the institution from which they are transferring. A completed Confidential Inquiry Form must be received from the Dean of Students at the last college the student attended. Transfer applicants from accredited institutions will normally be admitted if they present a cumulative grade point average of 2.0 or higher on a 4.0 scale.

Transfer Credit

Academic work completed at accredited colleges and universities will be accepted at full value for courses passed with a grade of "C" or better provided they are comparable to Wingate University's curriculum. The Registrar, in consultation with the appropriate department chair(s), evaluates coursework to determine equivalency. The maximum number of course hours that may transfer from a two-year institution is 64 semester hours. A maximum of 90 semester hours will be accepted from four-year institutions.

Enrollment Deposit

To confirm enrollment and reserve their space, a prospective freshman, readmit, or transfer student should submit an enrollment deposit within thirty days after being notified of acceptance by the Office of Admissions or as soon as a decision to enroll is finalized. An extension may be granted prior to May 1st. This enrollment deposit is \$300 for residential students and \$200 for commuting students. Enrollment deposits are refundable upon written requests until May 1st for fall semester enrollment and November 1st for spring semester enrollment. An enrollment deposit which has been transferred from an earlier term is non-refundable.

International Student Admission

For an application for admission from an international student to be considered complete, the following must be received:

- Completed application form
- \$50 non-refundable processing fee
- Certified English translations of high school transcript and transcripts of any college level work
- SAT I or ACT or TOEFL (Test of English as a Foreign Language) scores are required. TOEFL is required for students whose native language is not English. A minimum TOEFL score of 550 (213 computer-based test) or higher is required.
- Short self statement or essay

After acceptance, international students must submit a \$300 enrollment deposit and a Declaration of Finance Form showing adequate financial resources to attend the University before an I-20 form will be issued. The deadline for processing an international student application is May 1 for fall semester enrollment and October 1 for spring semester enrollment. Wingate University should receive \$300 enrollment deposits by June 1 for fall semester entrance and by October 1 for spring semester entrance to allow adequate time for issuance of the I-20 form and for securing the student visa.

Medical/Immunization Requirements

After a student has been accepted by Wingate University, he/she is required to submit to the Student Health Center a completed Student Health Services Health Information Summary which includes health history, insurance, physical examination, and immunization information. Students who do not provide Student Health Services with the required medical/immunization information within 30 days after classes begin are subject to expulsion from classes and the university until such information is received.

Credit by Examination

Students may earn a maximum of 30 semester hours of credit toward a baccalaureate degree by examination prior to enrollment (*see also Chapter 4, credit by examination*).

Advanced Placement

Students who score three, four, or five on the Advanced Placement Test of the College Entrance Examination Board may receive credit. Students should send official scores to the Office of the Registrar.

College Level Examination Program (CLEP)

Students who score 50 points or higher on CLEP subject examinations may earn credit toward a baccalaureate degree. Students should send official scores to the Office of the Registrar.

International Baccalaureate Program Credit

Students who score five, six, or seven on the Higher Level Examinations of the International Baccalaureate may receive credit toward a baccalaureate degree. Students should send official scores to the Office of the Registrar.

Joint Enrollment.....

Highly qualified high school students who would like to take college courses prior to or during their senior year may do so through the Wingate Joint Enrollment Program. Interested students should contact the Office of Admissions and request a joint enrollment application two weeks before the beginning of the semester and return it to the Office of Admissions at least a week before classes begin. Joint enrollment credit is generally transferable to other colleges and universities. Students enrolled through this program will be allowed to take classes on a space-available basis. Charges for joint enrollment classes are \$810 for one course, \$1305 for two courses, and \$1620 for three courses.

Reasonable Accommodation

Wingate University does not discriminate against qualified individuals with disabilities. Moreover, as required by law, the University will provide reasonable accommodations to the known disabilities of otherwise qualified applicants for admission or students with disabilities in all education programs, activities, services and practices, including application procedures, admissions, student assignment, course assignment, the awarding of degrees, discipline, withdrawal, and dismissal. Educational opportunities generally will not be denied to an otherwise qualified applicant or student because of his or her disability or because of the need to make reasonable accommodations to the physical or mental impairments of such individuals.

Disabled applicants or students who feel they need such assistance should contact the Office of the Dean of Student Affairs. A copy of the University's policy concerning Provision of Reasonable Accommodation for Education Programs, Activities and Other Services is available upon request.

Books and Supplies

Textbooks and necessary class materials are on sale in the Campus Store. A complete line of University supplies is available.

Check Acceptance

The Business Office will accept checks only for payment of accounts. The University suggests that an account be established with a local bank.

The H. R. Johnson Bookstore cashes checks up to \$50 with a valid student ID card.

Debit Card

To avoid carrying cash, students may deposit money on a debit card account. The student's I.D. card serves as the debit card. This money can be used only in the H.R. Johnson Bookstore, W.T. Harris Dining Hall, Klondike Grill, or for laundry. This is not a bank debit card. No refunds are given from the debit card until the student graduates or withdraws from the University. At that time any remaining money will be refunded to the student.

Deposit (Enrollment)

A first-time full-time residential student must pay a \$300 deposit prior to enrollment; \$100 of this amount is a room deposit applicable to the first semester of enrollment. A full-time commuting student must pay a \$200 deposit. All part-time students must pay a \$25 deposit prior to enrollment. Wingate will hold the deposit throughout the student's educational career at the University. University fees, fines, returned checks, facilities damage charges, and other miscellaneous charges, if not paid in the usual manner, may be deducted from the deposit. After a student has been enrolled for at least one semester, the deposit, less appropriate deductions, will be refunded within 60 days after any of the following:

- graduation with a baccalaureate degree
- failure to re-enroll for the fall semester
- receipt of a written request from a student who is no longer enrolled

To secure a residence hall room, returning students, including those on scholarship, must pay a deposit of \$200. This deposit is applicable toward the semester's residential fee for which it is made.

Expenses

Charges are based on a maximum student load of 18 semester contact hours. After the tenth day of classes, a student will be charged for extra hours at a rate of \$495 per semester hour. Failing to drop a class by the last day of drop/add means financial responsibility for any hours more than 18. Students taking less than 12 semester hours are classified as part-time students and are charged tuition at the rate of \$495 per semester hour. There is a \$160 general fee for students taking seven to 11 hours per semester.

ID and Meal Cards

A student must submit the Wingate I.D. card (meal card) to the Office of Student Affairs upon withdrawal from the University. Withdrawal may require refunds to some student financial aid programs. This policy applies to students who officially withdraw during any regular session of the University.

Insurance (Medical)

Medical insurance is available to each full-time student. Students who wish to participate in this program may request a brochure from the Business Office.

Refund/Repayment Policy

A refund refers to the University charges returned to the student and/or to the financial source that covered those charges. Refunds are made within 30 days of the student's withdrawal.

Students who withdraw from Wingate University on or before the first class day of a semester will receive a full refund of any payment made toward tuition, fees, room and board.

For students who withdraw after the first day of class during a semester, the following institutional refund policy for tuition, fees, room and board will be in effect:

- 90% refund when withdrawal is after the first day of class during a semester and before the end of the first week of class
- 80% refund when withdrawal is during the second week of class
- 60% refund when withdrawal is during the third week of class
- 40% refund when withdrawal is during the fourth week of class
- 20% refund when withdrawal is during the fifth week of class

The date of withdrawal is the date that the official withdrawal form is received by the Office of the Registrar or the date of withdrawal specified by the student, whichever is earlier. The semester begins with the first day of class. The first week of the semester is the seven-day period that begins on the first day of class. The point of withdrawal is measured in weeks, and the student is considered to have withdrawn within a given week, as defined above, if the withdrawal date is prior to the end of that week.

Return of Title IV Funds

Students receiving federal financial aid: The Higher Education Amendments of 1998 established a new formula for calculating the amount of aid a student and school can retain when the student totally withdraws from all classes. Students who withdraw from all classes prior to completing more than 60% of an enrollment term will have their eligibility for aid recalculated based on the percent of the term completed. For example, a student who withdraws completing only 30% of the term will have “earned” only 30% of any Title IV aid received. The remaining 70% must be returned by the school and/or the student. The Office of Student Financial Planning encourages you to read this policy carefully. If you are thinking about withdrawing from all classes PRIOR to completing 60% of the semester, you should contact the FPO to see how your withdrawal will affect your financial aid.

This policy shall apply to all students who withdraw, drop out or are expelled from Wingate University, and receive financial aid from Title IV funds (Federal financial aid programs authorized under the Higher Education Act of 1965, as amended). Title IV funds include the following programs: Federal Pell Grants, Federal SEOG, and Leveraging Educational Assistance Partnership Grants

A student’s withdrawal date is:

- the date the student begins the institution’s withdrawal process or officially notifies the institution of intent to withdraw; or
- the midpoint of the period for a student who leaves without notifying the institution; or
- the student’s last date of attendance at a documented academically-related activity.

Title IV aid is earned in a prorated manner on a per diem basis up to and including the 60% point in the semester. Title IV aid and all other aid is viewed as 100% earned after that point in time.

The percentage of Title IV aid earned shall be calculated as follows:

$$\text{Number of days completed by student} = \frac{\text{Percent of term completed}}{\text{Total number of days in term}}$$

- The percent of term completed shall be the percentage of Title IV aid earned by the student.
- The total number of calendar days in a term of enrollment shall exclude any scheduled breaks of more than five days.

The percentage of Title IV aid unearned (i.e., to be returned to the appropriate program) shall be 100% minus the percent earned. Unearned aid shall be returned first by Wingate University from the student’s account calculated as follows:

$$\text{Total institutional charges} \times \text{percent of unearned aid} = \text{amount returned to program(s)}$$

Unearned Title IV aid shall be returned to the following programs in the following order:

- 1) Unsubsidized Stafford Loan
- 2) Subsidized Stafford Loan
- 3) Parent Loans to Undergraduate Students (PLUS)
- 4) Federal Pell Grant
- 5) Federal Supplemental Educational Opportunity Grant
- 6) Other Title IV Grant

Exception: no program can receive a refund if the student did not receive aid from that program.

When the total amount of unearned aid is greater than the amount returned by Wingate University from the student's account, the student is responsible for returning unearned aid to the appropriate program(s) as follows:

- 1) Unsubsidized Stafford Loan
- 2) Subsidized Stafford Loan
- 3) Parent Loans to Undergraduate Students (PLUS)
- 4) Federal Pell Grant
- 5) Federal Supplemental Educational Opportunity Grant
- 6) Other Title IV Grants

- Loans amounts are returned according to the terms of the promissory note.
- Amounts to be returned by the student to federal grant programs will receive a 50% discount.
- Refunds and adjusted bills will be sent to the student's home address on file in the Registrar's Office following withdrawal. Students are responsible for any portion of the institutional charges that are left outstanding after Title IV funds are returned.

Institutional and Student Responsibility in Regard to the Return of Title IV Funds

- Wingate University's responsibilities in regard to the return of Title IV funds include:
 - a) providing each student with the information given in this policy;
 - b) identifying students who are affected by this policy and completing the Return of Title IV Funds calculation for those students;
 - c) returning any Title IV funds that are due the Title IV programs.
- The student's responsibilities in regard to the return of Title IV funds include:
 - a) becoming familiar with the Return of Title IV policy and how complete withdrawal affects eligibility for Title IV aid;
 - b) returning to the Title IV programs any funds that were disbursed directly to the student and which the student was determined to be ineligible for via the Return of Title IV Funds calculation.

The procedures and policies listed above supersede those published previously and are subject to change at any time.

Student Financial Planning

The Wingate University Office of Student Financial Planning welcomes the opportunity to help students and their families who seek information on scholarships, grants, student loans and on-campus employment. All students who plan to apply for financial aid must complete the Free Application for Federal Student Aid (FAFSA).

Many financial aid programs are awarded based on need as determined by information submitted on the FAFSA. To receive maximum consideration for all available financial aid programs, the FAFSA should be filed by May 1 prior to each academic year for which a student wishes to be considered for financial aid.

Financial aid programs vary as do the needs of students. Grant assistance is gift or entitlement aid and carries no repayment obligation. Student loans are long-term, low interest loans, which may be repaid after the student completes his or her education. Many students obtain jobs on the campus and are paid monthly for hours worked.

Financial assistance is awarded in a package which may include one or more of the financial aid programs. All financial aid awards, including athletic, academic, and outside scholarships are coordinated through the Office of Student Financial Planning. The total financial assistance awarded will never exceed the costs related to attending Wingate University.

Scholarships, grants, and student loan proceeds may be applied to the cost of attending Wingate University and are generally credited directly to the student's account. Earnings from campus jobs are paid directly to the student; therefore, they are not used as a credit toward the student's account.

State and Federal Aid Programs

North Carolina Legislative Tuition Grant: The State of North Carolina provides a grant to each North Carolina resident enrolled as a full-time undergraduate student at a North Carolina independent university. The maximum grant to students is \$1,800, determined annually by the N.C. legislature. Students who seem eligible for this program will be sent the appropriate forms to verify residency.

North Carolina State Contractual Scholarship Fund: Funds for this grant program are made available by the State of North Carolina to aid residents of North Carolina. Award amounts vary. Eligibility for this program is based on state residency and financial need as explained by the Free Application for Federal Student Aid (FAFSA) filed by the student.

Federal Pell Grant: Awards from this federal grant program range from \$400 to \$4,050 during the 2004-05 year. The U.S. Department of Education determines eligibility using the Free Application for Federal Student Aid.

Federal Supplemental Grant: Awards from this federal grant program are made to students who receive the Federal Pell Grant based on the availability of funds.

Federal Work-Study: In this joint federal-university program, part-time employment is made available to students. Students work an average of 10 hours per week and receive payroll checks monthly. Students are paid the minimum wage.

Federal Stafford Loan Program: Lenders in this federal program provide long-term, low-interest loans to students. Freshmen are eligible for \$2,625; sophomores, \$3,500; juniors and seniors, \$5,500 per academic year. Payments may be deferred if the student is enrolled at least half-time (6 hours). Information on lenders is available through the Office of Student Financial Planning.

Notes: All of the above programs with the exception of the North Carolina Tuition Grant require filing of the Free Application for Federal Student Aid (FAFSA).

Financial Assistance Alternatives

For families who do not qualify for federal or state financial assistance or whose financial assistance does not cover the entire cost of university attendance, there are several alternatives. Some of these are listed below (*contact the Office of Student Financial Planning for more information*).

Equal Payment Plan: Families may divide the cost of tuition, fees, room and board into eight (8) equal payments. There is a \$60 participation fee; however, Wingate charges no interest throughout the year. The first payment is due 10 days before the beginning of class. Subsequent payments are due the first day of each month, October-April. Payments may be made using check, cash, VISA, MasterCard or Discover.

Federal Parent Loan for Undergraduate Students (PLUS): Lenders who process the Stafford Loan for students also make available the Federal PLUS Loan for parents of undergraduate students. Interest rates are variable and are determined each July 1. Repayment begins after the loan has been fully disbursed.

Additional Unsubsidized Federal Stafford Loan: This loan is for independent students enrolled at least half-time who need funds in excess to the maximum subsidized/unsubsidized Stafford Loan awards. This loan is also available to dependent students whose parents are not approved for the Federal PLUS loan.

Academic Scholarships

Academic Scholarships are awarded by the Scholarship Committee to qualified high school seniors who have submitted a completed application for admission. ***Additional scholarship applications are not required.*** After admission to the University, the academic credentials of each student are reviewed to determine scholarship eligibility. Qualified students are notified of scholarship awards in writing within two weeks after admission. Students are eligible for only one Academic Scholarship. Information is available from the Office of Admissions.

Irwin Belk Scholarships are available to exemplary students who are in the top 5% of their high school graduating class or have a 3.80 GPA on a 4.00 scale and who have a minimum SAT I score of 1300 or ACT of 30. The number of Belk Scholarships is limited and meeting minimum requirements for consideration does not guarantee receipt of a Belk Scholarship.

The Belk Scholarship is renewable for a maximum of eight consecutive semesters. Students receiving Belk Scholarships must achieve a minimum cumulative GPA of at least 3.40 at Wingate and maintain full-time enrollment in consecutive semesters.

Trustee Scholarships are available to outstanding entering freshmen. These scholarships are based on high school grades, test scores, and class rank. Trustee Scholarships begin at awards of \$4,000 per academic year and are renewable for a maximum of eight consecutive semesters. Trustee Scholars must achieve a minimum cumulative GPA of 3.00 at Wingate and maintain full-time enrollment in consecutive semesters. A significant number of awards are available to students who qualify for this program.

Wingate University Grants are available to entering freshmen based on academic achievement, leadership, enthusiasm, and character. They are renewable for a maximum of eight consecutive semesters. Students receiving Wingate Grants must maintain satisfactory progress standards as outlined on page 45 of this catalog, and remain enrolled full-time in consecutive semesters.

Transfer Student Scholarships are awarded through the Office of Admissions. Transfer scholarships are available to students entering Wingate University's main campus programs who are full-time and have demonstrated academic success at other colleges and universities. Students who have a minimum of 24 semester hours of acceptable transfer work, and have achieved a cumulative GPA of 2.5 or higher at previous colleges, are eligible for awards ranging from \$2,000 to \$6,000 per academic year. Members of Phi Theta Kappa attending Wingate University's main campus programs are automatically eligible for the \$4,000 Transfer Scholarship per academic year. Transfer Scholarships are renewable when recipients maintain a cumulative GPA of 3.0 or higher at Wingate.

Church-related Scholarships

These scholarships and grants are administered annually through the Office of Student Financial Planning to students attending Wingate University's main campus programs. More information is available from that office.

North Carolina Baptist Scholarship is available to students who demonstrate financial need and are members of a church which is a cooperating member of the Baptist State Convention of North Carolina. This award, with a maximum value of \$1,000 annually, is renewable in subsequent years as long as the student remains in good standing at Wingate. Students must complete the Free Application for Federal Student Aid to verify eligibility for this award.

Partners in Education matching grant program is available to North Carolina students in cooperation with their local Baptist churches in which they hold membership. When a local church donates toward a student's grant each year, Wingate University will match up to \$350 of that donation to create a partnership grant totaling up to \$700 per year. Students participating in this program must be enrolled full-time in an undergraduate program.

Coy Muckle Scholarship was established to assist ordained ministers who are employed full-time by a cooperating Baptist church. The scholarship recipients must be seeking their first baccalaureate degree and may be enrolled full or part-time. The scholarship is a part of the total financial aid package and amounts may vary, but all recipients are assured a minimum grant package equal to their tuition charges. All Coy Muckle Scholarship recipients must complete the current financial aid applications and the Coy Muckle Scholarship Certification. Students who are classified as "dependent" for federal financial aid purposes are not eligible for this program.

Students must maintain a cumulative GPA of at least 2.00 and meet the University's Satisfactory Academic Progress Guidelines. Scholarships will be awarded annually and all application materials must be submitted no later than August 1.

Students who intend to enroll only for the spring semester must submit all materials prior to December 1.

Church Youth Leader Award is a one-time \$500 award available to students who have been outstanding leaders in their local church youth groups. A letter of recommendation from the church's youth minister or senior minister is required for consideration.

Baptist Youth Leader Award is a one-time \$500 award available to students who have been outstanding leaders in local Baptist church youth groups. A letter of recommendation from the church's youth minister or senior minister is required for consideration.

Ministerial Dependent's Grant

This grant (*valued at \$1,500*) is awarded to the spouse, child, or legal dependent of an ordained, full-time employee of a cooperating Baptist Church in North Carolina. It is renewable each year, contingent upon maintenance of satisfactory academic progress standards.

The grant is subject to the following guidelines:

- The recipient must be accepted for admission to Wingate University, must be a full-time student, and must maintain satisfactory academic progress.
- Students requesting additional financial assistance must complete the Free Application for Federal Student Aid (FAFSA) and the Wingate University Application for Financial Aid.
- The grant may be used by a qualified recipient for a total of eight semesters, or until he/she attains their bachelor's degree, whichever occurs first.
- The grant does not apply toward summer sessions.
- A limited number of grants may be available, and they will be awarded on a "first-come, first-served" basis.
- Dependents with exceptional need, as determined by a need analysis, may be offered additional funds.
- The Ministerial Dependent's Grant is not available to dependents of foreign missionaries in addition to the Foreign Missionary's Dependent Grant.

Foreign Missionary Dependent's Grant

This grant (*valued at \$1,500*) is awarded to the spouse, child, or legal dependent of a Baptist foreign missionary who is a full-time missionary.

The grant is subject to the following guidelines:

- The recipient must be accepted for admission to Wingate University, must be a full-time student, and must maintain satisfactory academic progress.
- Students requesting additional financial assistance must complete the Free Application for Federal Student Aid (FAFSA) and the Wingate University Application for Financial Aid.
- The grant may be used by a qualified recipient for a total of eight semesters, or until he/she attains their bachelor's degree, whichever occurs first.
- The grant does not apply toward summer sessions.
- A limited number of grants may be available, and they will be awarded on a "first-come, first-served" basis.
- Dependents with exceptional need, as determined by a need analysis, may be offered additional funds.

Legacy Awards

This one-time \$500 award is available to entering freshmen or new transfer students. To qualify, the student must be a son, daughter, grandson, or granddaughter of a Wingate alumnus. The student and parent (or grandparent) must provide alumnus information on the admission application.

Music Scholarships

Music scholarships, based on a performance audition, are awarded annually to students who plan to major in music. The student must perform three contrasting selections representing an advanced level of study. For more information about the scholarships and the audition dates, contact the Department of Music.

Veterans Benefits

Veterans may qualify for financial assistance according to their length of military service. Widows and children of veterans who died or were disabled as a result of service-related injury or disease may also be eligible for educational benefits. In order for the Office of the Registrar to complete an enrollment certification, the student must have received a letter of certificate of eligibility from the Veterans Administration. Information may be obtained from the Veterans Administration or from a veterans service officer.

Financial Aid Satisfactory Academic Progress Guideline

To be eligible for any type of financial assistance, students must show evidence of satisfactory progress toward graduation. Although certain scholarships and grants require specific grade point averages, students must maintain the minimum academic requirements as outlined in the chapter on Academic Policies in this catalog.

In addition, full-time students must earn a minimum of 24 semester hours credit within the academic year, including summer school, to be eligible for financial aid the following academic year. Students enrolled full-time for only one semester must earn a minimum of 12 semester hours. Part-time students must earn all hours attempted.

Wingate will review the academic records of all students receiving financial aid at the end of the fall and spring semesters for satisfactory progress. Students not meeting the minimum requirements will be notified and will have the responsibility of making themselves eligible by the end of the next academic semester.

The maximum period of eligibility for financial aid is 10 semesters of full-time enrollment. Exceptions to this rule may be made for compelling reasons. Students denied financial assistance on any of these grounds may appeal in writing to the Financial Aid Appeals Committee. Students will receive written notification of the committee's decision.

Financial Aid Academic Progress Appeals Procedure

Students denied financial assistance for failure to maintain minimum Satisfactory Progress requirements may appeal in writing to the Financial Aid Appeals Committee. Students should plan to attend summer sessions in order to meet Satisfactory Progress guidelines. Those who attend summer school and are successful in meeting the guidelines need to inform the Office of Student Financial Planning that they have done so; they are not required to submit appeals.

Letters of appeal should specifically explain the extenuating circumstances which affected academic performance and whenever possible provide third party documentation. Appeals should also address the course of action which has been taken to correct problems and prevent further disruptions. The committee will meet and review appeals; students will be notified in writing of the committee's decision.

Please note that the financial aid appeals procedure is separate from that of the *academic reinstatement* appeals procedure through the Office of the Vice President of Academic Affairs. The Office of Student Financial Planning will gladly answer any questions regarding your financial aid appeal.

Please address appeals to:

Academic Scholarship Satisfactory Progress Guidelines

Academic Progress is checked at the end of each semester. At the conclusion of a semester, the Office of Student Financial Planning will notify the student by mail if the cumulative GPA is below the minimum. At that point, the student is placed on academic scholarship probation for the next regular semester. The student will continue to receive their academic scholarship during the probationary semester.

If the minimum cumulative GPA is achieved at the end of the probationary semester, the Office of Student Financial Planning will renew the academic scholarship for next regular semester.

If the minimum cumulative GPA is not achieved at the end of the probationary semester, the FPO will reduce or remove the academic scholarship based on the following charts.

BELK SCHOLARSHIP

IF GPA < 3.400

<u>Initial Award:</u>	<u>Reduce to Trustee</u>
\$8,000	\$4,000

\$5,000	\$2,500
\$6,000	\$3,000

If the academic scholarship is reduced or removed from the student's financial aid package, the student will be eligible to receive their original scholarship if their cumulative GPA reaches the required minimum cumulative GPA for that scholarship. However, academic scholarships may only be increased back to the original award once. The next time the cumulative GPA falls below the required minimum, the academic scholarship will remain at the lower award until the eligibility expires.

CHAPTER 4 ACADEMIC POLICIES

Wingate University seeks to educate students for a world that is constantly changing. In keeping with that goal, Wingate has developed a program to provide breadth of experience in the liberal arts and to develop in students an awareness of and appreciation for some major concerns of the human race. Additionally, the University feels that this broad core of general education should be balanced with a course of preparation for a vocation or profession.

The work done to fulfill the requirements for a degree will fall into three categories: first, the basic requirements necessary for all degrees; second, the additional requirements for a particular degree; and third, the courses in the major and minor fields of concentration and the other courses needed to complete a chosen curriculum. Thus, each student will be introduced to the liberating views of diverse disciplines.

Statement of Student Responsibility

It is the responsibility of each student to fulfill his or her degree program and graduation requirements as described in the programs of study and academic policies sections in the catalog. While advisors and administrative staff may assist students who ask for help with curricular decisions, *ultimately it is the student who is responsible for his or her choices*. The student's signature on course planning sheets, course change forms, withdrawal forms, and other such documents indicate that the student is satisfied with each decision. Degrees cannot be awarded until all requirements and obligations to the University have been met by the student.

Grade Key

Students are evaluated continually during the semester and grades are assigned at the conclusion of the course. Final examinations are given on work covered during the entire semester. The following grading symbols are recorded:

A	Excellent
B	Above average
C	Average
D	Passing
F	Failure
P	Pass (for courses offered on P/F basis)
I	Incomplete
CE	Credit by Examination
W	Withdrawal
R	Indicates the course has been repeated; the letter grade to the right of the "R" is the new grade that replaces the previous grade (see Chapter 4, repeat course policy).

NOTE: Minus (-) or plus (+) signs may be attached to each grade of "A", "B", "C", and "D", but this does not affect the quality points assigned for those grades.

Graduation Requirements

To receive the Bachelor of Arts, the Bachelor of Fine Arts, the Bachelor of Science, or the Bachelor of Music Education degree from Wingate University, a student must meet the following requirements:

- Demonstrate competency in written and oral communication, mathematics, and foreign language; and demonstrate a familiarity with literature, the fine arts, religious studies, world civilization, the social and behavioral sciences, natural science, and personal health and fitness. (This requirement is normally satisfied by completion of the general education requirements)
- Completion of a minimum of 125 hours
- Completion of a program of study (*at least 40 semester hours must be in courses numbered 300 or above, except in the biology major, which requires at least 34 semester hours in courses numbered 300 or above*)
- Maintenance of a 2.00 cumulative GPA on all college-level work and a 2.00 cumulative GPA on all courses in the major and minor (*departments may specify grade requirements for certain courses*)
- Completion of the Lyceum requirement (*40 events*)
- Passing grade(s) on exit examination(s) in chosen major(s)
- Completion of at least one year (*30 semester hours*) of study at Wingate University beyond internships or practicums
- The last 30 hours completed immediately before graduation must be taken in residence
- Completion of a graduation application with the Office of the Registrar

Note: All financial obligations to Wingate University must be met before the diploma and/or final transcript will be released to the student

Additional Bachelor's Degree

A student may only apply for a second (or subsequent) bachelor's degree if it differs from any degree previously awarded by Wingate University. For example, if a student has already earned a Bachelor of Science (B.S.) degree, the University will not award a second B.S. degree; it will, however, award a Bachelor of Arts (B.A.) degree. To receive an additional bachelor's degree, a student must:

- Receive written permission to pursue a second degree from the Vice President of Academic Affairs and the chairperson of the appropriate department
- Earn a minimum of 30 additional semester hours in residence after the awarding of the first degree
- Complete all requirements for the second degree. *Note: Two degrees may not be awarded at the same commencement exercise*

Additional Major

A student who has already earned a degree from Wingate University may return to complete a second major under the degree previously awarded. To be eligible, the student must:

- Fill out an application for readmission to the University
- Notify the Registrar of intent by filling out a "Completion of Additional Major" form
- Complete all requirements for the second major. *Note: Only two courses used for the first major may be counted toward a second major*

A student who has completed such an additional major will not take part in a second graduation ceremony nor receive a second diploma from the University. A dated notation will be made on the transcript that an additional major was earned.

General Education Core Requirements

When a requirement may be met by one of several courses, certain majors may specify which courses will meet these requirements. Students may not use one course to satisfy two general education requirements.

Course	Hours
Communication	10
English 100/101 (3)*	
English 102 (3)**

Art majors fulfill this requirement by taking Art 208, 209	
Music majors fulfill this requirement by taking Music 219	
Honors students fulfill this requirement by taking Honors 205	
Foreign Language	6
All students at Wingate University are required to demonstrate six hours of proficiency in elementary foreign language (101-102). This requirement may be satisfied by any one of the following: completion of 101 and 102 of any foreign language; transfer of equivalent courses from another college or university; satisfactory performance on a Wingate University foreign language proficiency exam; or presentation of an acceptable score on an approved test in foreign languages such as AP, CLEP, or IB. NOTE: Students whose native language is not English may satisfy the foreign language requirement by completing any two English-language literature courses (except any 100-level course, English 320/360, and Education 323/325) in addition to literature courses taken to fulfill the general education requirement.	
Religious Studies	6

Total General Education Core Requirements = 44-45 hours

*English 100 is required of incoming freshmen with low verbal SAT scores or low high school ranking, except those exempted by a departmental proficiency test. Students who earn a “C” or higher in English 100 may enroll in English 102 to complete freshman English requirements. Those earning a “D” must complete English 101 for repeat credit before enrolling in English 102. Those who fail English 100 may repeat the course after a counseling session assessing their commitment to earning a college degree.

**English 102 is a prerequisite for all subsequent literature courses; only 6 hours of English at the freshman level may be counted toward graduation.

***Any literature course offered by the English department at the 200 level or above or any foreign language literature course at the 200 level or above. Does not include Education 323 (Children’s Literature) or Education 325 (Adolescent Literature).

General Academic Policies and Information

Academic Honors

Commencement

At Commencement, students with a cumulative GPA of 3.50 or higher are graduated with honors as follows:

Summa cum laude	3.90 and above
Magna cum laude	3.65 to 3.899
Cum laude	3.50 to 3.649

Graduation with honors is determined by the overall GPA on *all undergraduate work* attempted at any accredited school and on all credit attempted at Wingate University. Transfer work will not raise the Wingate average.

Semester

Each semester a President’s List includes those students who have earned a term GPA of 3.80 on at least 12 quality point academic hours and have no grade below a “C”.

Each semester a Dean’s List includes those students who have earned a term GPA of 3.30 on at least 12 quality point academic hours and have no grade below a “C”.

Academic Standards: Probation and Suspension

Academic Probation

To assist students in maintaining satisfactory progress, Wingate University has adopted academic standards to identify students who are experiencing academic difficulty so that they can take advantage of timely interventions through academic support services. Academic probation is an indication of serious academic difficulty and is determined by the cumulative GPA that a student earns on credit courses. At the conclusion of a semester, the Vice President for Academic Affairs will notify the student by mail if the cumulative GPA is below the minimum. In such a case, the student will be placed on academic probation for the next regular semester and enrolled in the Applied Learning Strategies Seminar (*see page 22 under Academic Support Services*). Probation is determined only from permanent grades at the conclusion of a regular semester; mid-semester progress reports are not included in GPA calculations. **Note: A student must have a 2.00 cumulative GPA to qualify for the baccalaureate degree.** Minimum cumulative GPAs:

Hours Attempted (plus transfer credit)	GPA
1-23	1.60
24-56	1.80
57 or above	2.00

Academic Suspension

A student who is on academic probation at the end of two successive regular semesters will be academically ineligible for the next semester. A student who makes less than a 1.0 GPA in any given semester will be ineligible to enroll for the next semester.

A student who is academically ineligible who wishes to apply for reinstatement should send a written appeal to the Academic Appeals Committee, in care of the Vice President for Academic Affairs, to request further review of his or her academic records and academic eligibility.

Access to Student Educational Records

The Family Educational Rights and Privacy Act of 1974, commonly known as the Buckley Amendment or FERPA, was passed and put into effect in January 1975. The law regulates the use and disclosure of personal information in educational records and permits a student to inspect what material is maintained in those records. A copy of the Family Educational Rights and Privacy Act of 1974 is on file in the Office of the Dean of Students in the Dickson-Palmer Student Center.

A full statement pertaining to the University’s compliance with the Buckley Amendment is printed each year in the *Student Handbook* and is also available on the University website (www.wingate.edu/academics/registrar/FERPA.asp).

Advising

Wingate University is committed to providing academic advice and personal guidance for its students. Each student has an advisor who helps plan the student’s academic program and meets with the student periodically throughout the year. Freshmen are assigned special faculty and student co-advisors to help with unique freshman concerns.

Advisors help students develop individual academic programs that include Wingate’s specific degree requirements and the student’s career objectives. While advisors have resources to aid students in academic planning, **the responsibility for meeting the requirements of a specific degree rests with the individual student.**

The Director of Advising and the Assistant Dean of Student Affairs for Career and Cultural Development are available to advise students about careers. Advisors in the science-related professions, in theology, law, and in other professions help students select majors, minors, and electives that will provide adequate preparation for professional post-baccalaureate study.

Army Reserve Officer's Training Corps (ROTC)

Wingate University has a cooperative program with the University of North Carolina at Charlotte under which Wingate students may enroll in the U.S. Army Reserve Officers' Training Program (ROTC). Both men and women are eligible for this program and must travel to either the UNC-Charlotte campus or the Charlotte Reserve Center to take instruction and training. Wingate University also offers the voluntary Air Force Reserve Officers Training Corps (AFROTC) Program in cooperation with UNC-Charlotte within the terms of the existing agreements between member schools of the Charlotte Area Educational Consortium. The program is available to all students with at least two years of education remaining. Detailed information on these programs is available in the Office of the Registrar and from the Department of Military Science, UNC-Charlotte, Charlotte, N.C. 28225.

Attendance

Regular class attendance is a student's obligation and a student is responsible for all the work, including tests and written work, of all class meetings.

Each faculty member defines his or her own absence policy and so informs students on the first day of classes. Students who represent the University at officially recognized activities are responsible for making necessary plans for class absence with each professor before the absence.

The University maintains the regular schedule of classes throughout the semester. Classes are not usually canceled due to inclement weather and students are responsible for all the work of class meetings missed due to inclement weather.

Auditing

Students may audit courses with the permission of the professor and the Registrar. If it causes an overload, or if the student is part-time, the audit fee of \$235 is charged. This fee is not refundable if the student withdraws from the course for any reason. Students may change audit status to credit status only within the first four weeks of the semester and upon additional payment of tuition required for part-time credit or overload credit, if either applies. A for-credit course may not be changed to audit status once the withdrawal period has lapsed (*one week after midterm*). This change requires approval of the professor and the Registrar.

Bankruptcy (Academic)

A student who has earned poor grades that may prevent him or her from graduating may petition the Academic Appeals Committee for academic bankruptcy for one complete term or for consecutive terms including all work before a given date. The bankrupt term(s) is noted on the student's transcript and the student forfeits credit for all courses during that term(s). Grades from the bankrupt period are not calculated in the student's GPA, although they remain on the transcript. All grades are included in the calculation of the GPA for honors at graduation. To be considered for bankruptcy, a student must demonstrate that:

- Poor performance for the term(s) for which bankruptcy is requested is not typical;
- Poor performance was due to extenuating circumstances;
- The cause of the poor performance has been alleviated, and the student has displayed responsible scholarship.

Once bankruptcy status has been granted, the action is irreversible. A student may request bankruptcy once only.

Students granted bankruptcy may request a letter of explanation to accompany the transcript when sent to a prospective employer or to other institutions.

Certain colleges, universities, and professional schools do not honor a bankruptcy policy.

Catalog Year

A student's catalog year is normally that of his entering academic year or year of readmission. A student who has been absent for two consecutive semesters (including the semester of withdrawal, if applicable) must meet the catalog requirements for graduation in effect at the time of readmission. A student may request graduation under any catalog published following his enrollment, if the catalog is no more than six years old at the time of graduation. Students entering a certification program should check with the division head of their program; specific requirements in a new catalog may need to be met for certification purposes.

Charlotte Area Educational Consortium (CAEC)

Wingate participates in an educational consortium with 25 other institutions in the greater Charlotte area. The purpose of the consortium is to facilitate cooperation and to make available to students at member institutions opportunities available on other member campuses.

Wingate students enrolled as full-time undergraduates during a fall or spring semester may take courses offered on the campus of the 25 other Charlotte-area cooperating schools. Cross-registration is done on a space-available basis on the campuses to be visited, and students are not required to pay additional fees (unless the student registers for more than 18 hours total.)

Wingate students provide their own transportation. Details for cross-registration are available from the Registrar.

Classification

A student is considered a freshman upon entry into the University and is classified as a freshman until 24 hours have been completed. A student is classified a sophomore upon completion of 24 hours, a junior upon completion of 57 hours, and a senior upon completion of 87 hours.

Commencement

A student is expected to be present at commencement to receive a diploma. Should a circumstance beyond the student's control require absence, the student should make a written request for permission to the Registrar at least 30 days before commencement. A student must complete a Commencement Application with the Office of the Registrar within the first month of the semester in which he plans to graduate (August graduates should apply at the beginning of the spring semester).

Credit by Examination

Students may earn a maximum of 30 hours toward the baccalaureate degree through one of the credit-by-examination vehicles below prior to enrollment. Upon receipt of official scores, the Registrar will determine if credit may be awarded based upon the student score and upon an exam's compatibility with the curriculum at Wingate University. The student may earn credit with:

- scores of 3, 4, or 5 on the Advanced Placement of the College Entrance Examination Board (AP) achievement tests.
- scores of 5, 6, or 7 on the Higher Level Examinations of the International Baccalaureate (IB).
- scores of 50 or higher on subject exams of the College Level Examination Programs (CLEP).
- scores that rank the student at the minimum of the fiftieth percentile of the testing group on DANTES Subject Standardized Tests (DSST).

NOTE: Individual academic departments may require a certain score to award credit for a specific course. The above scores serve only as a general guideline.

Departmental Examination

A student may challenge a Wingate University course for credit under the following guidelines:

- The student must be enrolled in the course before challenging for credit.
- A student may earn no more than 6 hours of credit by departmental examination in any given semester.
- A full-time student may request the opportunity to demonstrate proficiency anytime before midterm. The student must secure permission from the professor who will administer the examination, from the department chair, from the Assistant Vice President for Academic Affairs, and from the Registrar. The necessary form may be secured from the Office of the Registrar. Before an exam is given, the student must pay a \$235 non-refundable fee to the Business Office. If proficiency is demonstrated in the first week of classes in any semester, the student will be permitted to enroll in another course.
- Students enrolling in another course in a given semester will pay a fee of \$495 for each credit hour more than 18 if the total credits attempted in that semester exceed 18.
- In any course involving laboratory experience, credit by examination must be earned by separate examinations in the lecture and laboratory portions of the course.
- Courses requiring proficiency in specific methods and/or techniques (*performance groups, supervision, and/or observations in the field*) are excluded from any credit by examination.
- Credit will not be given for a prerequisite to a course for which the student has already received credit.
- The examination and its evaluation will be a collective decision of the departmental faculty.
- When proficiency is demonstrated, credit by examination (CE) will be shown on the transcript, but no grade points will be awarded.
- The acceptability for transfer to other colleges or universities of credit so earned is not guaranteed.
- Part-time students must pay a \$235 non-refundable fee to the Business Office before an examination is given. Additionally, if the student passes the examination, the student must pay to the Business Office one-half of the current per-semester-hour charge for the credit earned. Payment of all fees must be made to the Business Office before the recording of the grade on the student's transcript.

Directed Study

In rare instances, it may be necessary for a student to take a catalog course on an individual basis. The dean and the faculty member must approve such a request. Approval is granted only under certain conditions:

- The student must have a cumulative GPA of 2.00
- A student will not be allowed to take a directed study course to repeat a course in which a grade of "D" or "F" was previously earned.

Grade Point Average (GPA)

The student's GPA is calculated by dividing the quality points received by the number of hours attempted. The grade of "A" carries four quality points per credit hour, a "B" three, a "C" two, and a "D" one quality point.

A course in which credit is given on a pass/fail basis is not used in the calculation of the GPA if a grade of "P" is earned. The grade of "F" on a P/F course is used in the GPA calculation. An average grade of "C" on all hours attempted is required for graduation.

Grade Reports

Reports of progress are kept by the University on all students. Updated grade reports are available online via IRISLink one week after exams have ended.

Mid-Semester Grade Reports

Progress reports indicating courses on which the student is earning less than a “C” will be issued at the middle of the semester to freshman and sophomore students. These do not become a part of the permanent transcript.

Honor Code

Membership in the Wingate University community is a privilege conferred by reason of demonstrated merit and sustained by a continuing commitment to high standards of performance and conduct. The University expects that all members of the community will voluntarily conduct themselves in a manner reflecting respect for all other members of the community. It is the responsibility of all Wingate University faculty, staff, and students to report any suspected violators of the Honor Code. The Honor Code states that:

- Wingate University students do not lie, cheat, steal, or plagiarize, nor do they tolerate in their company the presence of one who does.
- Wingate University students conduct themselves at all times in a manner that is conducive to the maintenance of a strong, positive environment for study and learning.
- Wingate University students obey the rules and regulations of the University as outlined in the online *Student Handbook*.

Incomplete

A student may petition a faculty member for an extended amount of time to complete a course in which the student is regularly enrolled. The following circumstances apply:

- The student must demonstrate that extenuating circumstances exist that prevent completion of the course(s) according to the University calendar. In this case, the faculty member may assign a grade of “I” showing that some requirement of the course is not yet complete.
- It is the student’s responsibility to initiate steps with the professor to change this grade.
- A grade of “I” which has not been completed within 30 calendar days of the next regular semester will automatically become an “F.”
- A faculty member may submit a written request on behalf of the student to the Office of the Vice President for Academic Affairs to extend the deadline. When doing so, the faculty member will impose a new deadline.

Independent Study

Independent study involves an arrangement between a student and a professor approved by the student’s advisor for exploration of a particular subject or topic. The arrangement is normally initiated by the student who has in mind specific goals.

Candidates for the baccalaureate degree are encouraged to complete one course of independent study; some programs require at least one course of this nature. Each department offering a baccalaureate program has a course numbered and identified as independent study. The course may count toward the requirements for the major or as an elective if a student wishes to pursue independent study in a non-major area.

Each independent study arrangement must be approved both by the chairperson of the division in which the student is doing the study and the dean at least 30 days before the onset of the study itself. Ordinarily, a student may enroll in only one three-hour independent study each semester. **A 2.00 cumulative GPA is required for all students engaging in independent studies.**

Students whose preparation and experience offer the opportunity for a highly individualized baccalaureate program may, in consultation with the advisor, present for approval a program with a large component of independent study. Students whose baccalaureate plan includes more than nine hours of independent study and more than 12 hours in an internship, practicum, etc., must submit an outline of their baccalaureate program to the Academic Affairs Committee for approval.

Independent studies should be completed by the end of the semester in which the student is enrolled for that particular course. Incompletes are to be given only for medical and extenuating circumstances. Completion deadlines must be rigidly maintained.

Internships and Practicums

Baccalaureate programs at Wingate University may include practical experience as a major constituent. Plans for internships and practicums should be made with both academic competency and career plans in mind. Experience should integrate various elements of the student's academic program. Credit may vary from three to 12 semester hours, depending upon the nature of the experience, its intensity, and/or duration. This determination will be made by the student, the advisor, the appropriate department, and the Vice President for Academic Affairs. To receive credit for an internship or practicum, the student must:

- Submit a completed Internship Learning Contract to the Office of the Registrar at least 30 days before the beginning of the experience
- Have a minimum cumulative 2.00 GPA

Overload

Five courses (*15-16 hours*) are considered a usual course load. A student may choose to take up to 18 hours. Permission to take more than 18 must be obtained from the Office of the Vice President for Academic Affairs. This permission is not given to students with less than a 2.00 cumulative GPA.

After the drop/add period, a charge of \$495 is assessed for each hour more than 18. There is no refund of this fee, regardless of whether or not a student withdrew from a class or classes (*see Chapter 3, refund/overpayment policy*).

Registration and Schedule Changes

A student registers for courses in consultation with his/her academic advisor. Each student should make an appointment with the advisor during the registration period, the dates of which are published in the academic calendar (*see page 4*).

Drop/Add

During the first four days of a regular semester, a student may drop and/or add courses to his or her schedule in consultation with the academic advisor. A course that is dropped during the drop/add period is entirely deleted from the student's record. It is the student's responsibility to make up all assignments missed prior to adding a course.

Withdrawal

After the drop/add period, a student can no longer add a course to his/her schedule. A student can, however, withdraw from a course (until the deadline) and receive a grade of "W", which carries no academic penalty. The student must initiate this process with the academic advisor. After obtaining both the advisor's signature and the signature of the appropriate instructor, the student must take the withdrawal form to the Office of the Registrar. A student will not be considered withdrawn from a course and given a grade of "W" until the Registrar has processed the withdrawal form. A student may withdraw from a course up to one week after mid-semester to receive a "W" on the academic record. Tuition refunds are given on a pro-rated basis. After the third Friday of a regular semester, students will not be refunded money for courses dropped (*see Chapter 3, refund/repayment policy*).

Repeat Course Policy

A student may repeat a course that was previously completed. Only the last grade earned is used in the calculation of the GPA. All grades are shown on the transcript. A course may be repeated twice under this policy. This applies only to courses taken and repeated at Wingate University. All grades are included in the calculation of the GPA for honors at graduation. The student is responsible for informing the Office of the Registrar any time a Wingate University course is repeated.

A student may not repeat a course that is a prerequisite for a course for which credit has already been earned.

A student may repeat a course under the repeat policy a maximum of two times. Retaking a course more than twice will not remove the last grade from the GPA.

A student may not transfer in a course from another institution to count as a repeat of credit already taken at Wingate University.

Status

A student who is enrolled in 12 semester hours or more is considered a full-time student. A student who is enrolled for less than 12 semester hours is considered a part-time student.

Summer Sessions

Wingate University offers two month-long summer sessions in June and July. During the June and July summer sessions, a student may complete up to seven semester hours per term. **No tuition refunds are made during summer enrollment once classes have begun.**

Students may withdraw from summer school up to one day after midterm without an academic penalty.

The same high standards of the University are maintained with regular faculty members serving as instructors. Living accommodations and dining and recreation facilities are available (*contact the Office of Admissions for more information*).

Transient Study

Summer

Wingate students who wish to take a course or courses at another institution during the summer and transfer that credit to Wingate must obtain permission from the Office of the Registrar *before* taking the course. Likewise, permission must be obtained *before* taking any credit-by-exam vehicle. A student must have a cumulative 2.00 GPA to obtain permission to transfer non-Wingate credit back to Wingate University. According to degree requirements, the last 30 hours must be taken in residence at Wingate University.

While transfer credits of grade "C" or higher are accepted from other institutions, course work taken at other institutions does not raise a Wingate student's cumulative GPA. It will be considered in determining honors designations, although it cannot raise the Wingate average.

Regular Semester (Co-Registration)

During pre-registration and registration for the fall and spring semesters, full-time undergraduate students will be allowed to co-register at area institutions ***provided that Wingate University does not offer the selected courses during the same semester***. This registration process is initiated in the Office of the Registrar and requires the approval of the department chair or program coordinator. All students who are approved for transient study during the semester must be enrolled for a minimum of 12 credit hours at Wingate and will not be allowed to co-register elsewhere for more than six credit hours. An overload analysis will be made on the total number of semester credit hours taken at Wingate University added to the total number of semester credit hours taken simultaneously as transient study.

Transcripts

The official academic record for each student is maintained in the Office of the Registrar. A student has access to the record during normal office hours.

A student may receive copies of the official transcript by making a written request or by signing a release form in the Office of the Registrar. Unofficial transcripts can be printed by the student using IRISLink, the web-based student information system.

Transcripts will not be released if the student's account with the University is delinquent.

Withdrawal (Voluntary)

Any student voluntarily leaving the University before the close of the term must withdraw officially. The student initiates the withdrawal procedure with the Director of Personal Counseling Services. The withdrawal form must be signed by the various University officials listed on the form. The withdrawal process is completed at the Business Office.

The deadline for withdrawal is one week after mid-semester. A student who withdraws by the deadline and has settled all accounts with the University will receive grades of "W" for the semester. A student who withdraws after the deadline will receive grades of "F" for the semester.

In cases where extenuating circumstance warrant it, a student may receive grades of "W" from the University after the deadline has passed. The student who wishes to make this appeal should submit a letter and any other supporting documentation to the Office of the Vice President for Academic Affairs detailing the reason(s) for the request. If the appeal is accepted, the Registrar will change the semester grades from "F"s to "W"s. Appeals will only be considered for those students who complete the appeal process before the first day of the final exam period of the semester of voluntary withdrawal.

Withdrawal (Involuntary)

In certain cases, a student may forfeit academic responsibility during a semester by:

- persistent failure to complete classroom assignments;
- habitual class absence; and/or
- disruption and disturbance of fellow students.

In such cases, the student may be required to withdraw from the University. The Assistant Vice President for Academic Affairs will investigate cases of forfeiture of academic responsibility in consultation with the Dean of Students, who has the authority to require the student to withdraw. Appeals of such involuntary withdrawals may be made to the Vice President of Academic Affairs within 48 hours of notification of the withdrawal action. The decision of the Vice President of Academic Affairs shall be final.

Writing Intensive Requirement

The Wingate University faculty has designated several courses that include a significant writing component. These courses are:

Honors Programs

University Honors

The Honors Program at Wingate University challenges students to a high level of academic achievement.

Admission

Admission to the Honors Program for entering freshmen is by invitation from the Director of Honors. Entering freshmen are selected based on SAT I scores, high school records, recommendations, and an accepted application. Students who hold Belk or Honors-level Trustee scholarships (and in some cases the top level of non-Honors Trustee scholars) are encouraged to enroll in the honors program. Students who are not in the honors program and have a GPA of 3.25 on all work attempted may be invited to join the honors program or may apply to the Director of Honors. Students may join the program at any time before the beginning of their junior years. To continue in the Honors program, a student must maintain an overall GPA of 3.0, effective as of the end of the freshman year.

Curriculum

To graduate with University Honors, students must complete a minimum of 17 hours of honors courses including 9 hours of freshman-level courses (which may include Honors 210. Mathematical Masterpieces), one sophomore-level interdisciplinary honors course, one one-hour interdisciplinary seminar late in the sophomore or early in the junior year, one junior-level honors course (Honors 300. The Making of the Modern Mind), and an honors research project or thesis in the senior year.

In their freshman year, students will choose a minimum of 9 hours (three courses) of honors-designated courses from this group: English 101 and 102 H, History 101 and 102 H, Religion 110 H, and Honors 210 (if they have a strong background in mathematics). Students who have AP credit for English 101 often opt to take Religion 110 H. Students will take a 200-level interdisciplinary honors course in their sophomore year (two of these, Honors 200. Ideas in Literature and Honors 205. Ideas in Fine Arts, already exist, but others will be offered periodically). Honors 200 meets the GER in literature. Honors 205 meets the GER in fine arts and is a substitute for Humanities 103 for education majors. Honors 210 meets the GER in math. Students will then take an interdisciplinary one-hour seminar on a special topic in the second semester of their sophomore year or at the beginning of their junior year. In their junior year, students will also take Honors 300. Honors 451 completes the University Honors graduation requirement and earns the student one credit hour and the grade for the project is added to the student's transcript.

Students will work closely with a professor in their majors to design and complete the University Honors project, a substantive study culminating in a thesis paper of appropriate scope and length. Graded projects are submitted for approval to other faculty in the chosen discipline and then forwarded to the Director of Honors who verifies the student's eligibility to graduate with University Honors and sends the official recommendation to the Registrar. A student's thesis must receive an average grade no lower than "B" (3.0 quality points) from its three faculty readers in order to qualify a student for the University Honors designation.

Honors Recognition

Students who successfully complete the University Honors program will receive the designation "University Honors" on their transcripts and diplomas and will be recognized at Commencement. In addition, each honors course will carry the designation "H" on transcripts and grade reports no matter whether or not a student completes the entire program.

Departmental Honors

Any student may elect to do departmental honors work in the following fashion. Departmental honors is independent of University Honors.

In-Course Honors

Students with a minimum GPA of 3.00 with no grade below “C” may request permission from professors to earn honors credit in a regular class by submitting proposals for extra work and projects in return for special attention and conferences. Proposals must be approved by the department in which honors work will be done by three weeks after the beginning of a semester and must meet all guidelines of the department. Students who earn honors credit will have it so designated beside the course number on their transcripts and grade reports (*example: History 202H*). Professors may have not more than four students doing in-course honors during a semester without permission from the Vice President for Academic Affairs and the Honors Committee.

Departmental Honors Research

The academically superior student at Wingate University has an opportunity to engage in intensive study in a major field through advanced independent research, experimentation, or creative activity. Listed in the catalog and on student transcripts as Honors Research 449, 450, this study is a two consecutive semester project for which the student earns credit of 2 or 3 hours each semester for a total of 4 or 6 hours credit.

To qualify for admission to Honors Research, a student must have a minimum GPA of 3.00 on all course work and a 3.50 in the major field.

An eligible student may register for Honors Research during any regular registration. After the Honors Committee verifies that the student is eligible, the student selects a tentative subject of research and a supervisory professor who is knowledgeable in the chosen field.

In consultation with the supervisory professor, the student designs a proposal in acceptable form outlining the research project and the research tools to be used. This proposal is submitted to the department for preliminary approval. The Honors Committee grants final approval of the proposal.

The student, with direction from the supervisory professor, must complete the project during two semesters. Upon completion of the independent research, the department will evaluate and endorse the project. The approved final draft will then be presented to the Honors Committee for its review.

If the Honors Committee, in consultation with the supervisory professor and department, judges the work to be of superior quality and the student has met all requirements for an honors designation, a recommendation will be made to the Vice President for Academic Affairs that the student receives honors designation in the major and during Commencement. Honors Research judged not to be of superior quality by either the professor, department, or Honors Committee but is judged to be passing will be granted 4 or 6 semester hours of independent study credit in research, but not honors credit.

Departmental Honors Designations

A student may earn honors designations in an academic major by completing one of the following options:

- A minimum of 12 semester hours of honors courses in a specific major, with at least six of the 12 hours in 300-400 level courses.
- A minimum of 12 semester hours of honors courses in a specific major, including five semester hours of Honors Research.

To earn an honors designation, a student must have a minimum GPA of 3.00 on all work and a minimum GPA of 3.50 in all honors work within the major. Honors designations are shown on transcripts, and students who complete an honors program are awarded special recognition during commencement exercises.

Special Programs

Wingate University prepares its students for university life, introduces students to community service needs, and exposes students to intellectual and artistic events.

Wingate 101

Wingate 101 is required of all entering freshmen. The instructor for each section is also the academic advisor assigned to that group. This one-hour credit course helps provide support to first-time students undergoing the academic, social, intellectual, emotional, physical, and spiritual transition to university life.

Lyceum

The Lyceum program is a series of cultural and religious enrichment. Full-time students must attend 40 events in their four years at Wingate University.

Study Abroad

W'International

Wingate University offers a unique study-tour program called "W'International" which makes an international experience available at minimum expense to the student. All regularly enrolled full-time students have one opportunity during their junior year to participate in the W'International program. (*See requirements below*).

The program is divided into two parts: class and tour. The weekly W'International classes include a general orientation to international travel and an in-depth study of the culture and history of the appropriate country(ies) and city(ies). Students are required to attend all class meetings and all general sessions. The course culminates in a study-tour opportunity of approximately 10 days in the country of study. Tours occur during the Christmas recess and after Commencement.

The University covers the costs of transportation and lodging, so that a student can participate in W'International at little personal cost. Most seminars have a moderate, non-refundable surcharge which is due at the beginning of the semester of participation. During the course and on the trip, the student is obligated to follow the professor's instructions and demonstrate a high standard of character and maturity.

Students who complete the seminar with a "D" or higher and who complete the W'International tour satisfactorily receive two credit hours.

Requirements:

- Junior class standing. A student who does not participate during their junior year forfeits their eligibility. Those students with junior class standing have earned no fewer than 57 credit hours and no more than 86 credit hours at the beginning of the semester of participation. Transfer students who have junior status must have completed one semester as a full-time student.
- 2.00 cumulative GPA by the beginning of the semester of participation.
- Students must reconcile any debts to the University before commencement of the tour.
- A student must successfully complete the seminar with a "D" or higher to participate in the travel portion of the course.
- Students are allowed to register for particular courses on a first-come first-serve basis. The University does not guarantee a student's first choice.

Wingate-in-London

The Wingate-in-London program is a 14-week fall semester combining traditional curriculum with on-site experience to create an exceptional learning environment. Since 1982, approximately 20 students each year have spent the fall semester in London under the tutelage and direction of a Wingate University faculty member. In addition to courses offered by the Wingate faculty, arrangements are made for students to enroll in at least 10 credit hours of coursework taught by British professors. Program fees include accommodations in student flats, tuition for instruction and credit, international flight, meal per diem, local transportation pass, theatre and museum entrances, and two group excursions within the United Kingdom. The ideal candidate for the program has a minimum cumulative GPA of 2.5 and holds the class rank of junior or above. In addition to GPA and class rank, acceptance into the Wingate-in-London semester is based on an interview, written personal statements, and faculty/staff references. A nonrefundable \$200 deposit is due from accepted students by March 15th of the year of participation in order to secure a place in the program.

Hong Kong Baptist University

Wingate University has a direct enrollment agreement with Hong Kong Baptist University which enables several students a year to study in Hong Kong. Students make application to the program through the International Studies Committee by submitting reference materials, a personal statement, and an analysis of relevance of the Hong Kong curriculum to the applicant's academic track. Students are required to have a minimum 2.75 GPA to participate.

Denmark International Study Program

Wingate University has a partner relationship with the Denmark International Study Program (DIS) in Copenhagen, Denmark to allow select students to study for a semester or summer in Copenhagen. Eligible students will have earned a minimum 3.0 GPA and will have presented reference letters, personal statements, and an academic analysis as application to the International Study Committee. DIS offers a general curriculum as well as specialty courses in marine biology, geology, international business, and furniture design.

CHAPTER 5 PROGRAMS OF STUDY

Degrees

Wingate University offers majors that lead to baccalaureate degrees. Baccalaureate degrees include the Bachelor of Arts (BA), Bachelor of Science (BS), Bachelor of Fine Arts (BFA), and Bachelor of Music Education (BME). In addition, the Bachelor of Liberal Studies (BLS) is offered through the Matthews Center. In some cases, it may be possible for a student to earn more than one degree, although no two degrees will be awarded at the same Commencement (*see Additional Bachelor's Degree under Academic Policies above*).

The following masters degree programs are available at the Matthews Center: Master of Business Administration (MBA), Master of Arts in Education in Elementary Education (MAEd), and Master of Arts in Teaching in Elementary Education (MAT).

Baccalaureate Majors

Wingate University offers more than 40 majors at the baccalaureate level. Students choose at least one major. Requirements for majors are explained within their respective academic departments (*see below*). The courses for a major may include introductory or basic prerequisite courses and higher level courses in the major discipline and/or related disciplines. Some majors permit or require a student to select an area of concentration that allows for more focus on a subdiscipline within the major subject area.

A student may earn more than one major. Should a student pursue a second major, no more than two courses from the primary major can be counted toward the second major(s). A second major does not necessarily entail a second degree. The additional major(s) must be under the same degree program unless permission has been granted to earn more than one degree (*see Additional Bachelor's Degree under Academic Policies above*).

In some cases, a student may return to earn another major after having previously graduated (*see Additional Major under Academic Policies above*).

Minors

To complement a major, students may choose a minor (*minimum of 18 semester hours*) in one of 35 areas. Wingate does not require minors. Minors should be in different academic department than the baccalaureate major. Each department defines minors in each discipline in which a minor may be earned (*see below*). No more than two courses counted for a major may also be counted for a minor (*except a biology and chemistry combination*). Likewise, no more than two courses counted for a minor can count toward another minor. Possible minors include:

- | | |
|-----------------------------|-----------------------------|
| Accounting | Legal Studies |
| Art | Management |
| Art History | Marketing |
| Biology | Mathematics |
| Broadcast Journalism | Media Arts |
| Chemistry | Music |
| Community Youth Development | Philosophy |
| Creative Writing | Prof. and Technical Writing |
| English | Psychology |
| Environmental Biology | Public Relations |
| Exercise Science | Religious Studies |
| Family Studies | Social Science |
| Finance | Sociology |
| French | Spanish |
| History | Sport Management |
| Human Studies | Speech Communications |
| International Studies | Women's Studies |
| Journalism | |

Electives

The student and advisor should carefully plan for electives that complement the desired major. Electives may be chosen from any course offered by the University provided prerequisites are met. A student should consult with the advisor in choosing electives that will meet degree and career objectives.

Explanation of Terms

Course numbers have the following meanings:

- | | |
|---------|--|
| 100-199 | Primarily for freshmen, but may be taken by all students |
| 200-299 | Primarily for sophomores, but may be taken by all students |
| 300-499 | For juniors and seniors |
| 500-699 | Graduate courses |

Note: Courses numbered below 100 do not count toward meeting degree requirements.

Pre-Engineering

Wingate provides a path for students planning to pursue a bachelor's degree in engineering. This program includes the necessary science, mathematics, economics, humanities, and social science courses. Including the general education requirements, students should complete the following courses for transfer to an accredited engineering program:

Chemistry 101, 102	Principles of Chemistry I, II
Physics 201, 202	Principles of Physics I, II
Math 120, 220, 305	Calculus and Analytical Geometry I, II, III
Math 310	Differential Equations
Economics 221, 222	Microeconomics, Macroeconomics

Additional humanities, social science, fine arts, language, and physical education courses are necessary to complete a full schedule of course work. Pre-Engineering students will work closely with their advisor in selecting the appropriate courses for their field of interest and to fulfill the requirements of the engineering school.

Pre-Health Professions Students: Pre-Med; Pre-Dental; Pre-Vet

Medical, dental, and veterinary schools specify courses, not specific majors, that are prerequisites for admission to their programs. For example, Pre-Med students may select any major as long as they take the courses required by the medical school they wish to attend. Regardless of which major you select at Wingate University, most medical and dental schools in the U.S. require one year each of Biology (BIO 150 and 200), General Chemistry (CHEM 101 and 102), Organic Chemistry (CHEM 201 and 202), and Physics (PHYS 201 and 202). Some specify Calculus (MATH 120). Vet schools may require more: biochemistry, genetics, and microbiology. You should select a major which matches your interests and abilities and one which allows you to complete the necessary biology, chemistry, math, and physics courses. If you choose a major which does not require the essential science and math courses as part of its curriculum, you will need to take them as electives in addition to your major's required courses.

Admission to professional schools is highly competitive and selective. Excellent study skills, self-discipline and motivation, a strong background in math and science, the ability to think, reason, and express ideas clearly are skills essential to successful academic performance. In order to be competitive for admission to professional school, students must attain a very high GPA, 3.7 or better (especially in science courses), and must earn high scores on the MCAT/DAT/VCAT entry test. In addition, students must have: appropriate volunteer or job experience in their area of career interest; effective communication and interview skills; and strong letters of recommendation from their professors, based upon outstanding academic performance, reputation for excellence and personal integrity, and demonstrated potential to succeed in the professional school curriculum.

Most of the science courses have prerequisites and some courses are not offered every semester. The courses you take (biology, chemistry, and math), the sequence in which you take them, and your performance in them are critical--failure to complete specific courses at the right time or with satisfactory grades will interfere with your progress towards completing the sequence of science courses needed for professional school. **Each student is responsible for selecting the courses that are needed to meet all entrance requirements specified in the bulletin from the school they wish to attend.**

Pre-Health Professions students should consult the information for the major they plan to pursue for suggested first-semester classes.

Pre-Law

The Pre-Law program at Wingate University is designed to prepare the student for success as a lawyer. No law school requires a particular major as a pre-requisite for admission. Rather, law schools look for evidence of reading and analytical abilities which serve as the primary bases of admissions decisions. For that reason, the Pre-Law program has two emphases, both focused on skill development. First, the Pre-Law student should choose a major based on personal interest. Experience indicates that reading and analytical skills can be developed only if a student is willing to work hard and that a student is willing to work hard only if he or she studies a subject that is interesting. Any major will provide ample opportunity to develop the required skills for law school. Second, the Pre-Law student should complete the Legal Studies minor. This minor includes the specific courses in the Wingate University curriculum that will be the most valuable in preparing for law school.

Admission to law school demands that preparation begin far before formal application for admission. The student planning to become a lawyer is urged to meet with the Pre-Law advisor no later than his or her sophomore year.

Suggested sequence of courses for the Legal Studies minor:

Freshman Year	Fall	Philosophy 101 (This course is not part of the Legal Studies Minor, but provides an excellent introduction into the type of reading and analytical skills needed for success in law school.)
Sophomore Year	Fall	Economics 221 or Legal Studies elective
	Spring	Philosophy 202 or Legal Studies elective
Junior Year	Fall	English 360 or Legal Studies elective
	Spring	English 360 or Legal Studies elective
Senior Year	Fall	Legal Studies elective
	Spring	Legal Studies elective

Pre-Ministerial Education

Students attending Wingate University who are intending to pursue seminary education and a life of ordained ministry in the church or on behalf of the church in other settings are provided a variety of opportunities, within and beyond the classroom. The university's Pre-Ministerial program is jointly administered by the Department of Religion and Philosophy and the Office of the Campus Minister, who serves as an advisor to such students. The undergraduate years can provide a solid foundation for seminary and ministry; they can neither duplicate nor replace seminary education. However, because a sense of call to ministry often flourishes during the college years, we provide opportunities for education and formation in that call. Pre-Ministerial students are encouraged to major in religion in order to receive a solid foundation in the core theological disciplines of Bible, Church History, Theology, and Philosophy. Advanced coursework in the broader liberal arts, including English, History, Sociology, and Psychology can also be helpful, and depending upon the students' particular commitment, a minor or double major in one of these areas may be advised.

Beyond the classroom, Pre-Ministerial students have opportunities to pursue ministry internships, including one for academic credit. Students are also encouraged to take leadership roles in student religious organizations, including the many mission opportunities they provide, and in the University's weekly worship services. The Office of the Campus Minister helps interested students find placements in local congregations for part-time ministry opportunities. Counseling and small group opportunities are also provided to interested students seeking to develop and refine their understanding of their call to ministry.

Pre-Pharmacy

Wingate University School of Pharmacy's mission is to prepare pharmacists who are ready to practice on the day of graduation. Practice experiences are begun in Year-1, with additional experiences included in EACH year of the curriculum. Practice sites for full-time rotations are located in the Carolinas, throughout the greater Charlotte metropolitan area and beyond.

The fully-integrated curriculum is punctuated with small group case studies held weekly during each semester. All class notes are posted on the school's webpage prior to class, and each smart classroom allows for wireless student connectivity. Additionally, instant response software is provided to each student, enabling the student to register opinions, take self-assessment tests and receive instant feedback on themselves as well as the class as a whole. The Pharmacy Practice Laboratory is designed like a community pharmacy, not a chemistry lab. Patient counseling rooms allow for recording practice sessions with simulated and real patients.

Admission to the undergraduate program at Wingate University does **NOT** guarantee admission to the School of Pharmacy as the program is competitive in nature. With the first class admitted however, a majority of students who applied from the Wingate University undergraduate program were admitted. Students may apply to the School of Pharmacy during the fall of their sophomore year.

Students who wish to be admitted to the Wingate University School of Pharmacy will take a specific sequence of pre-requisite courses and should work closely with a Pre-Pharmacy advisor.

Sequence of courses for the Pre-Pharmacy program:

Freshman Year	Fall	Wingate 101, English 101, Chemistry 101, Biology 150, Math 209, Physical Education 101 (17 hours)
	Spring	Religion 110/120/130, English 102, Chemistry 102, Biology 315, Math 120 (18 hours)
Sophomore Year	Fall	Humanities*, Physics 201, Chemistry 201, Social Science**, Economics 221 (17 hours)
	Spring	Humanities*, Biology 320, Chemistry 202, Humanities*, Speech 101 (17 hours)

*Humanities (9 hours): Choose from Foreign Language, Literature, History, or Philosophy

**Social Sciences (3 hours): Choose from Psychology or Sociology (except Sociology 210/350)

Charles A. Cannon College of Arts and Sciences

Dean: H. Donald Merrill

The Charles A. Cannon College of Arts and Sciences represents the Wingate conviction that truth has a unitary character and that our knowledge and understanding of truth can be enhanced through the exploration of ideas in academic disciplines. These basic disciplines are so intertwined both in content and methodology that they frequently overlap in the experience of the learner. The interrelation of arts and sciences has deep roots in the Western intellectual tradition, from the classic formulation between the Greeks and Romans to the modern foundations of learning which emerged in the Enlightenment. One or more of these disciplines have been involved in most of the discoveries of truth about our world and ourselves since the beginning of human civilization.

In the Charles A. Cannon College of Arts and Sciences, Wingate University unites Art, Biology, Chemistry and Physics, Communications, Computer Science, English, History, Foreign Languages, Mathematics, Music, Psychology, Religion and Philosophy, and Sociology into an administrative unit -- an undergraduate college -- to clarify and strengthen our awareness of educational mission and purpose. While we recognize and value the unique contribution of our individual fields, we have the same quest for truth that we believe will flourish in a collegial community.

The arts and sciences provide rich resources to strengthen our solitary lives as individuals and to solidify our relationships with others in society. In a university environment, these disciplines provide many combinations for individual specialization in academic majors. Advanced study in many of these can become the foundation for professional careers and for lifelong learning.

We urge students to discern the unity and the diversity of truth that this university organization represents. We invite all learners, those with high school diplomas and those with doctorates, to join in a quest for knowledge and meaning which will expand our understanding of truth and will open yet new vistas for future generations.

Department of Art

Professors: Louise S. Napier (Chair), E. Alexander Youngman
 Associate Professor: Karen L. Wheeler
 Instructor: Marilyn Hartness
 Artist-in-Residence: Stephen Smith

Goals and Objectives

The Department of Art exists to provide art instruction of high quality to students enrolled in art degree programs and to general University students. The specific objectives of the department are to offer:

- baccalaureate degrees in art that are appropriate to students served
- art appreciation and art history courses as options for the Fine Arts component of the University's general education requirements and elective courses in art for the general student population
- exhibition opportunities for art majors and art students overall
- exhibits, lectures, workshops, and master classes for art students, the campus community, public school art teachers, and the public overall

Degree Program Goals

The Bachelor of Arts in Art curriculum is designed to bring the student to a high level of achievement in art production and exhibition.

The Bachelor of Fine Arts degree is designed to prepare a student for entrance into an art career or for entrance into a Master of Arts or Master of Fine Arts degree program. The BFA is a pre-professional degree with emphasis on studio production and selected areas of concentration.

The Bachelor of Arts in Art and Education curriculum is designed to prepare the student for certification to teach art in public schools, grades K-12.

Biology (3+1 Program)

Bachelor of Arts/Bachelor of Science

The 3+1 program is designed for students who wish to get both a baccalaureate degree in Biology and a Doctor of Pharmacy. To do so will require taking a structured program entailing a specific sequence of courses each semester. The first three years will require taking courses within the undergraduate curriculum. The final year's requirements will be fulfilled within the School of Pharmacy. For a specific outline of the program, please see an advisor in the Biology Department.

- Elective courses in Communication for the general student population;
- Writing opportunities through the University yearbook and newspaper;
- The opportunity to participate in public address and oral interpretation of literature;
- Television production opportunities through WUTV, the University's cable television channel;
- Programming for the general campus community and the public via face-to-face, print, audio and videotape, cable, and Internet communication.

Area of Emphasis Goals

The *Broadcast Journalism* emphasis is designed to prepare the student to function effectively in the various areas of electronic journalism. The *Journalism* emphasis is designed to prepare the student to function effectively in print journalism. The *Media Arts* emphasis is designed to prepare the student to function effectively in communication through moving image and sound. The *Organizational Communications* emphasis is designed to prepare the student to function effectively within and among modern organizations. The *Public Relations* emphasis is designed to prepare the student to function effectively as the communications link between organizations and their publics. The *Speech Communication* emphasis is designed to prepare the student to function effectively in the various areas of human communication.

Department of Music

Professors:	Martha S. Asti, John T. Blizzard, Ronald D. Bostic (Chair), Kenneth C. Murray
Instructor:	Polly T. Bostic

Goals and Objectives

The Department of Music exists to provide music instruction of high quality to students enrolled in music degree programs and to general university students. The specific objectives of the department are to offer:

- baccalaureate degrees in music which are appropriate to the students served;
- music survey courses as options for the fine arts component of the University's general education requirements;
- elective courses in music for the general student population;
- performance opportunities in instrumental and vocal ensembles for all students;
- concerts, recitals, and master classes for music students, the campus community, and the public.

Degree Program Goals

The Bachelor of Music Education curriculum is designed to prepare the student for licensure to teach in the areas of choral, instrumental and/or general music in the public schools, grades K-12.

The Bachelor of Arts in Music is designed for the study of music within a liberal arts curriculum. Students may pursue an emphasis in business, communications, or performance. When course sequences are structured carefully, students in this degree program can fulfill requirements in music and in another discipline to attain a double major.

Requirements for Music Majors

Admittance Procedure for Music Majors

- Admittance to the University.
- Audition to gain approval to proceed with a degree program in the Department of Music. Students who are not approved to proceed with the degree program of choice may reapply for approval after the period of one semester and after successfully completing *Music 100: Fundamentals of Music* and other courses recommended by the music faculty. The audition process has three components:
 - 1) Performance — consisting of material outlined in *Wingate University Department of Music: Auditions*;
 - 2) Interview with music faculty; and
 - 3) Placement — written theory, aural theory, keyboard. (The theory placement exam includes the fundamentals of notation [pitch and rhythm], tonality, scales, intervals, and triad structures.)

Performance Study Examinations Each music student enrolled in principal applied study will have a performance study examination at the end of each semester. Guidelines are available in the department office.

Recital Performance Requirements All students in Principal Performance Study perform in student recitals each semester, once for one hour’s credit or twice for two hour’s credit. Performance Emphasis students give a sophomore, junior, and a senior recital (Music 220, 320, 420). Students in the Bachelor of Music Education program give a junior recital (Music 320).

Recital Attendance Requirement Students pursuing music degrees at Wingate University are expected to attend recitals and concerts presented on campus. For specific attendance requirements for each program of study, see the description of the course, Recital and Concert Lab, Music 125. . . 426.

Elective Music Courses For students studying other academic fields, electives in music are offered. Chamber Choir, University Singers, Stadium Band, University Wind Ensemble, Jazz Ensemble, Chamber Ensemble, and Wingate Chorale give all students the opportunity to participate in performance ensembles. Other elective courses in music for the general student population include *Music in Film and Television in the U.S.*, *Popular Music in the U.S.*, *Music in World Cultures*, and *Women in the History of Art and Music*, as well as individual performance study in voice and various instruments.

The purpose of the School of Business is to give the student a fundamental knowledge of the functions and processes of business and a basic understanding of the workings of the American economy. Wingate University, through instruction in specific business disciplines, aids in the development of broad skills in administrative disciplines, and supplements business studies with courses from liberal arts. Bachelor of Arts or Bachelor of Science degrees are offered in accounting, finance, management, and marketing. Bachelor of Science degree candidates will meet their requirements through additional intermediate level general education requirements in mathematics and/or laboratory science. Bachelor of Arts degree candidates will meet their requirements through additional intermediate level general education requirements in foreign language and literature. A Master of Business Administration is offered. This program is designed to provide working professionals the advanced training necessary to prepare them for top management positions. For further details, consult the Graduate Catalog or turn to the Graduate Studies chapter in this catalog.

All business school majors are required to pass an exit examination in their major in the last academic year before graduation.

The Thayer School of Education provides the Wingate University Teacher Education Program that offers 10 majors (11 licensure areas): Elementary Education (K-6), Middle Grades Education (6-9 Language Arts, Social Studies, Mathematics, and Science), Biology and Chemistry Education (9-12), English and Education (9-12), Mathematics and Education (9-12), Social Studies Education (9-12), Art and Education (K-12), Music Education (K-12), Reading (K-12)/Elementary Education, and Physical Education (K-12).

The Wingate University Teacher Education Program is designed to meet the North Carolina **Competencies and Guidelines for Approved Teacher Education Programs**. The professional education programs at Wingate University are guided by the conceptual framework of **The Effective Facilitator of Learning** (see appendix). This conceptual framework is consistent with the mission of Wingate University and with the motto of “Faith, Knowledge, Service.” Teacher Education Programs are conceived in the context of a well-rounded liberal arts education and integrated with the principles of a Christian institution.

The **Liberal Arts** foundation includes courses in composition and literature, fine arts, foreign language, social and behavioral sciences, biological and physical science, mathematics, and health and physical education. The **Ethics** component is comprised of courses in religious and ethical studies as well as an emphasis of professional ethics in foundation courses and methods courses and student teaching. **Professional Knowledge** is gained through courses in psychology, foundations of education, curriculum and instruction, and pedagogy. All professional education courses provide **Applied Teaching** opportunities through required field experiences and an intensive semester of student teaching. The teaching experiences enable teachers to make **Creative and Informed Decisions** as they design, implement, and assess well-defined lesson plans while developing the flexibility to meet diverse classroom challenges. The **Service** component joins knowledge with action through outreach opportunities such as those provided by the freshman course, Wingate 101, and by professional, social, academic, and service organizations and activities. Together these components provide the framework for the student to become an **Effective Facilitator of Learning**.

An **Effective Facilitator of Learning** is one who applies these components to design curriculum and create an effective learning environment guided by research and reflection. The goals of the conceptual framework are to develop:

- a broad knowledge and understanding of the liberal arts, including language, literature, religion, fine arts, history and the social/behavioral sciences, world awareness, mathematics and the natural sciences, and physical fitness
- moral, spiritual and ethical concerns of life and culture in America and internationally and demonstrate the abilities to practice these values and ethics through thoughtful decision-making

- a broad and in-depth knowledge and understanding of the subject area(s) to be taught
- a knowledge and understanding of the historical and philosophical foundations of education, curriculum and instruction, theories of learning and child/adolescent growth and development, characteristics and needs of the special child, effective teacher behaviors, and methods and techniques for instruction and evaluation to address the diverse needs of all children
- and enhance abilities and competencies in effective teaching behaviors and adaptive planning, instruction, and evaluation through supervised field experiences appropriate to subject and level of licensure
- and demonstrate and refine effective teaching behaviors and adaptive planning, instruction, and evaluation through a supervised fifteen-week student teaching experience appropriate to the level of licensure

The student will develop:

- a broad knowledge and understanding of the liberal arts, including language, literature, religion, fine arts, history and the social/behavioral sciences, world awareness, mathematics and the natural sciences, and physical fitness.
- moral, spiritual, and ethical concerns of life and culture in America and internationally and demonstrate the abilities to practice these values and ethics through thoughtful decision-making.
- a broad and in-depth knowledge and understanding of the subject area(s) to be taught.
- a knowledge and understanding of the historical and philosophical foundations of education, curriculum and instruction, theories of learning, child growth and development, characteristics and needs of the special child, effective teacher behaviors, and methods and techniques for instruction and evaluation of all children.
- and enhance abilities and competencies in effective teaching behaviors and adaptive planning, instruction, and evaluation through supervised pre-student teaching field experiences appropriate to subject and level of licensure.
- and demonstrate and refine effective teaching behaviors and adaptive planning, instruction, and evaluation through a supervised fifteen-week student teaching experience appropriate to subject and level of licensure.

Three areas of study comprise each program of study: General Education Requirements, Professional Studies, and Specialty Studies. These components allow the student to develop an understanding and appreciation of the liberal arts, the specific field of education, and the area of specialization.

NOTE: In the event that provisions of the Teacher Education Program are modified as a result of mandated changes by the North Carolina Department of Public Instruction, students will be required to meet the revised requirements, even if not stated in this catalog.

Title II Institutional Report Card

Please refer to the Title II Institutional Report Card on page 229 of the appendix.

Entrance Requirements for the Teacher Education Program

Degree-Seeking Students

Students may be admitted to a teacher education major upon satisfying the following requirements and being approved by the Teacher Education Committee.

The student must:

- submit a formal application to the Teacher Education Committee after completing forty-five semester hours of college work. A brief autobiography is required; a photograph is optional.
- have a cumulative GPA of at least 2.50 at the time of application and maintain at least a 2.50 through graduation.
- have passed at least one course in education at Wingate University and must have a minimum of 10-12 clock hours of field experience in an elementary, middle, or secondary school.
- successfully meet the minimum score requirements of the PRAXIS series tests.
- have a minimum grade of “C” in English 100/101 and 102. Additionally, Elementary Education and Middle Grades Education applicants must have a minimum grade of “C” in Math 106 and 107.
- provide three references from University instructors. One of these recommendations should come from an instructor in education.
- be interviewed by at least one education instructor.

The Teacher Education Committee reserves the right to deny admission or continuance in the program to any student who has displayed a lack of academic competency, a sense of responsibility, effective interpersonal relationship skills, or high moral standards.

Exceptions to the above policies may be recommended by the Director of Teacher Education and approved by the Teacher Education Committee.

One or two letters of recommendation from any source (other than University instructors) may be included in the student’s file at the student’s request.

Licensure-Only Students

Students holding baccalaureate degrees who wish to seek initial licensure must be admitted to the Teacher Education Program before being allowed to student teach and before being recommended for licensure.

A student may be admitted to the Teacher Education Program upon satisfying the following requirements and being approved by the Teacher Education Committee.

The student must:

- submit a formal application to the Teacher Education Committee after completing 12 semester hours of college work at Wingate. A brief autobiography is required; a photograph is optional.
- have a cumulative GPA of at least 2.50 on post-baccalaureate course work taken at Wingate University at the time of application and must maintain a 2.50 through student teaching.
- have passed at least one course in education at Wingate University and must have a minimum of 10-12 clock hours of field experience in an elementary, middle, or secondary school. This field experience must be an evaluated part of an education course taken at Wingate University.

- successfully meet the minimum score requirements of the PRAXIS series tests.
- have a minimum grade of “C” in English 100/101 and 102 or equivalent. Additionally, Elementary Education and Middle Grades Education applicants must have a minimum grade of “C” in Math 106 and 107.
- provide three references from University instructors. One of these recommendations should come from an instructor in education.
- be interviewed by at least one education instructor.

The Teacher Education Committee reserves the right to deny admission or continuance in the program to any student who has displayed a lack of academic competency, responsibility, effective interpersonal relationship skills, or high moral standards.

Exceptions to the above policies may be recommended by the Director of Teacher Education and approved by the Teacher Education Committee. Program requirements for the student seeking only initial licensure will be determined by review of the student’s transcript(s) by the Director of Teacher Education.

One or two letters of recommendation from any source (other than University instructors) may be included in the student’s file at the student’s request.

All requirements in Professional Studies, the Specialty Studies, Speech and Health must be met. In addition, the student may be required to take certain General Education Requirements as preparation for the Praxis Series Tests. The Director of Teacher Education reserves the right to require a student to retake an education course at Wingate University.

Note: Lateral Entry students must meet the same admission criteria as Initial Licensure students.

Adding an Area of Licensure

A student wishing to add another area of licensure to a current or expired license will be required to meet:

- all requirements for the Specialty Studies.
- all requirements for the Professional Studies. Student teaching will be required if the additional area of licensure is significantly different from the initial area of licensure as determined by the Director of Teacher Education.
- the minimum score on the Praxis Area Test(s).

Progression in the Teacher Education Program

The 50% Rule

The North Carolina Quality Assurance Program limits the progression of undergraduate candidates in teacher education programs to introductory courses only. The Thayer School of Education limits this to no more than one-half of the total professional studies core courses, exclusive of student teaching, until formal admission requirements have been satisfied. The State Department of Public Instruction prohibits any student’s continuation in a program beyond the junior year, regardless of the 50% rule.

A student must satisfy all conditions for full admission not later than the end of the first semester following that in which initial application was made. This must be done no later than the junior year.

Student Teaching

Typically a student must have completed all program requirements in a satisfactory manner before student teaching begins. Under certain conditions a student may complete one semester of his or her program following student teaching. **See your advisor for specific information.**

A student must have a cumulative GPA of at least 2.50 and at least 2.50 in the specialty area(s) to student teach. The specialty area consists of the Professional Studies Core and the Specialty Studies Core. Other courses required for teacher education include health, psychology, and speech. A minimum grade of "C" is required in each course.

An application for permission to student teach is made to the Office of the Director of Teacher Education during the semester before the anticipated student teaching.

Students who meet the requirements outlined in the Teacher Education Handbook will be allowed to student teach.

Student teaching is a full-time commitment; therefore, a student should have no other major obligations during this period. Students may not participate in University athletics or cheerleading during the student teaching period.

Because of the nature of and responsibilities related to student teaching, a student is expected **not** to work full-time or part-time during student teaching. Any appeal to this policy regarding work must be made in writing to the Director of Teacher Education and submitted with the application for student teaching. Requests received after the date cited in the University calendar for the particular semester will not be considered. A student who makes such an appeal must be able to demonstrate in writing that failure to work during student teaching will create financial and/or other hardships and must be willing to appear before the Teacher Education Committee, if necessary, to answer any questions. The Director of Teacher Education will take the appeal to the Teacher Education Committee for consideration and action. The prospective student teacher will be notified accordingly.

The Wingate University Teacher Education Program does not require student teaching of lateral entry students who can supply adequate documentation of effective teaching skills. Verification of the skills may require on-site supervision by a Wingate University Education professor.

The School of Education offers 10 majors and 11 licensure areas. Objectives for each program are listed in the Teacher Education Handbook.

Praxis II

Each student must pass the Praxis II exam(s) for each designated area(s) of licensure in order for North Carolina to award an official license.

Each student must provide evidence prior to graduation that Praxis II exam(s) have been taken in order to complete program requirements.

Registration materials are available in the Thayer School of Education office.

Athletic Training

Bachelor of Science

Program Coordinator: Traci Gearhart

Entrance Requirements

Students may be admitted to the Athletic Training Major upon satisfying the following requirements:

- Submission of completed application, 1-2 page essay, and two faculty recommendations;
- Minimum cumulative GPA of 2.50 with a grade of “C” or better in Biology 120/150;
- Successful progress in AT 150 and an acceptable score on the final exam. Measurable data will be weighted and a prospective student score determined so that the upper 12 to 15 students who complete all requirements may be considered for formal program admission;
- Completion of at least 75 hours of clinical observation under the supervision of the director of athletic training services (*prior experience as a student athletic trainer helpful but not required*);
- Successful interview with the Director of Athletic Training Education, a staff certified athletic trainer, and an upper class athletic training student;
- Submission of a current physical examination from a licenced physician;
- Read, understand, meet, and sign the Wingate University Athletic Training Education Program’s Technical Standards. These are located in the ATEP Student Handbook and website.

Please note that a limited number of students can be admitted each year although the exact number is to be determined annually based upon graduation and attrition rates. All students admitted to the athletic training education program must provide documentation of a Hepatitis B vaccination and proof of \$1,000,000 per incident/\$3,000,000 aggregate student malpractice insurance.

Once admitted into the program, students will be required to maintain an overall minimum cumulative GPA of 2.50 and satisfactory performance during the practical experience to remain active in the athletic training room and continue their practical field experience. Failure of the student to maintain a 2.50 cumulative GPA for one semester will result in a one-semester suspension from the clinical portion of the academic program and will add one additional semester to the academic program beyond the traditional six. *If the student has two consecutive semesters achieving a cumulative GPA below a 2.50, they will be dropped from the program and advised into a suitable major.* 1,200 hours of practical field experience is a graduation requirement for the Athletic Training Major at Wingate University.

Any student receiving a grade lower than a “C” in an athletic training required course must repeat the course. If that particular course is a prerequisite for other courses, the other courses may not be taken until a “C” has been achieved. They may, however, be taken concurrently.

PROFESSIONAL AND GRADUATE STUDIES

SCHOOL OF PHARMACY

Please contact the Wingate University School of Pharmacy for the official School of Pharmacy catalog. Questions related to admissions may be directed to Pharmacy Admissions (704) 233-8331 or via e-mail at Pharmacy@Wingate.edu.

Dean: Robert B. Supernaw

This program is administered by:

Wingate University School of Pharmacy
Campus Box 3087
Wingate, NC 28174
phone: 704-233-8331
fax: 704-233-8332
email: Pharmacy@Wingate.edu

The Wingate University School of Pharmacy opened its doors to applicants in 2002, with the charter class beginning its program of study in August 2003. The charter class will graduate from Wingate University in May 2007 with a Doctor of Pharmacy (Pharm.D.) degree. The class size has been capped at 60 to assure special attention to every student. All Wingate University pharmacy faculty have made a commitment to excellence in the classroom; and all classes are taught by faculty possessing terminal doctoral degrees. No courses, discussions, case studies, or laboratories are taught by teaching assistants or graduate students.

The accreditation process has been initiated, and precandidate status was awarded in June 2003. Candidate status was awarded in June 2004, and full accreditation is anticipated in 2007. This is the normal accreditation process and timeline for all schools of pharmacy.

The Wingate University School of Pharmacy is in strict compliance with the accreditation guidelines of the Accreditation Council for Pharmacy Education. Wingate University School of Pharmacy intends to be nationally recognized as a leader in the education of pharmacists. It seeks to reach this goal by providing a state-of-the-art, high-tech learning environment that will facilitate critical thinking and problem-solving skills, scholarly inquiry and service to the institution, the profession and the community.

The five salient qualities and expectations of the Wingate University School of Pharmacy graduate are:

- (i) outstanding moral character
- (ii) excellence in interpersonal communication skills
- (iii) complete competence in pharmaceutical care
- (iv) strong abilities in problem solving, and
- (v) the highest professional commitment to the patient, the community, and the employer.

Faculty:

Professors:	Eric G. Boyce; Mary J. Ferrill; Samir A. Kouzi; Robert B. Supernaw
Associate Professors:	Daniel L. Brown; Michael H. Nelson; Glenn E. White
Assistant Professors:	Amie J. Dirks; Christian L. Dolder; Jamie L. Jolly; Beatriz Luna; Donald S. Nuzum; Lisa S. Smith; David J. Taber; Angie Veverka

Mission and Goals:

The Wingate University School of Pharmacy intends to be a nationally recognized leader in the education of students and pharmacists for the practice of pharmacy in all patient care settings for all patients.

Wingate seeks to pursue its mission by providing an individualized, state-of-the-art learning environment that will facilitate the development of its students' critical thinking and problem-solving skills for the pursuit of pharmaceutical care. Subordinate to the primacy of Wingate's teaching mission are scholarly and service pursuits. Wingate will stimulate scholarly inquiry and will facilitate service to patients, to the community, to the health care professions, and to the institution. Consistent with the student-centered focus of the University, limited enrollment will allow for practice experiences during each year of the curriculum and the low student-to-faculty ratio necessary for the fulfillment of the School's stated mission.

The goals of the Wingate University School of Pharmacy are:

(Teaching)

- to provide students with the knowledge, skills, abilities, attitudes, and values necessary to practice pharmaceutical care
- to develop an understanding of and approach to critical inquiry
- to facilitate the transformation of students from dependent to independent learners
- to foster a desire and need for life-long learning
- to provide a model of care that improves health outcomes for patients
- to provide an environment anchored in case analysis
- to provide an environment of progressively more sophisticated practice learning opportunities

(Scholarship)

- to engage in scholarship with a focus on the scholarship of teaching
- to engage in the scholarship of learning documentation and analysis
- to encourage scholarly inquiry into the continuous analysis of pharmaceutical care in improving patient outcomes

(Professional Service and Practice)

- to develop an understanding of the value of pharmaceutical care
- to develop an appreciation of the value of interdisciplinary care
- to involve students in the profession of pharmacy

(Community Service)

- to develop an understanding of the importance and value of volunteerism
- to develop an understanding of health care activism
- to integrate the School into the daily life of the community

The Wingate University graduate program in education (MAEd) was established in June 1985. The program consists of 30 semester hours leading to the Master of Arts Degree in Education with graduate-level licensure in Elementary Education (K-6).

In 1996, the graduate program in education was extended to include a Master of Arts in Teaching Degree (MAT) at Wingate University. The program consists of 39-42 semester hours leading to the Master of Arts Degree in Teaching with graduate-level licensure in Elementary Education(K-6). The graduate education programs at Wingate University are guided by the conceptual framework of **The Effective Facilitator of Learning** (see appendix). This conceptual framework is consistent with the mission of Wingate University and with the motto of "Faith, Knowledge, Service." Teacher Education Programs are conceived in the context of a well-rounded liberal arts education and integrated with the principles of a Christian institution.

An **Effective Facilitator of Learning** is one who applies these components to design curriculum and create an effective learning environment guided by research and reflection. The goals of the conceptual framework are to develop:

- a broad knowledge and understanding of the liberal arts, including language, literature, religion, fine arts, history and the social/behavioral sciences, world awareness, mathematics and the natural sciences, and physical fitness
- moral, spiritual and ethical concerns of life and culture in America and internationally and demonstrate the abilities to practice these values and ethics through thoughtful decision-making
- a broad and in-depth knowledge and understanding of the subject area(s) to be taught
- a knowledge and understanding of the historical and philosophical foundations of education, curriculum and instruction, theories of learning and child/adolescent growth and development, characteristics and needs of the special child, effective teacher behaviors, and methods and techniques for instruction and evaluation to address the diverse needs of all children

- and enhance abilities and competencies in effective teaching behaviors and adaptive planning, instruction, and evaluation through supervised field experiences appropriate to subject and level of licensure
- and demonstrate and refine effective teaching behaviors and adaptive planning, instruction, and evaluation through a supervised fifteen-week student teaching experience appropriate to the level of licensure

Admission Requirements (MAEd)

- A bachelor's degree from an accredited college or university.
- An undergraduate major in education or Class A licensure to teach in the public schools. Licensure must be appropriate for the proposed area of graduate study.
- A 3.00 GPA or higher during the last two years of undergraduate work or a 3.00 GPA in the education major.
- A complete Graduate School Application form.
- Satisfactory official test scores for the Miller Analogies Test (MAT) or the Graduate Record Examination (GRE).
- Two recommendations from administrative or supervisory personnel (forms are provided with the application packet).
- Receipt of official transcripts from all schools attended beyond high school.
- Acceptance by the Dean of the Thayer School of Education or, in cases involving conditional status, acceptance by a subcommittee.

Admission Requirements (MAT)

- A bachelor's degree from an accredited college or university.
- A complete Graduate School Application form.
- Receipt of official transcripts from all schools attended beyond high school.
- A cumulative GPA of 2.50 or higher on a 4.00 scale on all post-secondary academic course work.
- Two recommendations from administrative or supervisory personnel (forms are provided with the application packet).
- Satisfactory official test scores for the Miller Analogies Test (MAT) or the Graduate Record Examination (GRE).
- Acceptance by the Dean of the Thayer School of Education or, in cases involving conditional status, acceptance by a subcommittee.

Prerequisites.....

The MAT program requires an extensive liberal arts background. The minimum prerequisites would include at least the following courses:

- English (6)
- Literature (3)
- World History (3)
- American History (3)
- North Carolina History (3)
- One laboratory science course (3-4)

The Wingate Master of Business Administration (MBA) program is designed to meet the needs of business professionals in the dynamic Charlotte area and Southern Piedmont region. The program is structured to blend with professional work experience to help committed professionals achieve their best.

The Wingate MBA program is tailored for working professionals preferably with a minimum of one year of professional work experience. Since all students in the program have had professional experience, the program is able to accentuate business theory and skills with a practical application emphasis.

The Wingate MBA program offers a carefully chosen group of courses to give students a wide exposure to the key areas of business administration. While the curriculum maintains rigorous academic standards, the teaching and learning occur in an environment of support for professionals who are seeking assistance for problems they face in the everyday work setting. Degree requirements may be obtained from the School of Business.

Admission (MBA).....

An application for admission to the MBA program may be obtained by contacting the School of Business or the Matthews Center.

Applicants for admission must hold a baccalaureate degree from an accredited institution and have at least two years of full-time professional work experience after graduation. Exceptions to the work experience requirement may be considered for applicants with outstanding academic credentials.

Applicants must submit a portfolio of information to the School of Business at the address above. A complete admission portfolio includes:

- Completed application with a separate written experience summary and a statement of applicant goals.
- Official transcripts from all colleges and universities attended.
- Two recommendations (*One must be from a current or recent employer.*).
- Official GMAT scores.
- \$50 non-refundable application fee for U.S. citizens.
- \$50 non-refundable application fee for International students.
- International Student Applicants (F-1) should submit TOEFL scores if applicable, and a statement of Financial Support.

Portfolios will be evaluated by the Wingate University Admission Committee to determine entrance into the program. The Admission Committee is made up of three members of the MBA faculty who serve on a rotating basis. The strength of portfolio materials will be evaluated in conjunction with the student's score, calculated using the following formula:

$$\text{Score} = (200 \times \text{GPA}) + \text{GMAT}$$

Prerequisites.....

Although an undergraduate business degree is not required for admission to the MBA program, specific course material is required. Students must demonstrate mastery of the material normally taught in the following courses either by presenting a transcript showing that the course has been completed with a grade of "C" or better or through a waiver by exam:

- Principles of Management
- Principles of Accounting I and II
- Principles of Economics I and II
- Principles of Marketing
- Statistics
- Finance
- Mathematics (*College Algebra or Calculus*)
- Knowledge of both computer spreadsheet and word processing programs

Wingate University offers a one-semester Business 500 course, which is designed to satisfy all of the above prerequisites.

Basic photographic theory, equipment, and techniques. Emphasis on use of 35 millimeter camera as a creative and expressive tool. Studio work includes darkroom experience in developing and printing black-and-white film. Student must have 35mm manually adjustable camera. Some cameras are available to loan. Apply to instructor.

Credit: 3 hours

Art 250. Single Camera Video (Media Arts 250)

An introduction to video making, using field production methods and post-production editing. Creation of short videos with emphasis on communication.

Credit: 3 hours

Art 301. Composition and Design II

Exploration of two-dimensional and three-dimensional design concepts using paper-making and bookbinding techniques in both traditional and experimental formats.

Prerequisites: Art 101, 201 or permission of instructor

Credit: 3 hours

Art 302. Advanced Painting

Continuation of Art 102. Involves student in individual and creative approach to medium use and composition. Development of an idea or theme required.

Prerequisite: Art 102

Credit: 3 hours

Art 303. Ceramics: Wheel Throwing

Exploration with stoneware using wheel throwing techniques. Students will learn to center the clay and make cups with handles, bowls, lidded jars, and a few unique altered wheel thrown objects.

Prerequisite: Art 203

Credit: 3 hours

Art 304. Women in History of Art and Music (Music/Women's Studies 304)

Exploration of contributions made by women in art and music from antiquity to the 20th century.

Prerequisite: Art 103/Music 104 or equivalent.

Credit: 3 hours (Fall, odd years)

Art 305. Advanced Drawing

Extension of techniques and media introduced in Art 105. Individual expression, large scale and experiments with subject matter emphasized.

Prerequisite: Art 105

Credit: 3 hours

Art 306. Advanced Watercolor

Embraces individual problems using watercolor medium in expressive and experimental ways. Greater variety of subjects and techniques.

Prerequisite: Art 106

Credit: 3 hours

Art 310. Printmaking

Major relief and intaglio processes. Work includes collagraph, monoprinting, linoleum printing, etching and engraving.

Prerequisite: Art 105

Credit: 3 hours

Art 312. Crafts For Secondary Education

Students will explore selected major craft areas to include textile design, surface design, basketry, bead-work, mosaics, and tiles.

Prerequisite: Art 101 or consent of instructor.

Credit: 3 hours

Art 313. Porcelain

Emphasis on the use of porcelain and white stoneware clays for advanced hand building and wheel throwing processes. Focus toward a body of works exhibiting individual expression.

Prerequisite: Art 303

Credit: 3 hours

Art 314. Jewelry Design

Introduction to basic jewelry design and fabrication. Students will learn to use copper, silver, brass, and gold in a variety of designs and processes. A history of jewelry making will also be covered.

Prerequisite: Art 201 or 215

Credit: 3 hours

Art 315. Advanced Sculpture

Advanced studio work consisting of projects focusing on one major sculpture area. Research paper required.

Prerequisite: Art 215

Credit: 3 hours

Art 320. Metalworking

Foundry techniques. Students will create and cast art in the professional technique of lost wax bronze. Mold making, chasing, welding and patinas will be stressed.

Prerequisite: Art 205 or consent of instructor.

Credit: 3 hours

Art 326. Intermediate Photography

Use of medium and large format cameras. Includes exposure to significant American photographers and experience with lighting, portraiture, landscape, and architectural photography. Emphasis on creative vision, negative quality, and fine large scale prints.

Prerequisite: Art 225

Credit: 3 hours

Art 330. Photojournalism (Journalism 330)

Practical and legal aspects of photojournalism. Students gain field experience through regular assignments for University publications and commercial print media. Designed for communications majors and art majors.

Prerequisite: Art 225/portfolio evaluation by instructors.

Credit: 3 hours

Art 365. Art Methods for Elementary Education (K-6)* (Education 365)

Comprehensive program of arts/crafts. Variety of drawing and painting techniques and craft processes including printmaking, paper mache, fabric projects, and collage. Portfolio of projects required upon completion of the course.

Prerequisites: Education 201, 330

Credit: 2 hours

Art 366. Teaching Methods for Art Majors (K-6)* (Education 366)

Theories and practices influential in contemporary art education for grades K-6. Curriculum planning, practical experiences, and laboratory projects identify problems and explore concepts in elementary and secondary school art.

Prerequisites: Education 201, 330

Credit: 2 hours

Art 367. Teaching Methods for Art Majors (6-12) (Education 367)

Art teaching methods and materials for grades 6-8 and 9-12. Topics include philosophy, curriculum, evaluation, and procedures for art classroom arrangements and management, studio art techniques for specific age levels, mounting and presenting exhibitions, safety factors with art media and tools, methods for research in art history, and portfolio preparation.

Credit: 2 hours

Art 370. Art Internship

A program of work/study, academic and/or studio, off campus at an established art facility or professional artist's studio. Choices will include area museums, galleries, photography studios, graphic design establishments, fashion design, interior design business, etc. The internship will be tailored to area of specialization of each individual student.

Credit: 3 hours

Art 401. Computer Graphics and Design

Introduction to the use of the computer as a tool for fine and commercial art production. Foundations of *Adobe Photoshop* explored to compose and retouch images. Problem solving and exploration in combining image and type.

Prerequisite: Art 101 or consent of instructor

Credit: 3 hours

Art 402. Computer Graphics & Design II

Continuation of Art 401. Software emphasis on *Adobe Illustrator* and *InDesign*. Focus on page layout design and file preparation for print and web.

Prerequisite: Art 401

Credit 3 hours

Art 403. Digital Painting

Use of digital painting tools available in *Photoshop* and/or *Painter* to create images that simulate traditional artist's media. Focus on fine arts applications of computer graphics and creation of simple web animations.

Prerequisite: Art 401

Credit: 3 hours

Art 406. History of American Art: The Aesthetic Experience (*History 406*)**

An introduction to American Art and the history of its evolution in light of aesthetic concerns. Study of uniquely American art forms from the colonial period through the mid-20th century.

Prerequisite: Art 209/consent of instructor.

Credit: 3 hours (Fall, even years)

Art 408. History of Twentieth Century Art**

A history of contemporary European and American Art from the early 20th century up to and including modern movements and current styles in major art media. Some correlation of 20th century music and literature.

Prerequisite: Art 209, Art 406/consent of instructor.

Credit: 3 hours (Fall, odd years)

Art 410. Advanced Printmaking

Studio work concentrating on one type of printmaking. Research paper required.

Prerequisite: Art 310

Credit: 3 hours (Fall, odd years)

Art 425. Advanced Photography

Advanced photographic work emphasizing creative vision and darkroom techniques. Students use previous experience to explore an area of individual interest such as Ilfochrome color printing, image manipulation, or alternative photographic processes.

Prerequisite: Art 326/consent of instructor, Art 225.

Credit: 3 hours

Art 450. Senior Project

Research, preparation, presentation, and documentation of senior portfolio exhibition. Demonstration of professional approach and display of selected theme. For art and art education majors only. Capstone course.

Credit: 2 hours

Art 451. Career Orientation for the Art Major

Exploration of the practical realities of being an artist. Topics include career options, business practices, portfolio preparation, and theme development.

Credit: 2 hours

Art 470. Independent Study

Specialized research or studio work selected by student with approval and supervision by art faculty member. (see Chapter 4, independent study)

Credit: 1-3 hours

Art 477. BFA Portfolio: Photography

Emphasis on the student's personal creative expression and the continuing development of photographic skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 326

Credit: 3 hours

Art 480. BFA Portfolio: Printmaking

Emphasis on the student's personal creative expression and the continuing development of printmaking skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 310

Credit: 3 hours

Art 481. BFA Portfolio: Drawing

Emphasis on the student's personal creative expression and the continuing development of drawing skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 105, 205

Credit: 3 hours

Art 482. BFA Portfolio: Painting

Emphasis on the student's personal creative expression and the continuing development of painting skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 303

Credit: 3 hours

Art 483. BFA Portfolio: Ceramics

Emphasis on the student's personal creative expression and the continuing development of ceramic skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 303

Credit: 3 hours

Art 484. BFA Portfolio: Crafts

Emphasis on the student's personal creative expression and the continuing development of fiber and craft skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 312

Credit: 3 hours (Fall, even years)

Art 485. BFA Portfolio: Sculpture

Emphasis on the student's personal creative expression and the continuing development of sculpture skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 315

Credit: 3 hours

Art 486. BFA Portfolio: Computer Graphics

Emphasis on the student's personal creative expression and continuing development of computer graphics skills. Continuation of focus toward a specific body of works exhibiting individual expression.

Prerequisite: Art 401

Credit: 3 hours

Art 495. BFA Senior Project and Thesis

Research, preparation, presentation, and documentation of senior portfolio exhibition. Demonstration of professional approach and display of selected theme. For BFA majors only. Capstone course.

Credit: 2 hours

Art 496. Decorative Art and Architecture in London

Study of existing architecture in London and its museums. Includes examination of its history, design, aesthetics, and general concepts.

Credit: 3 hours

Art 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

**Writing intensive course*

***Oral intensive course*

Athletic Training

Athletic Training 150. Introduction to Athletic Training

An introductory course which includes an overview of the profession of athletic training, the characteristics of an athletic trainer, the history of athletic training and the National Athletic Trainers' Association, and influential leaders who have impacted our profession. Development and tasks of the sports medicine team and an emphasis on medical terminology are included.

Credit: 3 hours (Fall)

Athletic Training 201. Practical Techniques of Athletic Training

Practical exposure to preventative and rehabilitative strapping, wrapping, splinting and bracing techniques for athletic injuries including treatment and first aid procedures.

Prerequisites: Sophomore status/consent of instructor.

Credit: 3 hours (Fall)

Athletic Training 230. Athletic Training Practicum I

Athletic training skill development in the areas of risk management, injury prevention, taping and padding, acute care of injury and illness, and general medical conditions and disabilities. Field experience under the direct supervision of a certified athletic trainer.

Prerequisite: Admission to the athletic training program

Credit: 2 hours

Athletic Training 235. Athletic Training Practicum II

Advancement of athletic training skills and techniques included in Athletic Training 230. Field experience under the direct supervision of a certified athletic trainer.

Prerequisite: Athletic Training 230 or concurrent

Credit: 2 hours

Athletic Training 255. Applied Nutrition

Basic concepts of nutrition including meal balancing, food grouping, and weight gain/loss coupled with the relationship between nutrition and the human physiological processes.

Credit: 3 hours (Spring)

Athletic Training 280. Emergency Techniques in Athletic Training

The course is designed to prepare athletic trainers to care for emergency situations which occur among athletes. Topics include development of sport specific emergency plans, triage, and care of life-threatening and non life-threatening events. In addition, students will be certified in American Red Cross Community First Aid and CPR.

Credit: 3 hours

Athletic Training 305. Care and Prevention of Athletic Injuries

General introduction to athletic training. Exposure of the student to the recognition of athletic injuries/illnesses and their care and the prevention of future injuries/illnesses.

Prerequisite: Biology 120

Credit: 3 hours (Fall)

Athletic Training 310. Exercise Physiology (Physical Education 310)

Study of the physiological effects of exercise on the human body; includes instruction in designing and implementing exercise and conditioning techniques as well as the study of all human biologic systems and how they are influenced/altered by exercise and movement. Three hours lecture; 2 hours lab.

Prerequisites: Athletic Training 312, Biology 315

Credit: 4 hours (Spring)

Athletic Training 312. Human Structure & Function

Study of the major anatomical and physiological aspects of the human body. Three hours lecture plus lab.

Credit: 4 hours

Athletic Training 315. Anatomical Kinesiology (Physical Education 315)

Study of the human body; specifically the musculoskeletal system will be studied in great depth. Students will learn the basic principles of the body in motion in terms of muscles and joints and will apply the knowledge gained to improve performance in motor skills.

Prerequisites: Athletic Training 312, Biology 315

Credit: 3 hours (Fall)

Athletic Training 320. Rehabilitation Techniques in Athletic Training

Post-injury and post-operative rehabilitation techniques. Study and application of conditioning techniques involved in returning athletes from a post-injury phase to normal athletic activity.

Prerequisite: Athletic Training 315

Credit: 3 hours (Spring)

Athletic Training 326. Therapeutic Modalities

Clinical treatment of athletic injuries. Practical use of therapeutic modalities and rehabilitation equipment used in the treatment of athletic injuries. A study of the physiological effects, indications and contraindications of each form of treatment.

Prerequisite: (Recommended: Chemistry 100)

Credit: 3 hours (Fall)

Athletic Training 330. Athletic Training Practicum III

Focuses on previously-developed skills and further includes the reasoning for and uses of therapeutic modalities, assessment and evaluation of injuries and illnesses, and nutritional aspects of injury and illness. Field experience under the direct supervision of a certified athletic trainer.

Prerequisite: Athletic Training 235

Credit: 2 hours

Athletic Training 335. Athletic Training Practicum IV

Designed to prepare athletic trainers to care for emergency situations which occur among athletes. Topics include development of sport-specific emergency plans, triage, and care of life-threatening and non life-threatening events. In addition, students will be certified in American Red Cross Community First Aid and CPR.

Prerequisite: Athletic Training 330

Credit: 2 hours

Athletic Training 400. Athletic Training Seminar*

Emphasis placed upon guest lectures by various allied health practitioners. Course topics will expand upon existing knowledge in the areas of assessment of injuries, rehabilitation, surgical procedures, and other associated therapeutic subjects as they relate to athletic training.

Prerequisite: Senior standing in Athletic Training program.

Credit: 3 hours (Spring)

Athletic Training 410. Organization and Administration of Athletic Training

Students will learn to organize and administer athletic training facilities, athletic training/sports medicine academic programs. Students will also learn how to effectively provide thorough health care coverage for the population Certified Athletic Trainers are responsible for.

Credit: 3 hours (Spring)

Athletic Training 420. Advanced Athletic Training I

An in-depth study of the anatomical, physiological, and pathological processes that occur due to athletic injury. Etiology, mechanisms, signs, symptoms, and special tests associated with head, cervical, spine, shoulder, elbow, wrist and hand injuries will be examined. Practical evaluation skills and injury disposition proficiency will be improved.

Prerequisite: Athletic Training 305

Credit: 3 hours (Fall)

Athletic Training 425. Advanced Athletic Training II

An in-depth study of the anatomical, physiological, and pathological processes that occur due to athletic injury. Etiology, mechanisms, signs, symptoms, and special tests associated with thorax, abdominal, thoracic and lumbar spine, hip, knee, ankle, and foot injuries will be examined. Practical evaluation skills and injury disposition proficiency will be improved.

Prerequisite: Athletic Training 420

Credit: 3 hours (Spring)

Athletic Training 430. Athletic Training Practicum V

Includes pathology of injuries and illnesses, pharmacology, psychosocial intervention and referral, health care administration, and professional development and responsibilities. Field experience under the direct supervision of a certified athletic trainer.

Prerequisite: Athletic Training 335

Credit: 2 hours

Athletic Training 435. Athletic Training Practicum VI

Advances the skills and techniques included in Athletic Training 430 and represents the completion of the clinical portion of the curriculum. Field experience under the direct supervision of a certified athletic trainer.

Prerequisite: Athletic Training 430

Credit: 2 hours

Athletic Training 440. Legal Aspects of Athletic Training

Course will examine legal issues in Athletic Training and will focus on civil law and litigation that relate to sport participation. The course will give the student a basic understanding of the United States legal system and the anatomy of a lawsuit. Case studies will be utilized to demonstrate the legal boundaries of athletic trainers.

Credit: 3 hours

Athletic Training 480. Pathology and Pharmacology in Athletic Training

Diseases and the athletic trainer's role in assessment and control methods. An overview of general pharmacology, drug interactions, and the role of the athletic trainer in clinical decision-making.

Credit: 3 hours

Athletic Training 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

Athletic Training 499. Internship in Athletic Training

Student will complete an internship consisting of a least 160 contact hours in a nearby high school or in a sports medicine clinic. Students will carry out the daily tasks dictated by the setting in which they choose to do their internships. All students must be under the direct supervision of a Certified Athletic Trainer while doing this internship. The Wingate University Athletic Training department will oversee and work in conjunction with the on-site ATC.

Prerequisites: Senior standing, consent of instructor.

Credit: 4 hours

Biology

Biology 115. Environmental Biology

Basic concepts of ecosystem structure and function, and varieties of interactions in the environment. Problems of energy and energy flow, resources, disruptive influences, and man's response and responsibility. Three hours lecture, three hours lab.

Credit: 4 hours (Fall)

Biology 120. Human Biology

Biology and man's life cycle; growth and development; physiological control; reproduction and genetics. Three hours lecture, three hours lab.

Credit: 4 hours

Biology 130. Marine Biology

Study of the Earth's oceans and ocean life: how physical features, ocean currents, chemical factors, and living creatures interact to create marine communities. Three hours lecture, three hours lab.

Prerequisite: any Biology/Science lab course

Credit: 4 hours (Spring, even years)

Biology 140. Human Genetics

Principles of classical and molecular genetics as applied to the human organism. Laboratory exercises include contemporary aspects of Biotechnology and genetic analysis. Three hours lecture, three hours lab.

For non-Biology majors only

Credit: 4 hours

Biology 150. Principles of Cell and Molecular Biology

Basic concepts of biological science emphasizing cell structure, function, and chemistry; genetics; energetics; and immunology. Prerequisite to all courses Biology 200 level and above. Three hours lecture, three hours lab.

Credit: 4 hours

Biology 200. Zoology

Survey of the biology of the major groups of animals. Phylogenetic relationship is basis for examination of major patterns of structure, physiology, behavior, and natural history. Laboratory includes field work. Three hours lecture, three hours lab.

Prerequisite: Biology 150

Credit: 4 hours

Biology 205. Plant Biology

Survey and natural history of the plant kingdom; plant ecology and adaptation; growth and development and hormonal regulation; plant structure and metabolism; medical and economic significance. Three hours lecture, three hours lab.

Prerequisite: Biology 150

Credit: 4 hours (Fall)

Biology 300. Ornithology

Integrated lecture/laboratory/field study examining the anatomy, physiology, identification, and natural history of birds. Students are expected to supply their own binoculars. Three and one-half hours per week of lecture/laboratory/field study.

Prerequisite: any Biology Lab course, consent of instructor.

Credit: 3 hours (Spring, odd years)

Biology 305. Genetics

Mendelian and molecular genetics with a strong emphasis on replication, transcription, and translation. Regulation of gene expression in prokaryote and eucaryotes; mutation and DNA repair, oncogenes and tumor suppressor genes. Three hours lecture, three hours lab.

Prerequisite: Chemistry 101, consent of instructor.

Credit: 4 hours (Fall)

Biology 315. Human Anatomy and Physiology

Anatomy and physiology of human organ systems. Laboratory includes whole organ and whole animal dissections, and measurements of physiological processes. Three hours lecture, three hours lab.

Prerequisite: Biology 120 or 150

Credit: 4 hours

Biology 320. Microbiology

Biology of microorganisms with emphasis on bacterial structure, physiology, genetics, medical and ecological importance, basic virology and immunology. Laboratory includes: bacterial identification, based on morphology, staining, and metabolic characteristics; microscopy, culturing and aseptic technique; viral culture and assay; microbiology of food and water. Three hours lecture, three hours lab.

Prerequisite: Chemistry 101, consent of instructor

Credit: 4 hours (Spring)

Biology 330. Marine Biology and Oceanography (*Environmental Biology 330*)

Study of the Earth's marine life and ocean ecosystems; ecological relationships among different forms of sea life and their interactions with the physical environment of the world's oceans.

Prerequisites: *Environmental Biology/Biology 115 or Biology 150, 200*

Credit: 3 hours

Biology 350. Scanning Electron Microscopy

Theory and practical aspects of scanning electron microscopy; use of the SEM and sample preparation as it applies to the biological sciences. Materials sciences and other microscopy probe techniques and TEM will be discussed. Three hours lecture, three hours lab.

Prerequisite: *Consent of instructor*

Credit: 4 hours (alternate years)

Biology 360. Parasitology

Principles of veterinary and medical parasitology, covering appropriate invertebrate phyla and protozoans. Laboratory exercises will include both parasite identification/diagnosis and collection and preservation techniques. Emphasis will be placed on organisms of veterinary and/or medical importance. Two hours lecture, three hours lab.

Prerequisite: *Biology 200; biology 320 recommended.*

Credit: 3 hours (Spring)

Biology 401. Ecology*

Patterns of distribution and abundance of organisms, stressing quantitative evaluation of population dynamics, community structure, and ecosystem relations. Energetics and reproductive success are unifying principles.

Three hours lecture, three hours lab.

Prerequisite: *Consent of instructor.*

Credit: 4 hours (Fall)

Biology 405. Biology Seminar**

Selected topics in biology involving student presentations and discussions. Capstone course in the major. Two hours lecture.

Prerequisite: *Consent of instructor.*

Credit: 2 hours (Spring)

Biology 412. Physiology of Reproduction

Functional and anatomical processes that control reproduction in mammals and avian species. Laboratory will include gross anatomical dissection and microscopic study of the male and female reproductive system, studies of endocrinology associated with embryonic development and pregnancy, palpation and ultrasonography of pregnancy, and reproductive management of mammals. Three hours lecture, three hours lab.

Prerequisites: *Biology 315 or consent of instructor.*

Credit: 4 hours (Fall, alternate years)

Biology 415. Histology

Microscopic anatomy and identification of cells, tissues, and organs; introduction to histological techniques and preparation. Three hours lecture, three hours lab.

Prerequisite: *Biology 315 or consent of instructor.*

Credit: 4 hours (Spring, odd years)

Biology 420. Immunology

Study of the molecules, cells and tissues involved in the immune response. Emphasis is placed on the medical aspects of immunology, and the application of immunological techniques to other area of biological investigation. Three hours lecture.

Prerequisite: *Biology 320 or consent of instructor.*

Credit: 3 hours (alternate years)

Biology 424. Principles of Biochemistry (*Chemistry 424*)

Structure and function of proteins, carbohydrates, and lipids. Pathways of intermediary metabolism emphasizing cellular location, thermodynamics, and regulation of rate-limiting enzymes. Signal transduction across membranes, and integration and hormonal regulation of metabolism. Three hours lecture.

Prerequisites: *"C" or above in Chemistry 202; Biology 150*

Credit: 3 hours (Fall)

Biology 425. Biochemistry (Chemistry 425)

Structure and function of proteins, carbohydrates and lipids. Pathways of intermediary metabolism emphasizing cellular location, thermodynamics and regulation of rate-limiting enzymes. Signal transduction across membranes, and integration and hormonal regulation of metabolism. Three hours lecture, three hours lab.

Prerequisites: "C" or above in Chemistry 202; Biology 150

Credit: 4 hours (Fall)

Biology 442-444. Independent Study

Individual study of a topic of interest and concern to the student. May involve directed reading and/or experimental work in consultation with and supervision by a biology faculty member. May be repeated for credit (with approval of biology faculty). Offered on demand.

Prerequisite: 2.0 GPA; approval of Biology chairperson and Dean of the College 30 days prior to study

Credit: 2-4 hours

Biology 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

*Writing intensive course

**Oral intensive course

Business**Business 101. Introduction to Business**

Role of business in society; careers in business; and introductory material concerning each of the functional areas of business studies.

Credit: 3 hours

Business 303. Business Law I

General legal principles and processes followed in business. Not for Business majors.

Credit: 3 hours (Fall)

Business 304. Business Law II

Legal environment of business, with emphasis on an analytical and managerial view of the law as it relates to business operations and organization. Not for Business majors.

Prerequisite: Business 303

Credit: 3 hours (Spring)

Business 305. Legal Environment of Business

General principles of law applicable to the business setting and how they are integrated into the business environment by way of problem solving and decision making. Credit may not be applied toward graduation for 303, 304. Course only available to junior and senior business majors.

Credit: 3 hours

Business 308. Business Statistics

Use of statistics for decision making; statistical description; frequency distributions; significance testing, sampling and other statistical techniques as applied to business problems.

Prerequisite: Math 117 or 120

Credit: 3 hours

Business 323. Production and Operations Management

Plant location, layout, and efficient operation. Includes practical applications of quantitative techniques such as linear programming, waiting-line problems, inventory control, and network analysis.

Prerequisite: Business 308, Management 212

Credit: 3 hours

Business 331. Music Business Seminar I (Music 331)

Career information, survey of music businesses, synthesis of music and business courses. Readings in professional journals. Designed for the junior music business student. One class hour per week.

Credit: 1 hour (Fall)

Business 332. Music Business Seminar II (Music 332)

Continuation of Music Business Seminar I. Reading and discussion of music business topics. Research on contemporary issues. Designed for the junior music business student. One class hour per week.

Credit: 1 hour (Spring)

Business 417. Business Strategy**

Capstone course for knowledge of the various functional areas of business from a top management viewpoint of company operations. Focus on top management's role in strategy formulation and long-range planning in a dynamic environment. Capstone course for Accounting, Finance, Management, and Marketing majors.

Prerequisites: Accounting 254, Economics 222, Finance 318, Management 212, Marketing 221, senior classification.

Credit: 3 hours

Business 451. Music Merchandising (Music 451)

Synthesis of individual music and business courses. Copyright laws, publishing of music; performing rights; manufacturing, distribution, and sales of instruments; and other pertinent topics. Three class hours per week.

Prerequisite: Consent of instructor.

Credit: 3 hours (Fall, alternate years)

Business 460. Music-Business Internship/Seminar (Music 460)

Directed field experience in areas of business related to music. Intended for the senior music-business student. (See Chapter 4, *practicum, field experience, internship*) Capstone course for the major. Students under supervision of Wingate University faculty.

Prerequisite: Consent of instructor.

Credit: 3 hours

Business 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

Business 498. Independent Study

Requires consent of the Dean of the School of Business. Must be approved and supervised by a faculty member.

Credit: 3 hours

Business 499. Internship in Business

Requires consent of the Dean of the School of Business. Must be approved and supervised by a faculty member.

Credit: 3 hours

** Writing intensive course*

***Oral intensive course*

Chemistry

Chemistry 100. Fundamentals of Chemistry

Major concepts of general chemistry. Atomic and molecular structure, bonding, types of reactions, acid-base chemistry, solution chemistry, equilibrium, oxidation-reduction and an introduction to organic chemistry.

Three hours lecture and three hours lab per week.

Credit: 4 hours

Chemistry 101. Principles of Chemistry I

The first half of an integrated two-semester sequence. Coverage includes the nature of matter, chemical equations and stoichiometry, gases, and chemical equilibrium. Three hours lecture and three hours lab per week.

Credit: 4 hours (Fall)

Chemistry 102. Principles of Chemistry II

Second of a two-part integrated sequence. Thermochemistry and equilibria, electrochemistry and oxidation-reduction, chemical kinetics, atomic structure (quantum mechanics), chemical bonding, and spectroscopy. Three lecture and three hours lab per week.

Prerequisite: Chemistry 101

Credit: 4 hours (Spring)

Chemistry 201. Organic Chemistry I

Chemical bonding; introduction to stereochemistry and spectroscopy; survey of common functional groups. Three hours lecture, three hours lab.

Prerequisite: Chemistry 102 with at least a C

Credit: 4 hours (Fall)

Chemistry 202. Organic Chemistry II

Continuation of functional group survey with emphasis on selected topics of biological importance. Three hours lecture, three hours lab.

Prerequisite: Chemistry 201

Credit: 4 hours (Spring)

Chemistry 291, 292. Introduction to Chemical Research I & II

An introduction to the development, methodologies, management, and presentation of chemical ideas, proposals, and research. The topics will also include current awareness methods, the laboratory notebook, ethics in research, library and Internet resources, the use of Chemical Abstracts, and presentations by students and faculty. Student affiliation in the American Chemical Society is required. One lecture per week.

Prerequisites: Sophomore level or consent of instructor.

Credit: 1 hour

Chemistry 311. Physical Chemistry I

A detailed study of gas laws, general thermodynamics, chemical thermodynamics, and equilibrium. Three hours lecture, three hours lab. Capstone course in the major.

Prerequisite: Chemistry 202, Math 220, Physics 202/consent of instructor.

Credit: 4 hours

Chemistry 312. Physical Chemistry II

A detailed study of kinetics, quantum mechanics, spectroscopy, and solid-state properties. Three hours lecture, three hours lab. Capstone course in the major.

Prerequisite: Chemistry 311

Credit: 4 hours

Chemistry 331. Analytical Chemistry I

A study of the methods, techniques, and problems in chemical analysis. Includes error analysis; equilibrium analysis focusing on acid-base, complexation, precipitation, and oxidation-reduction reactions; introductory spectroscopy; and chromatography covering both gas and liquid techniques. Three hours lecture, three hours lab.

Prerequisite: Chemistry 102

Credit: 4 hours (Fall)

Chemistry 332. Analytical Chemistry II

Basic instrumental analysis featuring electronic, electrochemistry, atomic spectroscopy, molecular spectroscopy, and NMR. Three hours lecture, three hours lab.

Prerequisite: Chemistry 331

Credit: 4 hours (Spring, odd years)

Chemistry 391, 392. Junior Research I & II

The active investigation of a chemical research problem under the direct supervision of the chemistry faculty. Includes participation in the CHEM 291, 292 Introduction to Chemical Research course. One lecture and one lab per week.

Prerequisite: Junior level and consent of instructor.

Credit: 2 hours

Chemistry 413. Inorganic Chemistry

A unified study of the non-carbon elements with an emphasis on properties, periodic trends, and reactions. Three hours lecture and three hours lab.

Prerequisite: Chemistry 202

Credit: 4 hours

Chemistry 420. Advanced Organic Chemistry

Application and extension of topics of Chemistry 202. Stereochemistry, synthesis and hetero-organic compounds. Three hours lecture, three hours lab.

Prerequisite: Chemistry 202

Credit: 4 hours

Chemistry 424. Principles of Biochemistry (Biology 424)

Structure and function of proteins, carbohydrates, and lipids. Pathways of intermediary metabolism emphasizing cellular location, thermodynamics, and regulation of rate-limiting enzymes. Signal transduction across membranes, and integration and hormonal regulation of metabolism. Three hours lecture.

Prerequisites: "C" or above in Chemistry 202; Biology 150

Credit: 3 hours (Fall)

Chemistry 425. Biochemistry (Biology 425)

Structure and function of proteins, carbohydrates and lipids. Pathways of intermediary metabolism emphasizing cellular location, thermodynamics and regulation of rate-limiting enzymes. Signal transduction across membranes, and integration and hormonal regulation of metabolism. Three hours lecture, three hours lab.

Prerequisites: Chemistry 201, 202

Credit: 4 hours (Fall)

Chemistry 450. Hazardous Materials and Chemical Safety

Properties and reactions of hazardous materials. Fire prevention and control, chemical storage and labeling, safety procedures, and transportation regulations. Three hours lecture/demonstration.

Prerequisite: Chemistry 202

Credit: 3 hours

Chemistry 470. Current Topics in Chemistry

Investigation of chemical topics of current interest. The choice of topics will be based on the students' backgrounds and interests, the topics of current interest in the chemical literature, and those topics that would supplement the students' other chemistry courses.

Prerequisite: Chemistry 202

Credit: 3 hours

Chemistry 491, 492. Senior Research I & II

An active investigation of a chemical research problem under the direct supervision of the chemistry faculty. Includes participation in the CHEM 291,192 Introduction to Chemical Research course. One lecture and two labs per week.

Prerequisite: Senior level and consent of instructor.

Credit: 3 hours

Chemistry 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

Communication

Note: Other courses in Communication are described in Journalism, Media Arts and Speech Communication listings.

Communication 306. Qualitative Research

A study of the process of qualitative Communication Research. Methodologies such as archival research, interviewing and focus groups, observational techniques, and content analysis are used in carrying out a research project. Taught on demand.

Prerequisite: Junior standing and permission from instructor

Credit: 3 hours

Communication 325. Public Relations

History, functions, research methods, tools, and applications of public relations.

Prerequisite: Business 322/Journalism 301 (both recommended)

Credit: 3 hours (Spring)

Communication 341. Music Communication Seminar I (Music 341)

Career information, survey of media producers, synthesis of music and communications courses. Readings in professional journals. Designed for the junior music communication student. One class hour per week.

Credit: 1 hour (Fall)

Communication 342. Music and Communication Seminar II (Music 342)

Continuation of Music Communication Seminar I. Reading and discussion of music communications sources. Research on contemporary issues. Designed for the junior music communication student. One class hour per week.

Credit: 1 hour (Spring)

Communication 420. Internship in Communication Studies

Directed field experience in selected areas of communication. Requires consent of the chair of the Communication Studies department. (*See Chapter 4, practicum, field experience, and internship.*) Students are under the supervision of Wingate University faculty.

Credit: 3-12 hours

Communication 430. Advanced Public Relations

Further pre-professional training in producing public relations activities and executing public relations strategies. Emphasis on case studies, campaigns and advanced media relations practices.

Prerequisite: Communication 325

Credit: 3 hours (Fall, alternate years)

Communication 441. Music in Communication (Music 441)

Study of the functions of music in mass communications. Application through scoring commercials and underscoring drama. Three class hours per week.

Prerequisites: Music 343, consent of instructor

Credit: 3 hours (Spring, alternate years)

Communication 442. Music Communication Internship (Music 442)

Directed field experience in areas of communication which include music. Intended for the senior music communication student. (*See Chapter 4, practicum, field experience, and internship.*)

Prerequisite: Consent of instructor

Credit: 3 hours

Communication 449. Independent Study

Pursuit of a special project in communications. Requires consent of Instructor and Department Head. May be repeated for a total of six credit hours. (*See Chapter 4, independent study.*)

Credit: 3 hours

Communication 460. Special Topics in Communication Studies

Special topics relating to journalism, media arts, public relations, theater, or speech communication. May be taken up to three times as topics vary.

Credit: 3 hours

Communication 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

Computer Science.....

Computer Science 104. Introduction to Computers and Applications

Fundamentals of computers and development of basic application skills are taught using a “hands on” approach. The course includes an introduction to computer terminology, operating systems, networks and hardware. Internet research techniques will also be developed.

Credit: 3 hours

Computer Science 110. Introduction to Management Information Systems

Fundamentals of management information systems and applications of computers in business. Overview of computer systems and resources with an emphasis on understanding the relationship between the business decisions made by an organization and the hardware and software which support those decisions. Some practical methods/applications for using the computer to solve business problems will be included.

Credit: 3 hours

Computer Science 120. Computing I

This course introduces the student to the basic concepts of the discipline of computing, emphasizing elementary facts concerning computer architecture, programming languages, software methodology, and algorithms. Considerable time is devoted to learning how to solve problems using an appropriate programming language. Basic principles of program design and implementation are introduced. Abstract data types, sorting and searching are treated at an elementary level.

Credit: 3 hours

Computer Science 220. Computing II

This course continues the development of basic topics in computer organization, programming languages and software methodology. It introduces some elementary numerical methods. It introduces the society and professionalism subject area. Specific topics include further exposure to basic data structures (such as linked lists), an introduction to recursion and the machine level representation.

Prerequisite: Computer Science 120 or equivalent

Credit: 3 hours (Spring)

Computer Science 256. Desktop Publishing (English 256)

An introduction to desktop publishing and fundamentals of design, including lay-out, formatting, imaging, and publishing. Assignments will include letterhead design, brochures, manuals, newsletters, and web pages using desktop publishing software and equipment.

Prerequisite: English 102

Credit: 3 hours

Computer Science 301. Software Analysis and Design

This course provides a rigorous introduction to software methodology and engineering. The emphasis is on rigorous techniques for software specification and design, verification and validation. An ambitious application is introduced, according to the interests of the instructor. Operating system and database issues relating to security and protection are introduced.

Prerequisites: Ability to program in a high level language

Credit: 3 hours (Fall)

Computer Science 302. Database Management Systems

Design and management of database systems. Management of data resources to support information systems in organizations.

Prerequisite: Computer Science 110

Credit: 3 hours (Spring, odd years)

Computer Science 305. File Processing and Organization

Sequential file handling, building and accessing indexed files, sequential access methods, random access methods, advanced program design.

Prerequisite: Computer Science 220

Credit: 3 hours (Spring, odd years)

Computer Science 320. Data Structures and Analysis of Algorithms

This course covers data structures and algorithms in some depth. Topics covered include data structures (developed in more depth than in CS 220), a more formal treatment of recursion, an introduction to basic problem solving strategies, an introduction to complexity analysis, complexity classes and an introduction to the theory of computability and undecidability. Sorting and searching algorithms are presented in the light of the presentation of problem-solving strategies and complexity issues. Finally, parallel and distributed algorithms are introduced briefly.

Prerequisites: Computer Science 220

Credit: 3 hours (Fall)

Computer Science 330. Management Information Systems

Theory and practice of management information systems focusing primarily on design and utilization of computer-based information systems. Systems analysis and design from management perspective.

Prerequisite: Computer Science 110/Management 212

Credit: 3 hours (Fall)

Computer Science 335. Computer Architecture

This course introduces the fundamentals of digital logic, digital systems and digital systems design. Beginning with the fundamental building blocks of digital systems at the digital logic level, this course emphasizes different levels of integration. A considerable amount of time is devoted to memory system organization and architecture, including the physical implementation of large memory systems.

Prerequisite: Computer Science 220

Credit: 3 hours (Spring)

Computer Science 350. Current Topics in Programming**

This course is designed to cover topics that are not covered in other courses but that are of current interest in the area of computing. The choice of topics will be based on the interests and needs of students. This course is designed to supplement the computer science curriculum.

Prerequisites: Junior standing and the ability to program in at least one programming language or the consent of the instructor

Credit: 3 hours

Computer Science 401. Systems Analysis and Design Applications*

Special project assignments requiring application of principles of systems analysis and design.

Prerequisite: Computer Science 301

Credit: 3 hours (Spring)

Computer Science 405. Advanced Programming

Major programming projects in a high-level programming language. This is the capstone course for the Computer Science major.

Prerequisite: 15 hours in CS 200 level or above/ consent of instructor

Credit: 3 hours

Computer Science 416. Computer Networks

Basic concept of data communication, networking and connectivity; knowledge of the structure and operation of a computer network operating system; strategies and procedures required to manage a network of computer users. Offered on demand.

Prerequisite: Computer Science 220/330/consent of instructor

Credit: 3 hours (Spring, even years)

Computer Science 420. Assembly Language

This course introduces assembly level machine organization and assembly language programming. Topics include instruction sets and types, addressing modes, input/output and interrupts, modularity, partitioning and redundancy. This is followed by the treatment of interfacing and communications and alternate architectures.

Prerequisites: Computer Science 330

Credit: 3 hours (Fall)

Computer Science 430. Operating Systems & File Organization

This course provides a thorough introduction to operating systems and file organization. Operating systems topics include tasking and processes, processes coordination and synchronization, physical and virtual memory organization, communications and networking, distributed operating systems and real-time concerns. File systems are introduced, leading to a treatment of database systems with an emphasis on file organization techniques.

Prerequisites: Computer Science 330
Credit: 3 hours

Computer Science 450. Theory of Computation

This course introduces the theory of computability, including important results from the study of automata and formal languages. The course begins with a discussion of automata and their relationship to regular, context free and context-sensitive languages. General theories of computability are presented, including Turing machines, recursive functions and lambda calculus. Notions of decidability and undecidability are discussed and this is related to complexity analysis. Finally, approaches to formal program semantics are presented and analyzed, leading to a brief introduction to the topic of formal program verification.

Prerequisites: Math 242
Credit: 3 hours.

Computer Science 498. Independent Study

Selected topic under faculty supervision. Requires consent of the chairperson of the division.
Credit: 3 hours

**Writing intensive course*
***Oral intensive course*

Creative Writing.....

Creative Writing 330. Poetry and Creative Writing (English 330)

Poetry from various periods and countries with emphasis on structure and meaning combined with creative writing techniques.

Prerequisite: English 102
Credit: 3 hours (Spring)

Creative Writing 335. Fiction-Writing (English 335)

The study of the craft of fiction (structure, scene, setting, characterization, dialogue, atmosphere, point of view, theme) in published models and in the production/revision of student work. Student writing examined in class and in conference with instructor. Not for GER credit.

Prerequisite: English 102
Credit: 3 hours

Creative Writing 336. Drama/Script-Writing (English 336)

Study of the craft of tele-scripting, screenwriting, and the stage play. Emphasis on published models and productions. Student writing examined in class and in conference with instructor. Not for GER credit.

Prerequisite: English 102
Credit: 3 hours

Creative Writing 337. Writing Creative Nonfiction (English 337)

Study of literary autobiographies and essays as the basis for the composition of original creative nonfiction. Major project will be the composition and revision of 30-40 pages of original creative nonfiction. Not for GER credit.

Prerequisite: English 102
Credit: 3 hours

Economics

Economics 221. Principles of Microeconomics

An introduction to price theory and forms of market organization. This includes the theory of demand and supply for goods and services and an analysis of how markets operate to produce and allocate those goods and services.

Credit: 3 hours (Recommended Fall)

Economics 222. Principles of Macroeconomics

An introduction to the macro-economy including economic growth and national income, money and inflation, employment and business cycles. Current topics may be included.

Prerequisite: Economics 221/consent of instructor.

Credit: 3 hours (Recommended Spring)

Economics 321. Intermediate Microeconomics

Intermediate level treatment of the theory of price. Topics include consumer demand, production theory, factor pricing, and market structures.

Prerequisite: Economics 221, 222, with a "C" or better.

Credit: 3 hours (Fall)

Economics 322. Intermediate Macroeconomics*

Intermediate level treatment of theories of national income determination and growth, business cycles and employment, inflation and the general price level.

Prerequisite: Economics 221, 222, with a "C" or better.

Credit: 3 hours (Spring)

**Writing intensive course*

Education

Education 201. Foundations of Education

Historical, philosophical, and social foundations of education; the governance of education; patterns of school organization; trends in education; and professionalism. Intended to assist in the decision to pursue a career in education. Field experience includes 10 hours of observation/participation in a public school classroom.

Credit: 3 hours

Education 205. Educational Psychology

Theories of learning; maximizing learning and retention; motivation; classroom management and control; working with disadvantaged and gifted learners; fostering creativity; testing and evaluation. Includes 12 hours of field experience. Projects focused at licensure level.

Prerequisite: Sophomore standing/consent of instructor.

Credit: 3 hours

Education 305. Special Education

Basic/general knowledge concerning identification, characteristics, needs, and trends in the educational programming for children with handicapping conditions. Includes 12 hours of field experience.

Prerequisite: Education 205

Credit: 2 hours

Education 307. Language Arts Methods (K-8)**

An overview of methods and techniques for teaching basic communication skills; principles and techniques of language arts instruction; integration of Language Arts and the other subjects, preparation and use of lesson plans, and a 15 hour field-based tutorship.

Prerequisites: Education 201, 330

Credit: 3 hours (Spring)

Education 308. Reading Foundations K-8

Emphasis will be placed on the reading process, readiness for reading instruction, methods of teaching reading, attitudes regarding reading, cultural diversity as it affects learning to read and the teaching of reading, essential skills related to word processing and comprehension, and the interrelatedness of all modes of communication. Different types of reading materials will be evaluated and current literature on the teaching of reading, as well as current public school practices will be discussed. Includes a 15-hour field-based experience.

Prerequisites: Education 201, 330

Credit: 3 hours (Spring)

Education 321. Diagnosis and Correction of Reading and Learning Problems*

Strategies for diagnosing difficulties in reading and other subject areas, writing individual educational prescriptions, implementing individualized programs of instruction, conferring with parents, and utilization of other professional resources. Involves a comprehensive case study and a 15-hour field-based experience. Projects focused at licensure level.

Prerequisites: Education 201, 308, 330

Credit: 3 hours (Fall)

Education 322. Teaching Reading in the Content Areas*

Strategies for teaching pertinent reading skills including word analysis and work-study skills in major content areas; techniques for assessing readability and other characteristics of textbooks as well as determining the reading levels of students; non-reading alternatives for helping non-reading students. Projects focused at licensure level. 15 hour field-based tutورشip.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 323. Children's Literature (K-6)*

Study of literary preferences and needs of children in grades K-6. Methods and techniques for presenting literature, including story telling, puppetry, creative dramatics, and story reading. Development of a resource file of titles and descriptions for use in teaching. Includes 12 hours of field experience.

Prerequisite: Education 201, 330

Credit: 3 hours (Spring)

Education 324. English Methods for Secondary Teachers*

Methods, materials, techniques, and content for teaching English on the secondary level. Sources and uses for supplementary materials, activities, and devices. Includes component on the writing process. Simulated or real field experience. Open only to English majors seeking secondary education licensure. Capstone course in English and Education major. Includes 15 hours of field experience.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 325. Adolescent Literature (6-9, 9-12)*

Literary preferences and needs of students at the middle and secondary levels. Includes the use of creative dramatics and story reading. Development of a resource file of titles and descriptions for use in teaching. Projects focused at licensure level. Includes 10 hours of field experience.

Prerequisites: Education 201, 330

Credit: 3 hours (Spring)

Education 330. Curriculum and Instruction*

Concepts of curriculum theory, curricular design, curriculum planning, test design and interpretation, classroom organization and management, the special child. Audio-visual component. Ten hours field experience. Projects focused at certification level. For all teacher education majors.

Prerequisites: Education 201, 205

Credit: 3 hours

Education 331. Middle Grades Curriculum and Instruction*

Uniqueness of middle grades; curriculum content and structure, instruction, motivation, general teaching methodologies, remediation, enrichment strategies, appropriate test and evaluation strategies. Includes 15 hours field experience appropriate to concentrations. For all middle grades education majors.

Prerequisites: Education 201, 330

Credit: 3 hours (Spring)

Education 335. Classroom Strategies for the Secondary (9-12) Teacher

This course will provide an introduction to teaching methods that are common to all subjects at the secondary level. Topics will include cooperative learning, discovery learning, direct instruction, questioning techniques, differentiation of instruction for diversity, appropriate use of technology, and basic issues of assessment. Includes approximately 12 hours of field observation and participation.

Prerequisites: Education 201, 205, 330

Credit: 2 hours (Spring, alternate years)

Education 353. Science Methods (K-6)*

Content, material and strategies for teaching science in grades K-6. Simulated and classroom science teaching experience appropriate for student goals. Development of lesson plans, a unit, discovery oriented activities, technology resources for instruction, and long term observational experiments. Includes 10 hours of field experience.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 354. Middle Grades and Secondary Science Methods*

Methods, materials, techniques and relevant content for teaching science on the middle grades (6-9) and secondary (9-12) levels. Development of lesson plans, a unit, demonstrations, labs, long term experimentation, and technology resources for instruction along with stimulated and field teaching experiences.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 358. Mathematics Methods (K-6)*

An overview of the essential components basic in mathematics; methods and techniques for teaching mathematics in the elementary grades; diagnosis and correction techniques; integration within mathematics and with other subjects; techniques for working with the special child; selection and use of technology in the teaching of mathematics; design and use of lesson plans. Includes approximately 12 hours of field experience and participation.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 359. Middle Grades Mathematics Methods*

An overview of the essential components in middle grades mathematics. Methods and techniques for diagnosing, correcting, teaching and evaluating mathematics in grades 6-9. Consideration of appropriate techniques for the special child, consideration and use of appropriate technologies, design and use of lesson plans. Includes approximately 12 hours of field experience and participation.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 360. Mathematics Methods (9-12)*

Teaching methodology in secondary mathematics. Mastery of curriculum content, historical scope and sequence. Selection and use of technology in the teaching of mathematics. Consideration of appropriate math experiences for the exceptional child. Restricted to mathematics education majors. Includes approximately 12 hours of field observation and participation.

Prerequisites: Education 201, 330; Math 300, 330, 400

Credit: 3 hours (Fall)

Education 365. Art Methods for Elementary Education (K-6)* (Art 365)

Comprehensive program of arts/crafts. Variety of drawing and painting techniques and craft processes including printmaking, paper mache, fabric projects, and collage. Portfolio of projects required upon completion of the course. Includes 8 hours of field experience.

Prerequisites: Education 201, 330

Credit: 2 hours (Spring)

Education 366. Teaching Methods for Art Majors (K-6)* (Art 366)

Theories and practices influential in contemporary art education for grades K-6. Curriculum planning, practical experiences, and laboratory projects identify problems and explore concepts in elementary and secondary school art. Includes 8 hours of field experience.

Prerequisites: Education 201, 330

Credit: 2 hours

Education 367. Teaching Methods for Art Majors (6-12) (Art 367)

Art teaching methods and materials for grades 6-8 and 9-12. Topics include philosophy, curriculum, evaluation, and procedures for art classroom arrangements and management, studio art techniques for specific age levels, mounting and presenting exhibitions, safety factors with art media and tools, methods for research in art history, and portfolio preparation. Includes 8 hours of field experience.

Credit: 2 hours

Education 371. Elementary Music Methods (Music 371)

Music teaching methods and materials for the elementary classroom (K-5). Philosophy of music in the education of children. Approaches of Orff, Kodaly, and Weikart which include language and movement. Skills and techniques for using the singing voice, recorder, autoharp, and percussion instruments in the elementary classroom. Three class hours per week. Includes 12 hours of observation/participation.

Credit: 2 hours

Education 372. Middle School Music Methods (Music 372)

Music teaching methods and materials for middle school (6-8). Topics include philosophy, curriculum, evaluation, discipline, and techniques for general music classes and ensembles. Skills and techniques for using guitar and electronic instruments. Three class hours per week. Includes 12 hours of observation/participation.

Credit: 2 hours

Education 373. Secondary Music Methods (Music 373)

Music teaching methods and materials for high school (9-12). Topics include organizing choral and instrumental ensembles. Materials and techniques for teaching music appreciation and music theory. Three class hours per week. Includes 12 hours of observation/participation.

Credit: 2 hours

Education 377. Music Methods for Elementary Education (Music 377)

Music teaching methods and materials for the elementary classroom teacher. Philosophy of music in the education of children. Fundamentals of music notation and terminology. Basic skills for singing and using musical instruments in the elementary classroom. Three class hours per week. Includes 8 hours of field experience.

Credit: 2 hours (Spring)

Education 380. Elementary Physical Education Methods (K-4, K-6)* (Physical Education 380)

Physical education teaching methods for the elementary school curriculum. Topics include: developmentally appropriate physical activities, physical fitness for children, and the Skill Theme approach to movement. Includes 10 hours of field experience.

Prerequisites: Education 201, 205, 330

Credit: 2 hours (Fall)

Education 390. Social Studies Methods (9-12)*

Role of the social studies in a spiral curriculum. Methodologies derived from learning theories and the nature of the social sciences are considered as sources for instruction strategies. Includes 15 hours of field experience.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 393. Social Studies Methods (K-6)

An overview of basic social studies skills, methods and techniques for teaching social studies in the elementary grades, integration of social studies with other subjects, techniques and methods for teaching the special child, preparation and use of lesson plans. Field-based teaching requirement. Includes 10 hours of field experience.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 395. Middle Grades Social Studies Methods*

An overview of and methods and techniques for teaching social studies in grades 6-9; integration with other subjects; techniques for teaching the special child; preparation and use of lesson plans. Includes 12 hours of field experience.

Prerequisites: Education 201, 330

Credit: 3 hours (Fall)

Education 400. Student Teaching Seminar

A weekly 2-hour seminar that provides for presentation of additional information, discussion of professional issues, discussion of concerns and issues directly related to the on-going student teaching experience, and discussion of ethical issues and decision-making in teaching.

Prerequisite: Completion of all University and program requirements.

Co-requisites: 440a, 440b, 440c; 442a, 442b, 442c; 443a, 443b; 444a, 444b, 444c; 460a, 460b, 460c; 465a, 465b, 465c; 470a, 470b, 470c; 475a, 475b, 475c; 486a, 486b, 486c; or 487a, 487b, 487c.

Credit: 3 hours

Education 420. Investigations in Reading

Historical development, current research and trends in reading instructions; organization and administration of reading programs; choosing, developing and using resources for reading instruction. Capstone course for the major in Reading/Elementary Education.

Prerequisites: Education 201, 330

Credit: 3 hours

Education 440a (K-6) Elementary Education Student Teaching: Instructional Preparation**440b (K-6) Elementary Education Student Teaching: Instructional Presentation****440c (K-6) Elementary Education Student Teaching: Classroom Organization and Management**

Supervised 15-week internship in teaching the elementary grades K-6. Involves observation, participation, and structuring an educational environment. Three grades given: 440a-3 hours credit, 440b-3 hours credit, 440c-3 hours credit. Student teaching fee assessed.

Prerequisite: Completion of all other University and program requirements and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 442a Music Student Teaching: Instructional Preparation**442b Music Student Teaching: Instructional Presentation****442c Music Student Teaching: Classroom Organization and Management**

Supervised internship in music education. Involves observation, participation, and structuring an educational environment. Student teaching fee assessed.

Prerequisites: Completion of all other University requirements, permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 443a (9-12) Social Studies Student Teaching: Instructional Preparation**443b (9-12) Social Studies Student Teaching: Instructional Presentation****443c (9-12) Social Studies Student Teaching: Classroom Organization and Management**

Supervised 15-week internship in teaching secondary (9-12) social studies. Involves observation, participation, and structuring an educational environment. Three grades given: 443a-3 hours credit, 443b-3 hours credit, 443c-3 hours credit. Student teaching fee assessed.

Prerequisite: Completion of all other University and program requirements and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 444a Middle Grades Student Teaching: Instructional Preparation**444b Middle Grades Student Teaching: Instructional Presentation****444c Middle Grades Student Teaching: Classroom Organization and Management**

Supervised 15-week internship in teaching the middle grades (6-9) in appropriate areas of concentration.

Involves observation, participation, and structuring an educational environment. Three grades given: 444a-4 hours credit, 444b-4 hours credit, 444c-5 hours credit. Student teaching fee assessed.

Prerequisite: Completion of all other University and program requirements and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 460a (9-12) Mathematics Student Teaching: Instructional Preparation

460b (9-12) Mathematics Student Teaching: Instructional Presentation

460c (9-12) Mathematics Student Teaching: Classroom Organization and Management

Supervised 15-week internship in teaching secondary (9-12) mathematics. Involves observation, participation, and structuring an educational environment. Three grades given: 460a-3 hours credit, 460b-3 hours credit, 460c-3 hours credit. Student teaching fee assessed. Capstone course for the major.

Prerequisite: Completion of all other University and program requirements and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 465a (9-12) English Student Teaching: Instructional Preparation

465b (9-12) English Student Teaching: Instructional Presentation

465c (9-12) English Student Teaching: Classroom Organization and Management

Supervised 15-week internship in teaching secondary (9-12) English. Involves observation, participation, and structuring an educational environment. Three grades given: 465a-3 hours credit, 465b-3 hours credit, 465c-3 hours credit. Student teaching fee assessed.

Prerequisite: Completion of all other University and program requirements and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 470a (9-12) Science Student Teaching: Instructional Preparation

470b (9-12) Science Student Teaching: Instructional Presentation

470c (9-12) Science Student Teaching: Classroom Organization and Management

Supervised 15-week internship in teaching secondary (9-12) Biology and Chemistry. Involves observation, participation, and structuring an educational environment. Three grades given: 470a-3 hours credit, 470b-3 hours credit, 470c-3 hours credit. Student teaching fee assessed.

Prerequisite: Completion of all other University and program requirements and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 475a Art Student Teaching: Instructional Preparation

475b Art Student Teaching: Instructional Presentation

475c Art Student Teaching: Classroom Organization and Management

Supervised internship in teaching art. Involves observation, participation, and structuring an educational environment for art. Student teaching fee assessed.

Prerequisites: Education 201, 205, 322, 366, 367 and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 486a (K-12) Reading/Elem. Ed. Student Teaching: Instructional Preparation

486b (K-12) Reading/Elem. Ed. Student Teaching: Instructional Presentation

486c (K-12) Reading/Elem. Ed. Student Teaching: Classroom Organization and Management

Two-phase supervised internship in teaching: 10 weeks in elementary grades K-6, 5 weeks in remedial reading lab. Involves observation, participation, and structuring an educational environment. Three grades given: 486a-3 hours credit, 486b-3 hours credit, 486c-3 hours credit. Student teaching fee assessed.

Prerequisite: Completion of all other University and program requirements and/or permission of the Dean of the School of Education with approval from the Teacher Education faculty.

Co-requisite: Education 400

Credit: 9 hours

Education 487a Student Teaching: Instructional Preparation

An introduction to public affairs reporting and advanced information gathering techniques. Use of public records, databases and other computer-based resources.

Prerequisite: Journalism 301

Credit: 3 hours (Fall, even years)

Journalism 410. Feature Writing

Feature article writing for newspapers and magazines with frequent writing assignments aimed toward publication.

Prerequisite: Journalism 301

Credit: 3 hours (Spring)

Journalism 412. Editorial Writing

Editorial and opinion writing in print and broadcasting. Taught on demand.

Prerequisite: Journalism 301

Credit: 3 hours

Journalism 425. Sports Reporting

Application of the principles of news reporting and writing to sports-related topics.

Prerequisite: Journalism 301

Credit: 3 hours (Spring, even years)

Management

Management 212. Principles of Management

Principles underlying the organization, management, and operation of business activities. Emphasis on the creation and maintenance of the administrative organization, the definition of goals, and the diagnosis and solution of problems which may result from changing conditions.

Prerequisite: Sophomore standing/consent of instructor.

Credit: 3 hours

Management 306. Managerial Communication

Practice in frequently prepared written communications, media, memoranda, letters, instructions, procedures, proposals, and guidelines. Integration with oral dimensions; interpersonal and technological considerations.

Credit: 3 hours (Spring)

Management 313. Human Resource Management

Procurement, development, utilization, and maintenance of an effective work force.

Prerequisite: Management 212

Credit: 3 hours (Spring)

Management 315. Small Business Management/Entrepreneurship

This course provides study of the small business sector within a free enterprise system; examines the startup process; and reinforces managerial techniques for the continuing success of small firms.

Prerequisites: Management 212, Marketing 221, Finance 318

Credit: 3 hours (Spring)

Management 416. Organization Theory and Behavior (Sociology 416)

Impact of different types of markets, technologies, and other factors on the design of organizational structures and the behavior of organization members. Leadership in the goal-directed organization including conflict management, motivation, communications, and decision-making.

Prerequisite: Management 212

Credit: 3 hours (Fall)

Management 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

Management 498. Independent Study

Requires consent of the Dean of the School of Business. Must be approved and supervised by a faculty member.

Credit: 3 hours

Management 499. Internship in Management

Requires consent of the Dean of the School of Business. Must be approved and supervised by a faculty member.

Credit: 3 hours

Marketing

Marketing 221. Principles of Marketing

Marketing organization and methods with emphasis upon functions and channels as they relate to the manufacturer, wholesaler, and consumer.

Credit: 3 hours

Marketing 322. Marketing Communications Strategy

Emphasis on Integrated Marketing Communications and its role in the marketing mix. All aspects of promotion strategy including advertising, public relations, direct mail, sales promotion, and personal selling are reviewed along with their critical roles for company success. A basic understanding of the principles of marketing is necessary for students to maximize their learning experience in this course.

Prerequisite: Marketing 221

Credit: 3 hours

Marketing 324. Business Research

Research and uses of business information in relationship to information, statistics, and practical applications.

Prerequisite: Business 308, Marketing 221

Credit: 3 hours (Fall)

Marketing 401. Business-to-Business Marketing

The study and application of marketing principles to industrial and organizational markets. Topics include business market segmentation, organizational buyer behavior, vendor analysis, buyer-seller relations, negotiation and ethics.

Prerequisite: Marketing 221

Credit: 3 hours (Spring)

Marketing 402. Consumer Behavior

Examination of the cultural, social, and individual factors affecting consumer decision processes and usage. Additional focus is on how these factors are incorporated in marketing strategies.

Prerequisite: Marketing 221

Credit: 3 hours

Marketing 403. Sales and Sales Management

Examination of the selling process and management of the personal selling function in an organizational setting. Emphasis on the economic aspects of salesmanship, the role of salespeople in the buyer-seller relationship, and the management of the sales force including market analysis, price policies, and budgets.

Prerequisite: Marketing 221

Credit: 3 hours (Spring)

Marketing 404. E-Commerce

Explores the use of the Internet and World Wide Web as an integral part of a firm's marketplace strategy. Website design, EDI (electronic data interface) and the role of e-commerce in consumer and business-to-business markets will be covered. The functions (e.g. distribution, promotion, accounting, market research, etc.) which e-commerce can perform will be applied to both web-based and traditional ("bricks and mortar") businesses.

Prerequisites: Computer Science 110; Marketing 221

Credit: 3 hours (Alternate years)

Marketing 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

Marketing 498. Independent Study

Requires consent of the Dean of the School of Business. Must be approved and supervised by a faculty member.

Credit: 3 hours

Marketing 499. Internship in Marketing

Requires consent of the Dean of the School of Business. Must be approved and supervised by a faculty member.

Credit: 3 hours

Mathematics**Mathematics 100. Intermediate Algebra**

An introduction to basic algebraic operations as applied to polynomial, linear, and quadratic functions. Selected topics in analytic geometry are introduced. Restricted to students with less than two units of high school algebra or recommendation of mathematics faculty.

Note: This course does not fulfill the General Education Requirement for mathematics

Credit: 3 hours

Mathematics 106. Mathematics for Elementary Education I

An in-depth study of the real number system, with an emphasis on problem solving. Topics include an introduction to ancient enumeration systems, bases, modular arithmetic, statistics, and algebra. Restricted to majors in elementary and middle-grades education.

Credit: 3 hours

Mathematics 107. Mathematics for Elementary Education II

An introduction to geometry and mathematical reasoning, with computer applications. Activities include conjecturing, inventing, and problem solving. These activities are reinforced by using LOGO and Geometry Suppor software. A major objective is an understanding of how mathematics is connected to other fields of study. Restricted to majors in elementary education and middle-grades education.

Credit: 3 hours

Mathematics 109. Elementary Statistical Methods

An introduction to probability and statistics through the central limit theorem, with emphasis on the collection, presentation, and analysis of data relating to the humanities and social sciences. Restricted to students who do not have credit for an upper-level statistics course.

Credit: 3 hours

Mathematics 112. College Algebra

Algebraic operations as applied to polynomials, linear functions, quadratic functions exponential functions, equations, inequalities, and systems of equations. Selected topics in analytic geometry are included where possible. This course requires the minimum of a TI-82 calculator. Restricted to students who do not have credit for Math 115, 117, or Math 120.

Prerequisite: Two years of algebra and one year of geometry

Credit: 3 hours

Mathematics 115. Precalculus

Linear and quadratic functions, polynomial and rational functions, exponential and logarithmic functions, trigonometric identities. This course requires the minimum of a TI-83 calculator. Restricted to students who do not have at least a C in Math 120.

Prerequisite: Algebra I, Algebra II, and one year of geometry

Credit: 4 hours (Fall)

Mathematics 117. Calculus for Business Majors

Intended for students preparing for a career in business. The topics include derivatives of algebraic and exponential functions, an introduction to integration, functions of more than one variable, partial derivatives, and applications to fields of business and economics. Restricted to students who do not have credit for Math 120.

Prerequisite: Math 112 or equivalent

Credit: 3 hours (Spring)

Mathematics 120. Calculus and Analytic Geometry I

Rectangular coordinates in the plane, functions, limits, continuity, differentiation of algebraic and trigonometric functions, the application of derivatives and the differential, integration and the application of the definite and indefinite integral. The first of three semesters of a unified course in analytic geometry and calculus. For engineers, mathematics majors, and science majors.

Prerequisite: Math 115 or equivalent

Credit: 4 hours

Mathematics 209. Inferential Statistics

Introduction to methods of inferential statistics, stressing applications. Topics include introduction to probability, special distributions, confidence intervals, hypothesis testing, and linear regression. Designed for biology majors.

Credit: 3 hours (Spring)

Mathematics 220. Calculus and Analytic Geometry II

The second of three semesters of a unified course in analytic geometry and calculus. Transcendental functions, hyperbolic functions, methods of integration, polar coordinates, parametric equations, and series.

Prerequisite: Math 120

Credit: 4 hours (Spring)

Mathematics 242. Discrete Mathematics

Introduction to combinatorial analysis and graph theory. Topics include combinations, permutations and other counting methods, binomial and multinomial theorems, equivalence relations, graph theory, generating functions, and difference equations.

Prerequisite: Math 120

Credit: 3 hours (Fall)

Mathematics 300. College Geometry

Selected topics from Euclidean, nonEuclidean and solid geometry. Ideas and methods of geometry.

Prerequisite: Math 242

Credit: 3 hours (Spring, even years)

Mathematics 305. Calculus and Analytic Geometry III

The third of three semesters of a unified course in analytic geometry and calculus. Vector functions and their derivatives, partial differentiation, multiple integration, and vector analysis.

Prerequisite: Math 220

Credit: 4 hours (Fall)

Mathematics 308. Linear Algebra

Systems of equations, matrices, determinants, linear transformations, vector spaces and eigenvectors.

Prerequisite: Math 242

Credit: 3 hours (Spring)

Mathematics 310. Differential Equations

First order equations with variables separable; Euler's method of approximate solutions; physical and geometric applications. Linear equations of the first order; applications. Solutions of linear equations with constant coefficients; methods of undetermined coefficients; operators. Application to network and dynamical systems. Introduction to series-solutions.

Prerequisite: Math 305

Credit: 3 hours (Spring)

Mathematics 330. Statistics I

Continuous and discrete probability distributions, random variables, limit theorems, stochastic processes, sampling, estimation and hypothesis testing.

Prerequisite: Math 242

Credit: 3 hours (Fall, odd years)

Mathematics 331. Statistics II

Continuation of Math 330.

Prerequisite: Math 330

Credit: 3 hours (Spring, even years)

Mathematics 400. Abstract Algebra I*

Abstract algebra including rings, integral domains and fields.

Prerequisite: Math 308

Credit: 3 hours (Fall, even years)

Mathematics 401. Abstract Algebra II*

Groups, polynomial rings, ideals, quotient rings, Boolean algebras, and lattices.

Prerequisite: Math 400

Credit: 3 hours (Spring, odd years)

Mathematics 405. History of Mathematics

Study of early numeral systems, Egyptian and Babylonian Mathematics, Greek Mathematics, Chinese and Hindu Mathematics, Arabian Mathematics, Descartes, Pascal, Fermat, the development of Calculus, and an overview of mathematics since 1700 including abstract algebra and non-Euclidean geometry.

Prerequisite: Math 242

Credit: 3 hours (Fall, even years)

Mathematics 410. Introduction to Analysis*

An introduction to single-variable real analysis, the course covers sequences and series, the topology of the real line, limits, continuity, differentiation, and the Riemann integral. Emphasis on proof writing.

Prerequisites: Math 305, 308

Credit: 3 hours (Fall, odd years)

Mathematics 450. Special Topics

Topics selected from advanced calculus, topology, advanced modern algebra, combinatorics, number theory, or foundations. May be taken up to three times. Taught on demand.

Prerequisite: Consent of instructor.

Credit: 3 hours

Mathematics 460. Independent Study

Study of student-selected topic under faculty supervision. Taught on demand.

Credit: 3 hours

Mathematics 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

**Writing intensive course*

Media Arts.....**Media Arts 101, 301. Workshop in Broadcast Journalism**

Producing, writing, editing, and reporting campus news and feature stories.

Prerequisite: MEAR 250 or consent of instructor. May be repeated.

Credit: 1 hour (301 limited to juniors and seniors)

Media Arts 250. Single Camera Video (Art 250)

Creation and evaluation of short programs emphasizing field production and post-production editing.

Credit: 3 hours

Media Arts 310. Audio Producing

Creative production and recording of audio drama, music, and documentary. Study of audio techniques for media such as television, radio, film and multi-media applications.

Prerequisite: Media Arts 250 or consent of instructor.

Credit: 3 hours (Fall)

Media Arts 350. Television Theory and Criticism

An overview of contemporary television theories and methodologies. Emphasis on the application of methodologies to the study of television.

Prerequisite: Junior standing or consent of instructor.

Credit: 3 hours (Taught on demand)

Media Arts 360. Studio Television Producing

Building proficiency in each of the various roles necessary for effective TV production. Students write, produce and direct a studio TV program.

Prerequisite: Media Arts 250

Credit: 3 hours (Spring)

Media Arts 400. Advanced Video

Advanced study and application of the principles of cinematic structure, with emphasis on the producer's development of a distinct and unique voice.

Credit: 3 hours (Fall)

Media Arts 410. Documentary

Examination of important non-fiction films and video programs from Lumiere to the present. Emphasis is on structure, argument, and individual style. In-class viewing and discussion; out-of-class analysis of selected programs. Research and writing of a feature length documentary script.

Prerequisite: Media Arts 400 or consent of instructor.

Credit: 3 hours (Spring)

Media Arts 420. Digital 3-D Character Animation

The use of the computer as a tool for storytelling through the creation and animation of 3-D characters.

Credit: 3 hours

Media Arts 450. Media Decision Making

A study of the creative, practical and technical choices involved in making a selected professional production, with implications for other moving image-sound media.

Credit: 3 hours (Spring)

Music.....

Music 100. Fundamentals of Music

Study of basic music reading skills; notation of pitch and rhythm, intervals, scales, key signatures, triads.

Credit: 3 hours

Music 103, 303. University Singers

Open to all students by audition. Sacred and secular music from the Renaissance to the present. Two hours of rehearsal per week. May be repeated for credit.

Credit: 1 hour

Music 104. Survey of Western Music

Designed to acquaint students with elements necessary for the understanding of Western art music.

Vocabulary of musical terms and opportunity to become an informed listener. Class lectures, recorded music, live concerts and recitals. Fulfills Fine Arts General Education Requirement. Three class hours per week.

Credit: 3 hours

Music 107, 307. University Wind Ensemble

Open to all students by audition. Study and performance of a variety of wind and percussion literature.

Performs regularly during the academic year. Formal attire is the responsibility of the student. Three rehearsal hours per week. May be repeated for credit.

Credit: 1 hour

Music 108, 308. University Stadium Band

Open to all students. Performance of popular music styles for football games. Performance attire is the responsibility of the student. Two rehearsal hours per week. May be repeated for credit.

Corequisite: Music 107/307 or consent of director.

Credit: 1 hour (Fall)

Music 109, 309. Chamber Choir

By audition. A select group of singers. Sacred and secular music from the Renaissance to the present. This organization represents the University on and off campus. Four class hours per week.

Credit: 1 hour

Music 111, 311. Wingate Chorale

By audition. Study and performance of various styles of choral music. Two class meetings per week.

Corequisite: Enrollment in Music 109, 309.

Credit: 1 hour

Music 112, 312. University Jazz Ensemble

Open to all students by audition. Study and performance of literature from all genres of Jazz. Two rehearsal hours per week. May be repeated for credit.

Corequisite: Music 107/307 or consent of director.

Credit: 1 hour

Music 113, 313. Chamber Ensemble

Rehearsal and performance of selected chamber works. For elective credit only. By audition. Two hours per week.

Credit: 1 hour

Music 114, 314. Guitar Ensemble

Rehearsal and performance of guitar ensemble literature. Two class hours per week.

Prerequisite: Music 139 or consent of instructor.

Credit: 1 hour

Music 125, 126; 225, 226; 325, 326; 425, 426. Recital and Concert Lab

To acquaint the student with composers and performance practices through recitals and concerts. Attendance is required at 90% of all recitals and concerts as posted by the music faculty. Exceptions are at the discretion of the instructor. Eight semesters, BA; seven semesters, BME.

Credit: 0 hours

Music 130. Class Voice I

Position and poise of the body, strengthening exercises for the development of vocal freedom. Simple songs.

Open to secondary voice students and all students who wish to learn basic vocal techniques. Two class hours per week.

Credit: 1 hour

Music 131. Class Voice II

Expansion of Music 130 with emphasis on basic techniques and simple solo literature. Two class hours per week.

Prerequisite: Music 130

Credit: 1 hour

Music 136. Class Piano I

Basic music terminology, concepts, and keyboard skills. Two class hours per week.

Credit: 1 hour

Music 137. Class Piano II

An extension of Music 136 with more emphasis on improvisation, harmonization, and transposition. Two class hours per week.

Prerequisite: Music 136

Credit: 1 hour

Music 138. Class Guitar I

Group instruction in beginning guitar. Basic chords and music reading. Students must furnish guitar. Two class hours per week.

Credit: 1 hour

Music 139. Class Guitar II

An extension of Class Guitar I with more emphasis on fingerboard harmony, music reading, and right hand technique. Two class hours per week.

Prerequisite: Music 138/consent of instructor.

Credit: 1 hour

Music 205. Diction for Singers I

International Phonetic Alphabet; application to pronunciation of Latin, Italian, and English. Techniques in singing these languages. Two class hours per week.

Credit: 1 hour (Fall)

Music 206. Diction for Singers II

International Phonetic Alphabet; its application to pronunciation of French and German. Techniques in singing these languages. Two class hours per week.

Prerequisite: Music 205

Credit: 1 hour (Spring)

Music 215. Accompanying I

Study and practice of accompanying techniques in performance. Two class hours per week.

Credit: 1 hour (Fall)

Music 216. Accompanying II

Expansion of Music 215 with emphasis on collaborative performances. Two class hours per week.

Credit: 1 hour (Spring)

Music 217. Theory I

Entry level course for music majors. Study of scales, intervals, triads and their inversions, basic part-writing principles.

Credit: 3 hours (Fall)

Music 218. Theory II

Continuation of study of tonal harmony with emphasis on seventh chords, nonharmonic tones, modulation, harmonic analysis and part-writing.

Prerequisite: Music 217

Credit: 3 hours (Spring)

Music 219. Music Literature

Composers and their music in western civilization from the medieval era to the present. Introduction to music in world cultures.

Prerequisite: Music 217

Credit: 3 hours (Spring)

Music 220. Sophomore Recital

Formal, public performance of at least 20 minutes in length. Required of performance emphasis students; optional for music students in other emphases, by invitation.

Credit: 0 hours

Music 230. Class Voice III

Position and poise of the body, strengthening exercises for the vocal mechanism, supplemented by technical exercises for the development of vocal freedom. English and Italian songs from vocal literature. Two class hours per week.

Prerequisite: Music 131

Credit: 1 hour

Music 231. Class Voice IV

Expansion of Music 230. Two class hours per week.

Prerequisite: Music 230

Credit: 1 hour

Music 236. Class Piano III

Emphasis on practical keyboard skills and solo literature. Two class hours per week.

Prerequisite: Music 137 or equivalent

Credit: 1 hour

Music 237. Class Piano IV

Emphasis on keyboard skills; major and minor scales, sight reading (hymns, open choral score), melody harmonization, transposition, solo and ensemble literature. Two class hours per week.

Prerequisite: Music 236 or equivalent.

Credit: 1 hour

Music 238. Ear Training I

Foundations in sight singing and ear training utilizing computer-assisted instruction. Practice of harmonic and melodic intervals to the octave. Rhythmic dictation in simple and compound meters. Reading of all clefs using moveable Do solfège.

Credit: 1 hour (Fall)

Music 239. Ear Training II

Continuation of sight singing and dictation in all major and minor keys. Singing of triads and dominant sevenths in all inversions. Further rhythmic study.

Prerequisite: Music 238

Credit: 1 hour (Spring)

Music 299. Piano Proficiency

Demonstration of keyboard skills as described in the music department manual. Required for all Bachelor of Arts with a Performance emphasis and Bachelor of Music Education students. Must be completed prior to the semester in which the Junior Recital is to be given. Examination is given at the beginning, middle, and end of each semester. Graded on Pass/Fail basis.

Credit: 0 hours

Music 304. Women in the History of Art and Music (Art/Women's Studies 304)

Exploration of contributions made by women in art and music from antiquity to the 20th century.

Prerequisite: Art 103/Music 104/equivalent

Credit: 3 hours (Fall, odd years)

Music 305. Music History I*

Composers and their compositions from antiquity through the Baroque. Three class hours per week.

Prerequisites: Music 218/219

Credit: 3 hours (Fall)

Music 306. Music History II*

Composers and their compositions from the pre-classical period through the present. Three class hours per week.

Prerequisites: Music 218/219

Credit: 3 hours (Spring)

Music 315. Music in Film and Television in the United States

An in-depth look at the use of music in movies and programs on television. Music incorporated in the presentation of silent movies, newsreels, advertisements, and cartoons are examined.

Prerequisite: GER Fine Arts requirement

Credit: 3 hours (Spring, even years)

Prerequisite: Music 218

Credit: 3 hours (Fall)

Music 318. Theory IV

Study of musical forms. Introduction to twentieth-century compositional elements and styles.

Prerequisite: Music 317

Credit: 3 hours (Spring)

Music 320. Junior Recital

Formal, public performance of at least 30 minutes in length for performance emphasis students; at least 15 minutes in length for BA and BME students.

Credit: 0 hours

Music 321. Form and Analysis

A study of musical forms prevalent in the 18th through 20th centuries. Three class hours per week.

Prerequisite: Music 318

Credit: 3 hours

Music 322. Counterpoint

16th and 18th century compositional techniques. Writing projects and analysis of representative works of each century. Three class hours per week.

Prerequisite: Music 318

Credit: 3 hours

Music 323. Class Woodwinds

Introduction to techniques for playing and teaching woodwind instruments. Two class hours per week.

Credit: 1 hour

Music 324. Class Brass

Introduction to techniques for playing and teaching brass instruments. Two class hours per week.

Credit: 1 hour

Music 327. Class Strings

Introduction to techniques for playing and teaching string instruments. Two class hours per week.

Credit: 1 hour

Music 328. Class Percussion

Introduction to techniques for playing and teaching percussion, including mallet instruments. Two class hours per week.

Credit: 1 hour

Music 331. Music Business Seminar I ** (Business 331)

Career information, survey of music businesses, synthesis of music and business courses. Readings in professional journals. Designed for the junior music business student. One class hour per week.

Credit: 1 hour (Fall)

Music 332. Music Business Seminar II ** (Business 332)

Continuation of Music Business Seminar I. Reading and discussion of music business topics. Research on contemporary issues. Designed for the junior music business student. One class hour per week.

Credit: 1 hour (Spring)

Music 338. Ear Training III

Continuation of sight singing in all clefs, using moveable Do solfège. Singing, playing, and identification of seventh chords. Harmonic, melodic, and rhythmic dictation.

Prerequisite: Music 218, 239

Credit: 1 hour (Fall)

Music 339. Ear Training IV

Continuation of previous material to a more advanced level.

Prerequisite: Music 317, 338

Credit: 1 hour (Spring)

Music 341. Music Communications Seminar I (Communications 341)

Career information, survey of media producers, synthesis of music communications courses. Readings in professional journals. Designed for the junior music communications student. One class hour per week.

Credit: 1 hour (Fall)

Music 342. Music Communications Seminar II (Communications 342)**

Continuation of Music and Communications Seminar I. Reading and discussion of music communications sources. Research on contemporary issues. Designed for the junior music communications student. One class hour per week.

Credit: 1 hour (Spring)

Music 343. Choral Arranging/Composition/Conducting

Application of music theory in adapting music for various types of choral ensembles. Basic conducting techniques applied to rehearsal and performance. Three class hours per week.

Prerequisite: Music 318

Credit: 2 hours (Fall)

Music 344. Instrumental Arranging/Conducting/Orchestration

Study and application of basic conducting theories and methods for various instrumental ensembles. Basic techniques for arranging music for various instrumental ensembles (*Brass, woodwinds, percussion, and strings*). Three class hours per week.

Prerequisite: Music 343

Credit: 2 hours (Spring)

Music 350. Popular Music in the United States (Sociology 350)

Examination of societal trends and influences which are related to various kinds of popular music. Composers and artists of popular music are identified.

Credit: 3 hours (Spring, odd years)

Music 371. Elementary Music Methods ** (Education 371)

Music teaching methods and materials for the elementary classroom (K-5). Philosophy of music in the education of children. Approaches of Orff, Kodaly, and Weikart which include language and movement. Skills and techniques for using the singing voice, recorder, autoharp, and percussion instruments in the elementary classroom. Three class hours per week.

Credit: 2 hours (Fall)

Music 372. Middle School Music Methods ** (Education 372)

Music teaching methods and materials for middle school (6-8). Topics include philosophy, curriculum, evaluation, discipline, and techniques for general music classes and ensembles. Skills and techniques for using guitar and electronic instruments. Three class hours per week.

Credit: 2 hours (Spring)

Music 373. Secondary Music Methods (Education 373)**

Music teaching methods and materials for high school (9-12). Topics include organizing choral and instrumental ensembles. Materials and techniques for teaching music appreciation and music theory. Three class hours per week.

Credit: 2 hours (Fall)

Music 377. Music Methods for Elementary Education (Education 377)**

Music teaching methods and materials for the elementary classroom teacher. Philosophy of music in the education of children. Fundamentals of music notation and terminology. Basic skills for singing and using musical instruments in the elementary classroom. Three class hours per week.

Credit: 2 hours (Spring)

Music 400. Psychology of Music (Psychology 400)

Music and behavior with emphasis on the effects of sociological factors. Topics include acoustics, aesthetics, empirical principles, measurement, and applications of music to industry and therapy. Capstone course for the music major. Three class hours per week.

Prerequisite: Music 104/219

Credit: 3 hours (Spring)

Music 401. Choral Techniques

Conducting techniques and procedures for choral conductors; score reading; rehearsal preparation and techniques, programming, application of vocal techniques. Four class hours per week.

Prerequisite: Music 343

Credit: 3 hours (Fall)

Music 403. Instrumental Techniques

Conducting techniques and procedures for instrumental directors; score analysis, rehearsal preparation and techniques adequate to communicate the understanding of musical interpretation. Various instrumental ensembles will serve as laboratory groups. Three class hours per week.

Prerequisite: Music 344

Credit: 3 hours (Fall)

Music 420. Senior Recital**

Formal, public performance of at least 50 minutes in length. Required of performance emphasis students; optional for music students in other emphases, by invitation. Capstone course for the performance major.

Credit: 0 hours

Music 441. Music in Communications (Communications 441)

Study of the functions of music in mass communications. Application through scoring commercials and underscoring drama. Three class hours per week.

Prerequisites: Music 343, consent of instructor.

Credit: 3 hours (Spring, alternate years)

Music 442. Music Communications Internship (Communications 442)

Directed field experience in areas of communication which include music. Intended for the senior music and communications student. Must follow guidelines for Practicum, Field Experience, and Internship in Chapter 4. Students under supervision of Wingate University faculty.

Prerequisite: Consent of instructor.

Credit: 3 hours

Music 451. Music Merchandising (Business 451)

Synthesis of individual music and business courses. Copyright laws; publishing of music; performing rights; manufacturing, distribution, and sales of instruments; and other pertinent topics. Three class hours per week.

Prerequisite: Consent of instructor.

Credit: 3 hours (Fall, alternate years)

Music 460. Music-Business Internship (Business 460)

Directed field experience in areas of business related to music. Intended for the senior music-business student. Must follow guidelines for Practicum, Field Experience, and Internship in Chapter 4. Capstone course for the major. Students under supervision of Wingate University faculty.

Prerequisite: Consent of instructor.

Credit: 3 hours

Music 470. Independent Study*

Must follow guidelines for Independent Study in Chapter 4.

Credit: Up to 3 hours

Music 471. Literature/Pedagogy

Musical literature of the principal instrument representing pre-Baroque through contemporary periods. Pedagogical materials and methodologies will be explored. Taught on demand.

Prerequisite: Principal level of study at the 300 level.

Credit: 3 hours

Music 497. Exit Examination

Required of majors in the last semester before graduation. Graded on P/F basis.

Credit: 0 hours

Performance Studies

Private lessons given in piano, organ, voice, bass, bassoon, cello, clarinet, euphonium, flute, guitar, horn, oboe, percussion, saxophone, trombone, trumpet, tuba, viola, violin; principal and secondary instrumental study. Performance study on a student's principal instrument normally carries two hours of credit each semester, one hour for the secondary instrument, although credits may vary from one to three hours per semester. Course numbers for performance study are:

Principal Instrument--Mus 162, 262, 362, 462

Secondary Instrument--Mus 161, 261, 361, 461

A performance study course may be repeated for a maximum of 4 hours credit. Curricula for the various music degrees indicate credit hours, semesters, and years of performance study required for graduation. Specific requirements for performance study at all levels are available in the Office of the Department of Music.

**Writing intensive course*

***Oral intensive course*

Philosophy**Philosophy 101. Introduction to Philosophy**

Examination of central philosophical issues about reality, truth, God, freedom, beauty, and morality, with an emphasis on students' development of critical thinking skills and consistent philosophical perspectives.

Credit: 3 hours

Philosophy 202. Basic Logic

Methods and principles used to distinguish correct from incorrect reasoning. Focus on informal argument in ordinary language, categorical syllogisms from Aristotelian logic, and contemporary symbolic logic.

Credit: 3 hours (Spring)

Total hours 125

Note: Biology majors and and/or Pre-professional students:

Both the sequence of and your performance in biology, chemistry, and math courses are critical. Students should consult with their advisor when planning schedules and selecting courses. Not all biology courses are taught each semester or each year. Consult with the Biology Department if your advisor is not a biology faculty member.

Note: Pre-Medical, Pre-Dental, Pre-Veterinary students

Regardless of which major selected (Biology or otherwise), most medical and dental schools in the US require one year each of: Biology (150, 200), Chemistry (101, 102, 201, 202), Physics (201, 202). Some specify Math 120. (Veterinary schools usually require more genetics, biochemistry, and microbiology.)

Prior to taking the MCAT/DAT/VCAT, students should take at least one upper-level biology course (Recommended: Biology 305). Non-biology majors should select additional upper-level biology courses. Each student is responsible for selecting the courses that are needed to meet all entrance requirements specified in the bulletin from the school they wish to attend.

Section II. Program information.

(A) Number of students in the regular teacher preparation program at your institution:

Please specify the number of students in your teacher preparation program during academic year 2002-2003, including all areas of specialization.

1. Total number of students enrolled during 2002-2003: 54

(B) Information about supervised student teaching:

2. How many students (in the regular program and any alternative route programs) were in programs of supervised student teaching during academic year 2002-2003? 15

3. Please provide the numbers of supervising faculty who were:

3 Appointed full-time faculty in professional education: an individual who works full time in a school, college, or department of education, and spends at least part of the time in supervision of teacher preparation students.

1 Appointed part-time faculty in professional education and full-time in the institution: any full time faculty member in the institution who also may be supervising or teaching in the teacher preparation program.

0 Appointed part-time faculty in professional education, not otherwise employed by the institution: may be part time university faculty or pre-K-12 teachers who supervise prospective teachers. The numbers do not include K-12 teachers who simply receive a stipend for supervising student teachers. Rather, this third category is intended to reflect the growing trend among institutions of higher education to appoint K-12 teachers as clinical faculty, with the rights and responsibilities of the institution's regular faculty.

Supervising faculty for purposes of this data collection includes all persons who the institution regards as having faculty status and who were assigned by the teacher preparation program to provide supervision and evaluation of student teaching, with an administrative link or relationship to the teacher preparation program.

Total number of supervising faculty for the teacher preparation program during 2002-2003: 4

4. The student/faculty ratio was (divide the total given in B2. by the number given in B3.): 3.75

5. The average number of hours per week required of student participation in supervised student teaching in these programs was: 40 hours. The total number of weeks of supervised student teaching required is 15. The total number of hours required is 600 hours.

(C) Information about state approval or accreditation of teacher preparation programs:

6. Is your teacher preparation program currently approved or accredited by the state?
 Yes No

7. Is your teacher preparation program currently under a designation as "low-performing" by the state?
 Yes No

Section III. Contextual information.

Overview of the Institution

Wingate University is a private coeducational institution affiliated with the North Carolina Baptist State Convention. The Wingate campus is located about 20 miles southeast of metropolitan Charlotte. The university's mission is to prepare its students to become enlightened, productive citizens by providing a high quality education in the Judeo-Christian heritage. Accordingly, the university has a threefold purpose: to maintain an environment where students broaden their knowledge of the world; to sustain a community where the bases of faith are explored and where there is a common search for truth and meaning; and to promote a heritage of service to humanity and God through involvement and leadership. A century of experience in education has prepared Wingate to fulfill its purpose, and the history of the university exhibits commitment, determination, sacrifice, growth, and success. In 1896, when public schools were unavailable in rural areas of the Carolina Piedmont, Wingate was established to offer a complete literacy education to elementary and high school students. In 1923 Wingate expanded its educational vision, offering the first two years of baccalaureate education. Over the years Wingate gradually added upper level college courses and majors and granted its first four year degrees in 1979. In the 1980s Wingate expanded its mission to include additional majors and graduate degrees in education and later in business and signaled its commitment to education for a global society by establishing W'International, which incorporates international education and travel into each student's program of study. All degree programs at Wingate require students to earn credits in the Lyceum program, which brings internationally renowned speakers, leaders, and cultural performances to the university community. In recent years the university has addressed the changing demographic and cultural needs of the area by offering classes, programs, and degrees at satellite locations such as our Matthews Center. In 1995 the institution attained university status. Wingate University now attracts students from throughout the United States and a dozen foreign countries.

Special Characteristics

Wingate's Thayer School of Education offers ten education majors and eleven licensure areas to traditional and non-traditional undergraduate and graduate students. Undergraduate programs include Elementary Education (K-6), Middle Grades Education (6-9 Language Arts, Social Studies, Mathematics, and Science), Biology/Chemistry Education (9-12), English and Education (9-12), Social Studies Education (9-12), Mathematics and Education (9-12), Art and Education (K-12), Music Education (K-12), Physical Education (K-12), and Reading (K-12)/Elementary Education. The graduate program offers the Master of Arts in Education degree for individuals who already hold elementary school licensure, and the Master of Arts in Teaching degree for individuals who hold degrees in areas other than education and seek to prepare for a teaching career. The professional education programs at Wingate University are guided by a conceptual framework consistent with the university's mission of Faith, Knowledge, and Service and are conceived in the context of a well-rounded liberal arts education. Integral to this framework is an ethics component comprised of courses in religious and ethical studies and an emphasis on professional ethics throughout the program. Student involvement in a wide range of religious, humanitarian, and charitable organizations and projects reflects Wingate's commitment to service. Professional knowledge and applied teaching components enable students to make creative and informed decisions to meet diverse classroom challenges and become effective facilitators of learning. Education students benefit from small class sizes, frequent and personal interactions with faculty, and a strong advising program. Performance-based components are required in each education course. Close ties with our diverse local public schools provide extensive and intensive field experiences, student teaching, and practica. Students who desire more intensive or specialized study in education may receive personal research assistance from education professors through duPont research grants and university honors projects.

Supplemental Description Information to Provide a Richer Picture of the Efforts to Provide High Quality Teacher Education

Wingate intentionally links its teacher education program with the needs and challenges of the public schools they serve. Field experiences are coordinated so that each student demonstrates experience and competence in a wide range of settings serving diverse student populations and learning needs. Activities progress from observing, participating in, and reflecting upon educational and professional practice; to interacting with individual students and small groups to develop and apply management, instructional, and assessment strategies; and finally to planning, implementing, and evaluating instruction. The student teaching program is structured so that each candidate receives the extensive nurturing, mentoring, and coaching needed to become an effective facilitator of learning. University supervisors are full-time education faculty members who know the students well and have served as their professors and advisors. This provision facilitates transfer of concepts learned in university classrooms to actual school settings. Students receive support through many avenues including frequent required observations from supervisors and peers, individual and collaborative conferences, and weekly participation in seminars with fellow candidates and practicing educators. Wingate University collaborates with the public schools to improve preservice and inservice teacher education programs. Teachers and administrators serve on Wingate's Teacher Education Committee, function as faculty and guest speakers for education courses, and are involved in the evaluation of portfolios and student projects. Wingate faculty serve on a variety of task forces and committees pertaining to the ongoing assessment and improvement of teacher preparation. Wingate's Master of Arts in Education degree program is designed to meet the needs of practicing educators for continued professional growth and additional preparation to meet new educational challenges. Additionally, Wingate recognizes the current need for quality preparation of teachers in lateral entry and other alternative licensure programs. Wingate's Master of Arts in Teaching degree provides a preparation program comparable in quality to that received by our typical undergraduate, but which meets the unique needs of these non-traditional educators.

Section IV. Certification.
